CLERGY SESSION

The Clergy Session of the 2011 Annual Conference was held at Brown Chapel, Centenary College, Shreveport, Louisiana.

Rev. Mickey Cloud offered an organ prelude, and Bishop William Hutchinson called the Clergy Session to order.

Worship began with the singing of “Many Gifts, One Spirit.” Rev. Susie Thomas offered the opening prayer, and Rev. Barbary Murray presented the offertory entitled “It Took a Miracle,” and the clergy gave gifts to benefit the pension program in the Central Conferences of The United Methodist Church. Rev. Caroline Wilkinson read Ephesians 4:1-16, and Rev. Danny Gleason offered a sermon entitled “One Body? Our Body? The Body!”

Part II of the report “Pertaining to Ordained Ministers and Local Pastors,” of the Disciplinary Questions 17 through 56, was presented by various members of the Board of Ordained Ministry. Corrections, deletions, and additions were made to the pre-printed report and noted by Rev. John Edd Harper for printing in the Conference Journal. Bishop Hutchinson conducted elections and votes as necessary. Rev. Harper recorded election results.

The Clergy Session also considered the following parts of the Disciplinary Questions: Part III, “Certification in Specialization and Certified Lay Ministry” (questions 60-65); Part IV, “Diaconal Ministers” (questions 66-75 of the 1992 *Book of Discipline*); and Part V, “Appointments and Concluding Business” (questions 76-84). Bishop Hutchinson conducted votes as necessary, and Rev. John Edd Harper recorded the results.

Rev. Danny Gleason moved that the entire report be approved by the Clergy Session. The vote was recorded by Rev. John Edd Harper, and it was approved.

Rev. Charlie Langford presented the Harry Denman Evangelism Award to Rev. Chris Andrews.

Reports were presented on behalf of the Order of Elders, Order of Deacons, and the Fellowship of Local Pastors and Associate Members.

Rev. Jack O’Dell moved that the Clergy Session approve the following policy: when a clergy person is under review in the administrative or judicial process (1) that meetings are held at a neutral location, (2) that the person be informed in advance as to the agenda of the meeting, and (3) that the person under review be allowed and encouraged to have a third-party representative at said meetings. The motion was seconded. Rev. O’Dell agreed that the matter may be referred to the Board of Ordained Ministry for review and/or adoption into its policies and that the Board of Ordained Ministry will report on their actions at Annual Conference. The motion to refer this matter to the Board of Ordained Ministry carried with some opposition.

Following the business of the session, the clergy of the Conference prayed together a covenant prayer from John Wesley’s 1780 Covenant Service and sang Charles Wesley’s “A Charge to Keep I Have.”

LAITY SESSION

The session was opened with music led by George and Judy Gross.

Dr. Sarah Kreutziger, Conference Lay Leader, opened the session with a prayer, welcomed everyone and noted our theme this year is “Ministry with the Poor.” The scripture is from Galatians 2:10, “They asked only one thing, that we remember the poor.”

Dr. Sarah Kreutziger introduced Bishop William Hutchinson, who welcomed and addressed the Laity. In his address he talked about the laity and their importance in the church. He stated four drivers for a vital congregation and discussed these drivers.

These drivers are:

- Effective pastoral leadership
- Multiple small groups and groups for children and youth
- A mix of traditional and contemporary worship

A high percentage of spiritually engaged laity who assume leadership roles

The Bishop also gave information on a Laity Retreat planned for March 16th and 17th, 2012 at the Wesley Center. Bishop Hutchinson and a well known facilitator will be presenters. All Laity are encouraged to attend.

Dr. Sarah Kreutziger introduced Board member, Pete Aguila, who then introduced members of the El Mesias United Methodist Church in New Orleans. The Hispanic Choir sang as the Board of Laity proceeded in.

Mrs. Glennell Cottrill, Treasurer, presented the annual treasurer's report for the Board of Laity for the year 2010.

For the conference year ended December 31, 2010 the Bob Lay Memorial received contributions from the various districts totaling \$69,244. Our goal for the year was \$75,000. The ending balances for the Bob Lay Memorial totaled \$241,250; of this amount \$82,893 was deposited for the building of Faith Crossing UMC, \$24,916 was on deposit for the building of The Well UMC, and \$133,412 was available, by resolution of the Annual Conference, for loans to churches for redevelopment or growth needs. During the year, we disbursed \$70,812 to The Well United Methodist Church to assist with their first building. As of May 1st, we had a \$48,712 balance payable to The Well, which has now been disbursed. We had set the goal of \$150,000 for each of the three new churches; however, we were only able to raise \$119,524 for The Well and \$82,893 for Faith Crossing. The Well UMC was chartered on Easter Sunday, 2011. Our current call is for New Song on Old Perkins Road in Baton Rouge. All funds collected during the remainder of 2011 and 2012 will be designated for New Song.

Since the beginning of the current year thru May 1st, the Bob Lay Memorial has received \$23,671 from the districts. Since May 1st, we have received \$5,745 for New Song UMC. Our goal for the current year is also \$75,000. The need for funds for new church starts is tremendous. The laity were asked to please pray and contribute to this worthy undertaking. Glennell thanked those who have been working on this and encouraged them to talk to their district 1000 Club chairperson about plans to raise these funds.

For the conference year ended December 31, 2010 the Daughenbaugh Matheny Scholarship Fund received contributions from the various districts totaling \$31,629. We disbursed scholarships totaling \$33,750 to Louisiana United Methodist students attending Centenary College and Dillard University. A professional video promoting the scholarship was produced at a cost of \$4,253. The ending balance for the Daughenbaugh Matheny Scholarship Fund totaled \$50,462.03.

Since the beginning of the current year as of May 1st, the Scholarship Fund has received \$8,108 from the various districts. Since May 1st, we have received an additional \$10,152 for the scholarships. We need to raise at least \$35,000 each year to maintain this fund and support our students. Please be aware that a college education is expensive and we are

committed to helping our Louisiana United Methodist students at our two Louisiana United Methodist colleges.

Mr. Buzzy Anding explained the voting procedures for the election on Tuesday of delegates to General and Jurisdictional Conference in 2012. He stated that the Clergy will elect five clergy and the laity will elect five laity to attend General Conference. He then noted that the clergy will elect five clergy and laity will elect five laity to attend Jurisdictional Conference along with two laity reserve delegates.

Mr. Anding then explained the new electronic voting system that will be used to tally the votes this year.

Dr. Kreutziger called the eighteen candidates running for General and Jurisdictional Conferences to the front to be introduced to the Laity. She then asked for any nominees from the floor who want to be considered for nomination as a delegate. One person was recognized and added to the list of nominees, the added name was Olivia Pruett.

Mrs. Joyce Robinson introduced the Program Session of the program.

Mr. Tim Hebert reported on Certified Lay Ministers and Lay Speaking Ministries. Tim stated that everyone is called to be in ministry. He then went through the steps involved to become a Certified Lay Minister noting that you must first become a Certified Lay Speaker in order to become a Certified Lay Minister. Tim stated there will be courses every year in every District to become a Certified Lay Minister.

Those recognized as certified lay ministers are Steven Bellard, Henry Camburn, Alton Franks, Vickie Huckeba and Donna Whittington.

Mr. Hebert then reported on the process of becoming a Lay Speaking Minister.

Mr. Walter Weiss reported on the 1000 Club and noted they did not reach their goal for this year. He noted that Steve Stephens has been very instrumental in distribution of flyers to advocate the 1000 Club. Walter encouraged everyone to promote more giving in their churches as this is a laity initiative.

Mrs. Edna Hickman, UMW president and Pete Aguila, BOL representative, presented information on Domestic Violence. They stated that domestic violence is a social issue and not just an issue for women. Edna reported that three women and one man are murdered every day by their intimate partner. Domestic violence is a serious problem in every city with 95% of the victims being women. The victims come from every walk of life. We as United Methodist must speak up and speak out on domestic violence. The LA Coalition Against Domestic Violence has been very helpful in guidance and training to our conference. The UMW will have a number of workshops in districts on domestic violence.

Mrs. Carolyn Dove reported on the Daughenbaugh-Matheny Scholarship Fund. She reported a DVD was produced in 2010 to go into local churches. Carolyn stated since the inception of this scholarship fund in 1950, 336 young people have received this scholarship. Parts of the DVD were shown with interviews of some of those who have received the scholarship. Last year each person who received the scholarship received \$1,500. There will be 25 scholarships given this year, but to be able to give each recipient \$1,500 again this year, there is a need for \$4,000 to be donated to the fund. Carolyn asked that donations be made during this conference to bring in the money needed.

Mrs. Joyce Robinson announced there are still tickets to be sold to the Laity breakfast on Tuesday morning. Joyce encouraged laity to contact their District Lay Leader to purchase tickets if they have not done so.

Dr. Sarah Kreutziger requested that all laity who brought the questions that were sent before the conference be ready to pass those forward to be collected by the youth. She noted that the information will be gathered together and that they would use what the laity tell us in our future meetings and plans and most importantly, be disseminated in several ways. The most important way will be in the Laity Retreat that will be held next March.

Dr. Sarah Kreutziger then began the Laity Worship Service with a prayer. There was a short service with the Conference Board of Laity participating in the service with readings and prayers. Music during the service was led by Mrs. Judy Gross and Mr. George Gross.

Dr. Sarah Kreutziger introduced Rev. Leo Lee who gave the Benediction in English and Korean.

MORNING SESSION

JUNE 6, 2011

Gathering music was led by Dr. Marcia McFee, Director of worship for 2012 General Conference.

Bishop William W. Hutchinson gaveled into session the forty-first session of the Louisiana Annual Conference. He declared it open and convened.

David Trickett, Iliff School of Theology President, led the opening prayer and brought greetings. He thanked the Conference for their support of the 13 United Methodist-related schools of theology.

Dr. David Rowe, President of Centenary College, brought greetings and welcomed the Conference back to Centenary College. He issued a formal invitation to the Conference to return next year and every other year as long as the Conference would like. He thanked the Conference for responding to his call last year of exploring what it means to be a church-related college and a college-related church.

Dr. Don Avery and Dr. Marcia Avery, the host district superintendent and spouse, gave greetings to the Conference. They presented Bishop Hutchinson with a collage memento of all the churches that participated in the ramp blitz for the Day of Caring.

Roll call was taken by Rev. Larry Miller. He then submitted the following motion to the Conference for approval:

“I nominate Mrs. Belinda Denicola, Rev. Bernadine Johnson, Mrs. Joyce Robinson, and Rev. Darryl Tate as Assistant Secretaries of the Annual Conference Session. I further nominate Mrs. Joyce Robinson and Rev. Darryl Tate as Head Tellers. I also direct the attention of the Conference to six matters:

1. All materials for conference members are to be approved by and distributed through the Conference Secretary. These materials are to be given to Mrs. Joyce Robinson and are to be marked with the recommended time of distribution.
2. Forms for writing amendments and motions that are presented to the Conference should be picked up at the Secretary’s desk and the completed forms should be returned to the Secretary’s desk.
3. Similar forms are available for persons requesting courtesy letters to be sent from the Conference. Forms for special guests to be presented to the Conference are also available from the Secretary’s desk.
4. Any changes or corrections that need to be made regarding Pre-Conference Reports should be completed and given to Mrs. Belinda Denicola.
5. Special sound equipment for the hearing impaired is available at the A-V desk through Mr. Claiborne Sharp for plenary sessions.
6. Please be aware of petitions that will be placed on the tables for review. They are scheduled to be voted on Wednesday morning. Please save these petition handouts and bring them back the next day for the vote.
7. Prayer concerns or announcements to be raised to the Conference membership should be given to the Conference Secretary. Mr. Fred Loy, Chair of the Committee on Courtesies, or a member of the committee will report these at the close of each business session.

I move that any reports not presented, but before the Annual Conference as a part of the Pre-Conference Report be received by the Annual Conference and published in the 2011 Louisiana Annual Conference Journal.”

The motion was adopted by the Conference.

Dr. Ralph Ford presented the following motion to the Conference for approval:

“I move that beginning Monday at 10:30 a.m., June 6, 2011, the main floor of the Physical Education Center of Centenary College be designated as the Bar of the Conference.

I move that after the first ballots for delegates to the General and Jurisdictional Conferences, only those individuals receiving five or more votes should have their names

read to the Annual Conference. I also move that the Conference elect two reserve clergy delegates and two reserve lay delegates to the Jurisdictional Conference and that both clergy and laity have their expenses paid by the Annual Conference and that such funds be made available by the Conference Council on Finance and Administration.

I also move that Tuesday 2:30 p.m. be set as the order of the day for the election of clergy and lay delegates to general and jurisdictional conference, and that Wednesday's order of the day be set at 10:30 a.m. for the passing of the mantle for retirees' recognition. I further move that the printed program be the agenda for the Annual Conference Session and that the Bishop be empowered to make changes in the agenda necessary to complete the business of the Conference. I finally move that the printed material that is to be distributed to the Annual Conference session be cleared through the Secretary prior to distribution."

The motion was adopted by the Conference.

Betty Backstrom introduced the theme of the 2011 Annual Conference as "Ministry with the Poor." She stated that more than 210 United Methodist churches participated in "A Day of Caring" on May 14, 2011 which brought awareness to poverty that exists in our communities and gave a chance to be an active part of the solution. She also stated that the Louisiana Conference had the largest number of local churches participating, more than any other Conference nationwide and any other Conference worldwide. She thanked the committee members for all of their help.

Mr. George "Buzzy" Anding reported on the Conference Committee on Episcopacy. He referenced page 146 of the Pre-Conference Journal. He then asked Mr. Fred Loy to escort Mrs. Kay Hutchinson to the stage. Mrs. Hutchinson was presented with a necklace as an expression of love and appreciation for the Episcopal Couples Ministry and Friendship. Mrs. Hutchinson addressed the Conference with gratitude.

Corsages were presented to Cathy Moore, Patti Perkins, Rhonda Whitley, and Belinda Denicola. Gene Finnell and the members of the Conference Committee were also thanked for their faithful service.

BISHOP HUTCHINSON PRESENTED HIS EPISCOPAL ADDRESS

"God Alone is Changeless"

"There's been a change in the River

There'll be a change in the sea

And from now on there'll be a change in me....., and thee....., and we....."

When I was a kid our class at school did a musical play called "Mississippi Melody." I had the distinct joy of being cast as Huck Finn. There were several songs in the play, but the only one I remember went like this:

"Mississippi, roll on past my door. Mississippi, stay on your own floor

When you're glad you bring delight to me; when you're mad you are an awful sight to see!

*Once I left you, won't do that no more. I want to live and die
By that Mississippi River shore!"*

(I've wanted to sing that to you for the last eleven years! I just couldn't find the proper time to do it!)

The people of Louisiana are indeed a unique people – culturally, geographically, and historically. Until relatively recent years we were separated by rivers and bayous which allowed us to develop several distinct cultural identities. As the bridges and roads began to get built and access to other areas of the state became more of a possibility, we were challenged with what it means to move out of our own individual life-styles and into a corporate life-style that included all of us. The dominant theological approach in northern Louisiana has been influenced by the Baptists and Pentecostals. The southern tier of parishes has been shaped theologically by Roman Catholicism: French Roman Catholicism at that, which has its own unique flavor (no food puns intended!). And in the midst of that mix the Methodists came on horseback, by boat, and any other means necessary to traverse our beautiful land and waters to reach souls for Christ and introduce them to Wesleyan theology, which compliments all the rest in many ways, and challenges them to the core in many other ways.

When the Louisiana Purchase was consummated in 1803, this heretofore forbidden territory to Protestants was opened and Methodist Circuit Riders made their way from the state of Mississippi into the virgin territory. Vying for the distinction of the oldest Methodist church west of the Mississippi is Eden United Methodist Church, just outside Jena, and also Louisiana Memorial United Methodist Church in Opelousas. I suspect there was little contact between these two infant bodies because of all the natural barriers to communication and that is what has led to the confusion as to which one was established first. Methodist Churches for those of African descent were established later, with one of the oldest being Asbury in Natchitoches.

We have been a people marked by natural disaster: floods, hurricanes, tornados, fires. We've also experienced human induced disasters such as the Gulf Oil Spill of 2010. There was the 1927 flood of the Mississippi, the 1937 flood, the 1973 flood, and now the 2011 flood. Hurricanes have been numerous and could fill a book of names of choice: Audrey, Betsy, Camille, Andrew, Lilly, Katrina, Rita, Gustav, Ike, you add your favorite.

All of these have been defining moments of turning, especially Katrina and Rita, and gave us permission to open doors to new ways of doing things, pushing us to new models, revealing to us the resilience of our people who have inherently known "what to do" in every case, even while our cry was "We don't know what to do!" The changes afforded were not just the works of nature, but were the work of the Holy Spirit which used these crisis moments to give us strength not only to continue but to explore new territory. We have reconfigured the face of the church and even redirected the mission of the church in New Orleans and in southwest Louisiana as a result of Katrina and Rita.

Because we have experienced the ability to do the hard work of redirecting our lives, as well as being on the receiving end of the pushback that always accompanies creativity and newness, it has emboldened us not to back away from bold new directions in subsequent years. It has become obvious that bold new decisions, hard decisions, can be made for the wellbeing of the local churches and the annual conference and while these may be unpopular at the moment, the annual conference has demonstrated a trusting spirit that continues to give leadership the freedom to innovate for the strengthening of our ability to address our mission field.

While we have been in the midst of reinventing ourselves as the result of disasters, the General Church has been in the process of questioning themselves as to our decline, our sustainability, and our future. These questions led the Council of Bishops to the proposals that are now being referred to as “The Call to Action.” This is a proposed action that comes out of the realization that there is a church in crisis that is larger than any one annual conference. Both clergy and laity are positioned and ready to move in decisive and definitive ways to address the crisis.

The Extended Cabinet, given financial support and encouragement from the United Methodist Foundation of Louisiana and under the consultation and facilitation of Dr. Gil Rendle, has been working steadily and intentionally to bring a new day to Louisiana United Methodism that will assist us in being a more effective movement for the cause of Christ. We began our redirection with looking at clergy profiles and service records, and looking at local church histories and performances over a ten year period. Now we are ready to move to ways to bring the laity on board in more complete and effective partnership. Our conference is more than ready to receive the benefits of the laity’s wisdom and passion for the wellbeing of the mission of the church. We’re very clear, laity. We are not asking you to be followers, but complete partners in a new ministry.

So, crisis has been a power driver and this has led us to be a comeback people. I am telling this bold story to you because this story allows us to be very bold going into tomorrow. Katrina and Rita in particular hijacked our normal lifestyle, but our way of doing church has been set free through that crisis and that has been a blessing and a very positive thing.

I. THE WORK OF THE EXTENDED CABINET

In the fall of 2010, the Extended Cabinet made a visit to every district in the Conference to introduce to you the work we had done to that point. The work included identification of the main question that was being asked consistently across the Conference, “What is your mission field?” Charge Conferences, Ministry Plans, January Review Forms all contained that question. You have done wonderful work in beginning to identify the answer to that for each of your own particular situations. It is still a critical and foundational question that must be addressed.

In addition to the mission field question, there was a new request based on some very intense work around four prototypes of churches – 1. “On the Move”, 2.) “Faithful and

Strong”, 3.) “Rekindling the Vision”, and 4.) “Passing the Mantle.” Every pastor, every lay-leader, every church was asked to go back to their faith community and do the necessary discussion/evaluation that would help them come to a decision as to how to “self-identify” themselves as a faith community. You did very well in responding to that request. Here are the results:

- 67 – On the Move
- 149 – Faithful and Strong
- 162 – Rekindling the Vision
- 20 – Passing the Mantle

There was a fifth category as well. Those who chose not to respond to the request to do this faith-community work. Those duly constituted churches that made no response at all numbered 105.

Thank you to the 398 churches who took this request seriously. You are providing the Annual Conference with great information to move us to the next steps. You also will be the beneficiaries of the positive things that are afforded to those who clearly know who they are!

Speaking of bold steps, as I was a minute ago, I say a profound “Thank You” to those 20 churches who made the boldest identification, and the most difficult – the Passing the Mantle churches. We are working now on getting professional guidance on how to best help you as you determine how you can pass the mantle in a creative and strategic fashion that will continue to help build the Kingdom of God.

It is very disappointing that 105 churches chose not to respond to this requested information. What that says to me is that you don’t take your present or your future seriously and you don’t take your connectedness to your sister churches seriously either. I speak to you specifically now, but I want all to hear. If you did not respond to this request:

1. You are now behind 398 of your sister churches and fellow clergy and fellow lay leaders. Either you didn’t take the request seriously, thought it was unimportant, or you didn’t have clergy or lay leadership with adequate skills to do this work.
2. Pastors of these 105 churches –
 - a. There will be no Ministry Plan meeting with your District Superintendent this year. The reason for that is that you will not be able to participate in planning your ministry as to how to deal with the next steps in making your church or your ministry vital without this information. The District Superintendent won’t waste her/his time, or your time, until you are prepared to be part of the moving body of the Annual Conference.
 - b. More than likely there will be no Charge Conference as you have come to know it for you. You will be required to do the necessary paperwork and turn it in, but the District Superintendent will most likely not be taking the time to come to you because, again, you aren’t prepared for next steps.

- c. There may need to be some special meetings with the “no-responders” to deal with your delinquent work, but those will be scheduled on an as-deemed appropriate basis.
- d. If you have questions about any of this, I encourage you to talk with your District Superintendent who can help you know what you need to do to get in the main-stream of the Conference work and mission.

I asked for some additional information regarding these 105 churches. Even though you chose not to participate in the requested work of the Annual Conference, you did produce:

- a. A total of 124 Professions of Faith collectively
- b. An apportionment payout of 95.17%
- c. A total of 9126 members in 2010, which is only 24 less than 2009
- d. A total of 3784 average worship attendance, which is a decline of 82 from 2009
- e. 21 churches had a Confirmation Class in 2009, but only 12 had a confirmation class in 2010, with a total of 75 participants overall.

I am encouraged that these statistics, with the exception of the precipitous drop of Confirmation Classes, held so well in these 105 churches! My great concern is that this will not remain the case if you continue to choose to separate yourselves from the mainstream work of the Conference.

For the 398 who are ready to progress, the main question for you in 2011-2012 will be, “How are you focusing on the Mission/mission field?”

We will be coming to you again this fall with a further update on our work, just as we promised you we would do. At this point in time we are not totally certain of that format, or of those dates, but we will have both to you in the immediate future so you can plan. All, including those 105 “No-Responders”, are welcome to be there. These, again, will not be mandated meetings. But, if you are interested in being an active and informed part of the Louisiana Annual Conference, you will be present.

So, how did all this 2010 work affect the Annual Conference in 2010?

- 1. More churches know their mission field now than they did at the start of 2010.
- 2. For the first time in several years we had a gain in Membership in the Annual Conference!! In 2010 we showed a gain in membership of 257, compared to a loss of 1590 in 2009. That’s great news!
- 3. There was an apportionment payout of 98.5%.
- 4. We had 95 more professions of faith in 2010!
- 5. We had 62 more enrolled in Confirmation Preparation Classes.
- 6. And when all was said and done, our churches paid out a total of \$13,456,330 MORE than in 2009.

It’s been a great year for God’s Kingdom.

And in the area of Appointment-making, our new metrics helped significantly. Let me just say that we made appointments this year without the compensation figures on the

board in front of us. We didn't focus on how much a clergy person was being paid, and we did not focus on the salary being paid by the church. We began with the metrics we have laid out for both the church and the pastor, and we worked to match the two by those metrics without money being a deciding factor. When we went back and put the money beside our work, it was amazing how well it all worked out.

We were able to make the appointments this time with hard data in front of us and did not rely on our uneducated estimates and our subjective internal feelings and faulty memories as the main driving factors. As a result I believe we have made the best set of appointments yet. They were determined by what the church said was their mission and mission field, and this should strengthen the mission and ministry of the church so they can truly "make disciples of Jesus Christ for the transformation of the world."

II. FINANCIAL CONSIDERATIONS

Let's move now to the consideration of some of the financial issues facing the denomination and, consequently, all of us. Let's start with this video prepared for a spring meeting hosted by the General Board of Pensions and Health Benefits and the General Commission on Finance and Administration, and attended by six persons from our Annual Conference specifically invited for their dealing with and expertise in financial matters, plus the bishop: (Show Video)

To get a feel for the impact of the message of this video I want you to indulge me in a little visual display. Would those of you under 35 years of age please stand?

- Between 36-45
- Between 46-55
- Between 56-65
- Over 65

You see how we in Louisiana reflect the statistics that drove the concern of this video.

I've also learned in recent days that statisticians now say that it takes a church of 125 in average attendance to sustain a full-time clergy person. Let me state that again. It takes a church of 125 in average attendance to sustain a full-time clergy person. Let me give you some disturbing statistics for Louisiana:

We have 502 churches. Of those 502 here is the breakdown of average attendance statistics for 2010:

- 86 with more than 100 in average attendance
- 416 under 100 average attendance
- Of that 416 under 100, about half of those are under 50 in attendance

These attendance statistics have major implications for where we go in the future. They have to do with how many full-time clergy we can support. (It is shocking to know that in the last 2 ½ years we have lost some 30 full-time appointments in Louisiana!) They have major connotations as to how many people the Board of Ordained Ministry can admit

into the Annual Conference. They have major connotations on how we recruit and encourage young men and women to go into ordained ministry. They have to do with church vitality, which I will say more about in a moment. They have to do with whether a small number of people can really be a church, or should they be treated more as a Sunday School class, or a small group, or as a mission outreach post but not necessarily a “preaching point?”

Let me go back to the six person team who went to Ft. Worth. When that gathering was completed, the team determined they would like to dialogue further in order to help strengthen the position of the Louisiana Annual Conference. Again, with the help of the United Methodist Foundation of Louisiana, this team of people has met twice more, with Dr. Gil Rendle joining and leading us at the last meeting. We worked on what this group’s major contribution might be to the well-being of our Conference.

As a result of the last meeting, I have made the decision to gather a team consisting of eleven persons plus the bishop that has no authority to make decisions, but that will be asked to give advice to our structures as to whether the proposals in front of us are financially sustainable or not, or are they even strategically wise from a church vitality standpoint. This team will be called the “Strategic Vitality Task Force” and will be meeting throughout the Conference year to review and strategize with our structured committees as to how the ministries we have deemed important can be initiated, sustained and supported fully. The “death tsunami” mentioned in the video threatens the sustainability of what we already have, which includes all our “historical favorites”. If we want to be a church that is nimble enough to meet the new duties demanded by a new day, then we’re going to have to deal with our money resources just like the federal government, the state governments, the city governments, etc. are doing every day.

III. THE GLOBAL CHURCH AND THE CHURCH IN THE UNITED STATES

There has been much said over the past year about “The Call to Action.” This is the initiative begun by the Council of Bishops and that has now taken on major proportions as we approach General Conference 2012. This past April 6 some 120 United Methodists gathered across Louisiana to participate in a web-cast seminar and discussion group on this proposal.

The main thrust of the “Call to Action” is to develop vital congregations across the denomination. This is very similar to our own local work of trying to renew our churches to be vital in our work in Louisiana. There are four main drivers identified that propel a vital congregation. They are:

1. Effective pastoral leadership including aspects of management, vision and inspiration.
2. Multiple small groups and programs for children and youth.
3. A mix of traditional and contemporary worship services.
4. High percentages of spiritually engaged laity who assume leadership roles.

As General Conference approaches we will hear more about these drivers and how we can incorporate them into our denominational renewal and, most of all, the renewal of a major force for the Kingdom of God. United Methodism has all the tools necessary to become a great movement of God's people again. All we have to do is respond to the leading of the Holy Spirit to take us there.

IV. THE THREE TASK FORCES THAT ARE TO REPORT AT THIS SESSION

When we left Annual Conference in 2010 we had given three task forces some work to do with a request they bring their findings back to this session. Those were a task force to study Church Extension, one to study Multicultural Ministries, and one to study Conference Camping and the Wesley Center. These task forces were duly constituted and have faithfully done their work. As you have read your pre-conference journal you have seen what their proposals will be. Let me give you a quick preview and a couple of comments:

1. The Task Force on Church Extension and Revitalization

This task force is coming to the Annual Conference with a proposal that would bring major change to the direction and priorities of the Conference. These changes, if adopted will have major impact on the budget of the Conference. The proposal is indeed exciting! It will be fascinating to see how this body handles this report!

2. Multicultural Ministries Task Force

This task force will ask for an extension of time for their work. They wish to have the 2011-2012 Conference year to do a series of listening posts throughout the state and then bring a "robust recommendation" to the 2012 Annual Conference session.

3. Camping Ministry/Wesley Center Task Force

This task force was constituted along with the other two and is bringing a recommendation that includes better communication between camps. There also was consideration of creating a new conference position, "Conference Camping Coordinator". They see the need and necessity for an availability of the programs being offered and in effect offer no change for consideration.

This task force probably had the hardest work because they were dealing with longer history. But the day will come, starting at least with the "death tsunami" when we will be forced to reconsider whether this present arrangement can be continued.

All three of these reports will be before you for debate and action.

V. CONTINUING CONCERNS

There are a few continuing concerns I lift before you once again. Until we have solutions for these, I will be bringing them to your attention.

1. Conference Reserves

We continue to face the future on a “pay as you go” basis. In essence we have no reserves substantial enough to bail us out of a problem should it arise. The only place we would be able to get funding for an emergency beyond our normal budget would be:

- a. Apportion a larger amount to the churches
- b. Depend upon the general church to send funds to rescue us, which is a very unlikely solution given the difficulties of the general church!
- c. Sell properties, such as the camps I just mentioned and other institutional properties

We simply must determine a way to increase the Conference reserves as we move into the future.

2. Africa University Pledge

Another year has come and gone and we still haven’t approached how we are going to raise the \$1,000,000 pledged to Africa University by the 2005 Annual Conference Session. I had a meeting just this past month with representatives from Africa University who are ready to help us with the raising of this money. They are ready for us to underwrite the addition to the Campus Student Union which they desperately need.

Perhaps the Strategic Vitality Task Force can help us find ways to address this. I am concerned that these funds were pledged during my tenure as bishop and it looks as if I might be retiring before they are secured. I certainly do not desire to leave a \$1,000,000 debt to the next Episcopal administration.

3. I have tried to keep you apprised of the decisions being made by the general church that will directly affect us financially. That has been particularly true with regard to clergy benefits. Let me just approach the two most costly:

a. Pensions –

The very mention of that word sends shivers through the spines of the clergy. But you need to know what may be proposed. There is a proposal that pension payments will be lessened so that local churches can continue to afford a pastor. Let me put this as concisely as I can:

Currently the CRSP Defined Benefit is 1.25% of the Denominational Average Compensation per year of service. The proposal is to reduce that benefit to 1% of the Denominational Average Compensation and make even that available only to those serving ½ time or above. Currently this retirement benefit is available to those serving ¼ time and above. Here’s what that would mean practically: Today, the Denominational Average Compensation for pension purposes is \$61,716. Under our current plan a full time pastor with 40 years of service would receive \$30,858 per year for retirement. Under the proposed plan, this same pastor would receive “\$24,686 in annual retirement, for a reduction of \$6,172 per year.

In addition to the Defined Benefit plan, there is the CRSP Defined Contribution Plan. Currently this is set at 3% of the Denominational Average Compensation. It is paid

entirely by the local church or the extension ministry to which a pastor is appointed. In the new proposal, the amount of contribution would stay at 3% ONLY if the clergy person contributes 1% of their plan compensation themselves. In other words, this will be a sharing of cost between the individual pastor and the church. That will be new.

Several other proposals are being considered that will limit the duration of the treatment of some disabilities, will increase the amount of time one must serve before being eligible for death benefits, and will institute a flat death benefit in place of one that increases with the rise in the Denominational Average Compensation. These proposals are an effort to make all benefits affordable and sustainable into the future.

Clergy salaries and benefits are causing increasing difficulty in sustaining full-time appointments. As I mentioned earlier, in the past 2 1/2 years we have lost some 30 full time appointments in Louisiana, and that is greatly attributable to unsustainable costs related to a full time pastor.

Let me quickly state, "Pastors earn every cent they are paid." There is no question about that. Many are actually on the poverty level bubble as far as the amount of their Winn-Dixie money at that! My heart goes out and my hat comes off to you who are working at the minimum levels! But all of us see the dilemma. We cannot continue to have shrinking churches and escalating salaries and have viable congregations with full time pastoral leadership. We don't want to balance the shrinking budgets on the backs of clergy benefits, but we also do not want clergy benefits to make a church unable to survive.

b. Health Insurance

Health Insurance is another battle we are continually facing as far as sustainability of what we currently provide. There is no prediction regarding health insurance other than increasing costs. Right now we seem to be stable in our income vs. our outflow. But that has not always been the case, and without a continued rise in the amount billed for health insurance, we will not be able to even sustain what we have at the current levels.

Let me bring the 2011 Episcopal Address to a close with some exciting thoughts for the future:

1. Laity Retreat

There will be a laity retreat next spring in which Dr. Gil Rendle will be sharing with the laity all the many exciting things he has been sharing with the Extended Cabinet, the Strategic Vitality Task Force, The Bi-Annual Clergy gathering "Tending our Lives", and with the general church in various settings. The dates for that retreat are March 16-17, 2012. I would love to see the Wesley Center absolutely packed to overflowing with laity from across the Conference who are saying, "We're ready for the new day."

2. The beginning of a year of Ministry with the Poor.

The theme of our Conference is "Ministry with the Poor." We are in for an exciting time as we hear from Jorge Acevedo, our teacher/preacher for this Conference. We

have already experienced a very successful “Day of Caring” that reached out across Louisiana with a ministry of care and concern. We will be receiving your commitments for ministry and money for the coming year as our offering on Tuesday night. It should be a year unlike any other in our recent history when we intentionally work alongside and “with” the poor to make our state and world a better place.

3. New recruiting and training for our leaders of today and tomorrow.
The new “Awakening” event, a weekend of discernment for 16-18 year olds is one of the most exciting new academies on our calendar. The first one this past January had some 30 youth from across our Conference in attendance. Look out Louisiana when these outstanding young people enter the ranks of our clergy and our lay leadership! They won’t take “yesterday’s news” as their mantra. They will blaze their own trails in response to God’s call.

And there is the new LEAP program (Leadership Excellence Advancement Program) being offered by the United Methodist Foundation of Louisiana for pastors who have already served 5 years as an ordained clergyperson, and who have at least 15 more years to serve. Under the guidance of Reverend Janice Virtue, a leadership consultant and educator, this program promises to give our clergy in these specific service ranges new energy, expertise, and commitment to growing a more vital church in Louisiana. Our first class will be announced on August 15, 2011 and will begin their two year course in learning on September 26, 2011. Clergy, you have until June 15 to get your applications in! This will be a “first class” course in Leadership and I urge you to take advantage of it.

4. Our Disaster Recovery Ministry that has occupied almost all of our energy and attention since 2005 is indeed coming to an end. That is barring any new disasters that might visit us! We will be part of a final Hoorah! On Wednesday of this week! What a journey it has been!
5. And here’s just one for the road: Think what we could do if we had a fund that was designated to help pay for the placement of newly graduated clergy in some very specific “teaching churches” where they would be mentored by effective Senior Pastors and by leading lay women and men who know what it means to be a vital and alive church. If we could take our graduating seminarians and place them in some prepared learning settings such as our most vital and creative churches, think what that practical experience would do for them and for the churches they would serve into the future! Oh, it would indeed be a great gift to Christ’s Holy Church! When someone with that vision steps up to the plate and says, “I’d like to help get that fund started”, it will be a blessed new day for Louisiana United Methodism. I’d love to speak with you if you or someone you know has that nudging call from God to step forward.
6. Finally, let me speak just a word about the delegate elections that we will have for the General and Jurisdictional Conferences. Louisiana has been a model Conference

in the make-up of the delegations you send to these very important policy-setting conferences. Our delegations have been inclusive of gender, of age, of racial identity, of theological position, and sociological background. When you see our delegation, you see a representative face of Louisiana United Methodism. As we prepare ourselves to vote once again, I ask that you prayerfully consider the makeup of the delegation. I pray you will continue to make it inclusive and representative, as well as competent, committed, and consecrated to the task before them. This is no place for a popularity contest, but it is the place where the dedicated servants of God can be selected to go and do the draining, difficult, and demanding work of ten non-stop days in Tampa, Florida after they have spent the better part of a year reading volumes, meeting in preparation, listening to the desires of colleagues, and praying fervently for Almighty God's direction.

The legislation that comes before this General Conference will have major impact on the future of the United Methodist Church and of our strength for the work of Christ's Kingdom. And the election of a new Episcopal leader for Louisiana, which will happen at the Jurisdictional Conference in Oklahoma City, Oklahoma, will be crucial to the ongoing work of the Annual Conference. I don't want to dwell on this point. You know what I am asking you to do. Please let the Holy Spirit inform and guide your actions as you seek for those who can best represent our Conference in this important work.

And that brings to a close this version of the Episcopal Address! It's been a special joy sharing it this year. You are a superb Annual Conference and you do exceptional work! We have leaders, both lay and clergy, who are second to none! I am absolutely humbled and thrilled to be given the privilege to serve with you in Christ's ministry. Thank you once again, for incorporating Kay and me into your lives and for making us part of your faith journey. We are indeed blessed beyond all measure.

I close with this prayer of Teresa of Avila:

"Let nothing upset you, let nothing frighten you, everything is changing; God alone is changeless. Patience attains the goal. Who has God lacks nothing; God alone fills all our needs."

Amen and Amen

CFA Report #1

Mr. Henry Stamper, Chair of the Council on Finance and Administration, presented the CFA report #1. The report is found on pages 1-3 of the Pre-Conference Report. Mr. Stamper highlighted a few areas of the report. First, he brought attention to the recommended offerings and special days of the calendar year for 2011 through 2012. He

mentioned under Special Sundays with Offerings, the Methodist Children's Home Christmas Offering on December 18, 2011, and the Mother's Day Offering for the Children's Home on May 13, 2012. This is one offering for all three homes. The Methodist Children's Home in Ruston will line those funds up and send them out to the three homes across the state.

Mr. Stamper also made note of Item 13 on page 3 of the Pre-Conference Report regarding Terry Cook of Noel UMC who received certification for the first time from GCFA in UM Church Business Administration and Dianne Wilkinson of Benton UMC who has been recertified. The Pre-Conference Report also states that Dianne Wilkinson is also the national president for the UM Church Business Administrators Association. Mr. Stamper also recognized Brian Shoup whose name is not in the Pre-Conference Report. Mr. Shoup received the certification in 2009 but was not recognized at the time.

Mr. Stamper brought the Conference's attention to items that will be considered in report 2 on Wednesday. He noted on page 4 of the Pre-Conference Report that the overall budget is increasing by .36%. He also read aloud item 9 on page 7 regarding Conference Benevolences Reserve. He noted item 14 on page 9 which is a new item to be considered. Mr. Stamper read the item aloud which is regarding the transfer of the total of undesignated conference receipts from gas leases and royalties and two estate gifts.

CFA Report #1 was approved.

Equitable Compensation Report

Rev. Tom Howe presented a report from the Commission on Equitable Compensation found on pages 139-141 of the Pre-Conference Report. He noted a change on page 139 of the year from 2011 to 2012 because the rates become effective in the next year and not in the current year. He presented the figures which are based on the new formula that was adopted at last year's Annual Conference. The report was approved.

Conference Ministry Team Report

Betty Blackman, Chair of the Conference Ministry Team, gave the Conference Ministry Team report. The specific report of the Conference Ministry Team is on pages 50-51 of the Pre-Conference Report, and the entire report is pages 50-124. She asked all of the members of the Conference Ministry Team and any task force related to the Conference Ministry Team to stand for recognition of their hard work. She referenced page 51 for the three task force reports regarding Multicultural Ministries, Church Extension, and Conference Camping and the Wesley Center. She also said that there is a resolution on a handout entitled "Bread or Stones" at each table that got inadvertently left out of the Pre-Conference Journal.

Dr. Dawn Young gave a report on the Camping Ministry and the Wesley Center. She referenced pages 51-53 of the Pre-Conference Journal.

Rev. Juan Huertas, Chair of the Multicultural Ministry, gave a report on the Multicultural Ministries Task Force. He referenced pages 53-54 of the Pre-Conference Report.

Rev. Donnie Wilkinson, Chairperson for the Church Extension and Revitalization, gave a report on this task force. He referenced pages 55-58 of the Pre-Conference Report.

Rev. John Deschner gave a report on the resolution, “Bread or Stones.”

The report on pages 50-124 was approved unanimously with the exception of the three task force reports and the “Bread or Stones” resolution which will be voted on Tuesday.

Rev. Fred Wideman presented two petitions to be voted on Wednesday. Both petitions were referred to the Board of Global Ministries and the Board responded to both with non-concurrence.

Board of Pensions Report

Kenny Beauvais, Chair of the Board of Pensions, began the report of the Board of Pensions by calling Dan O’Neill, managing director of the Central Conference Pension Initiative, to give a report on this Initiative.

Mr. Beauvais then noted some corrections. He referenced page 25 of the Pre-Conference Report. He noted a correction on report III section V on page 41. The words “unappointed Louisiana Conference clergy member” should be added before “retirees and their spouses” on line 4 of subsection C. At the end of paragraph C, a new sentence should be added: “Retired clergy under appointment shall have their expenses paid by the church they are serving.” The second correction is in report III section V subsection F on 41. Please add “unappointed Louisiana Conference clergy member” on the second line before “retirees and surviving spouses.”

Mr. Beauvais presented the Board’s recommendation that the PSR for 2012 will be \$646 per year of Pre-1982 service. He then presented the new proposed CRSPDB billing formula of 12% of plan comp (capped at \$8,000). Kenny then pointed out the pensions resolution on page 27 and shared some of the health insurance changes (dependents under age 26 now eligible for coverage and wellness limit of \$400 per year was removed). He pointed out the health care benefits resolution on page 38 and that those churches with arrearages at the end of 2011 for health insurance or pension billings will have those arrearages printed in the 2012 Journal. Kenny then referred to the handout on 2011 years of service change requests to be included in Report III, Section II. Kenny referred also to the Wellness Initiative and the pedometers being distributed. The entire report was passed unanimously.

Recognition of Retirees #1

Bishop Hutchinson stated that the Recognition of Retirees would be divided into three presentations. Rev. Darryl Tate recognized these retirees during this session: William Andress, Robert Burgess, Gene Faurie, and Barbara Murray. Mrs. Kay Hutchinson pinned the retiree pins on the retirees during these services.

Mr. Fred Loy made courtesy announcements on behalf of the Courtesy Committee.

Dr. Don Cottrill made closing announcements.

LAITY ADDRESS by Dr. Sarah S. Kreutziger

Vital Christian Vagabonds: Annual Conference 2011

Good morning. Bishop Hutchinson, Dr. Cottrill, Rev. Miller, Members of the Annual Conference, Sisters and Brothers in Christ. The report of the Conference Board of Laity starts on page 70 and concludes on page 79 of the Pre-Conference Report.

A pastor was preaching up a storm as he proclaimed with great enthusiasm: “Brothers and Sisters, let the church crawl!”

An old timer sitting on the front pew was equally enthusiastic: “Amen, Preacher, Let the church crawl!!”

With even greater enthusiasm, the preacher responded, “let the church walk!!”

“Amen! Responded the brother on the front pew, “Let the church walk!”

The preacher called out even louder, “let the church run!!”

“Amen,” hollered back the same man, “let it run!”

The preacher then practically shouted, “Let the church fly!”

“Amen, preacher let it fly!!”

“But to let the church fly, said the preacher, we need more money!!!” Dead silence...then

“Let the church walk, preacher, let the church walk.”

This familiar joke came to mind recently when our Church Council selected our church profile from the four choices presented by the Extended Cabinet for each of our congregations. Each profile seemed weakly analogous to the four categories that the excited pastor was advocating: churches that are crawling or barely making it; churches that are walking and trying to get up enough steam to run again; churches that are running even if at times they may only be running in place; and churches that are flying high because of their success as vital congregations.

It’s all-good though, because in whichever category one’s congregation finds itself, it fits somewhere within Scriptural images of MOVEMENT. Biblical story after Biblical story details the nomadic journeys of our spiritual ancestors in heart, mind, and body.

Our Old Testament heroes are always on the move. Adam and Eve leave Eden, Noah pilots an ark, Jacob flees his brother, Abraham, Sarah, and Joseph go to Egypt and back, Moses leaves Egypt and heads to the Promised Land. Ruth follows Naomi, David herds sheep, Elijah runs from Jezebel, Daniel is forced to go to Babylon, Jonah flees from Nineveh (and travels back in a Big Fish), and several of the prophets journey everywhere...all as God-seeking wanderers.

As Bishop Will Willimon reminds us, the story of Israel can be read as a record “of our repeated attempts to get to God” (*Why Jesus?* 2010, p. 101) no matter our planned destination.

Movement gets even more kinetic in the New Testament. Jesus is born on a trip to Bethlehem, rides as a baby into Egypt, astounds his elders on a visit to Jerusalem, and spends his entire ministry itinerating. He even reminds us in Matthew 8:20 that he has no place even to lay his head. Again, from Bishop Willimon: “All the gospels present Jesus on a continual road trip—God in motion, urgently making a way to us in defeat of the desert in which we wander.... if you want to know about Jesus,” he says, “if you want to *know* him, you have to meet him on the road” (*Ibid.* 2010, pp. 1-2).

That very conjunction produced the Methodist Movement (note the word, “movement”) the year after John Wesley’s Aldersgate Experience. As he wrote in his diary dated April 2, 1739, “at four in the afternoon, *I submitted to be more vile* (2 Sam.6: 22) and proclaimed in the highways the glad tidings of salvation, speaking from a little eminence in a ground adjoining the city to about three thousand people...” (*How Great a Flame.* Logan, J. 2005, p. 16.) John Wesley left the building, met Jesus on the road, and opened the door into the church for millions.

The General Church recently hired research consultants to determine how to reopen those doors. The consultants surveyed over 32,000 United Methodist churches to find 5,000 that they described as “vital congregations.” They named four “drivers” of church vitality.

The drivers are (1) inspiring preachers, (2) strongly engaged laity, (3) lots of small groups, and (4) blended worship. I am grateful for their findings but would like to suggest that truly vital congregations—and Bishop Hutchinson says we have many of the best—also develop vital Christian vagabonds; i.e., Jesus-followers ready and willing to leave the confines of our architectural boxes to spread the Good News of Salvation—just as Wesley did—to the overly comfortable, the self satisfied hedonists, the sophisticated secularists, the know-it-all nabobs, and the underchurched hypocrites living right outside our doors—and sometimes inside them as well.

And once out of the church buildings, the Vital Christian Vagabonds, just as the ones in our congregations do already, learn what the inner city poor can teach us. Vital Christian Vagabonds work for justice beside the victims of violence and hatred; Vital Christian Vagabonds intervene positively in the lives of substance abusers and other refugees from pain; and Vital Christian Vagabonds transform buildings into recovery centers for those

seeking sanctuary from high winds, fire, and water as well as other forms of natural or human-made disasters.

Above all, Vital Christian Vagabonds stand with Jesus in the gap between the deep needs of the world and our response to them, in our ministry to the hungry and thirsty, in our ministry to the stranger and the naked, and in our ministry to the sick and those in prison (Mt. 25:35-36).

The great English writer, Samuel Johnson, had this to say about the Father of Methodism, "I hate to meet John Wesley. The dog enchants me with his conversation and then breaks away to see some old woman" (*Endless Line of Splendor*. Luccock and Garrison, 1992, p. 21). Our restless Leader of "God's Calvary" (Ibid. p. 26) was never content to be idle when Christ was calling him, just as he calls us, into action. If one is a United Methodist, then EVERY day is a Day of Caring.

The Conference Board of Laity, your Conference Board of Laity, has heard this call to action and is putting feet to the mutual goal of making disciples of Jesus Christ in partnership with each other and with our clergy. We decided this year to work more forcefully on united initiatives as a team, instead of operating simply as a reporting agency for various silo constituencies.

Accordingly, our United Methodist Women led by Mrs. Edna Hickman; our United Methodist Men, guided by Mr. Gard Wayt; and Mr. Pete Aguila a board member and a member of the General Commission for the Status and Role of Women; are working together to confront the issue of Domestic Violence using the resources available from other general and conference agencies.

In that same mindset, we decided in a very spirited meeting to create focused interaction among our Board, other conference agencies, and the local churches. We began with information received from our Baton Rouge District Mission Team who is visiting local churches with a set of questions to stimulate discussion and give feedback. The team leaders are finding that there is disconnection between the Conference and the members in the field who know little about the many resources available to them and their parishes. This initiative offers so much potential for better communication and connections among us that at least two other District Lay Leaders, with more to follow, will initiate these visits in their areas.

Additionally, our lay delegates to this year's Annual Conference each received four questions centered on how we can work together to move the churches forward. A cover letter recommended that the responses be gathered in small groups meetings and brought to the Annual Conference for consecration. We collected these answers in our Laity Session yesterday and plan to disseminate what we learn in several venues; primarily in a statewide Laity Day Apart scheduled for March 16 and 17 of next year. This Retreat is being planned in concert with Bishop Hutchinson's office as we speak.

Another Board of Laity initiative is central to our Disciplinary mandate: education and leadership training. Mr. Tim Hebert and his teams conducted successful Lay Speaking Ministry training in all districts. Many, including those in our Hispanic/Latina congregation, are using this training as a first step in becoming Certified Lay Ministers with plans for ambitious outreach to their constituents.

Last year Lake Charles District Lay Leader Rickie Watson was certified as a Lay Minister under our revised guidelines and this year the Bishop recognize FIVE new candidates who are working in mission for the church.

Our District Lay Leaders, Mr. Scott Sutton, Mrs. Eloise Cox, Mr. Grant Schroeck, Mr. Gary Green, Mr. Rickie Watson, Dr. Keith Kreutziger, Dr. Ethel Haughton, and Mrs. Lueburda Myers offered leadership training under various titles through the district Boards of Laity. We also devoted time in each of our Conference Board meetings to new models of learning for dissemination.

Mrs. Carolyn Dove leads another popular component of the Board's educational outreach. The Daughenbaugh-Matheny Scholarship Fund awarded 23 stipends to Dillard and Centenary students of \$1,500 each, increased the endowment, and produced an informational DVD for use in the districts. We are grateful to Mr. Chad Roack for the creative energy behind the production.

The under girding principle for all our work is evangelism in the service of discipleship. Our Board-sponsored 1000 Club, which was organized to fund new church starts, presented \$48,000 to The Well this past year with a new call for New Song UMC. Mr. Walter Weiss chairs this fund raising program.

Ms. Alyson Gaharan does a superb job of making sure we know what the Conference Youth Council is doing in evangelism and makes us envious of the fun they have doing it.

The Happening is a wonderful adjunct to their outreach and is changing lives in dramatic fashion just as other laity sponsored retreats such as Cursillo, Kairos, and Epiphany are doing. It is not a coincidence that thousands of people call these three-day weekends, the Walk to Emmaus. If you really want to meet Jesus on the road please get to the retreats as soon as you can.

Of course, the engine of our team runs on the hard work of our officers: Associate Lay Leader Mrs. Joyce Robinson, Treasurer Mrs. Glennell Cottrill, Secretary Mrs. Marverne Terrell, Parliamentarian and former Conference Lay Leader Mr. Buzzy Anding, and members at large Mr. John Evans, Mrs. Betty Blackman, and Ms. Kristine Wilson. Our clergy spiritual leaders are Bishop Hutchinson, the Rev. Dr. Don Cottrill, and the Rev. Dr. Don Avery.

I must tell you that being Conference Lay Leader is literally a moving experience. I run all the time and although I do not faint, I do get weary (Isaiah 40:31). But like all of you I

missed an opportunity to take the next step on the road to Christian Perfection three weeks ago when the world did not come to an end with the Rev. Camping's predicted Rapture. As you can see, I did not fly away.

Good thing, because as a small child, I picked up my mother's fear of flying in our frequent travels all over the United States and other countries. As a coping mechanism, after I have prayed for everyone even vaguely connected to whatever flight I am on, I visualize the plane tucked under the wings of a mother eagle, her talons wrapped protectively around us as we move relentlessly forward. That comforting image has generalized in my mind as God's protective shield holding me up whenever I am down just as it did for the prophet Isaiah (40:31).

A few months ago, Dr. James Salley, Africa University's Associate Vice-Chancellor, spoke at Munholland, my home church. My two oldest granddaughters and I were sitting on the front pew when Dr. Salley introduced Dr. Isaac, an African woman who had walked six miles back and forth to school each day after the 4th grade because her village did not have an upper elementary school.

At the end of this narrative and other wonderful examples of what our church is doing on that great continent, Dr. Salley walked to the center of the pulpit area and with a powerful resonating voice, sang that marvelous song that ends, "The Holy Spirit will come down and Africa will be saved."

My little girls excitedly repeated Dr. Salley's stories at lunch after church. Ella, then eight, looked at me very seriously and said: "Grandmamma, I don't want to hurt your feelings, but you need to become a more exiting speaker like Dr. Salley is."

Six-year-old Emily agreed but added, "Don't worry, we'll tell you what to do. First you speak in a deep, deep voice, then you hold your hands up high, and when you finish you sing a song."

So, dear friends, I end my address with the plea that all of us move into the mission field as Vital *Methodist* Christian Vagabonds, clergy and laity together, united in our mutual desire to "do all the good we can, in all the ways we can, to all the souls we can, in every place we can, with all the zeal we can, as long as ever we can" (John Wesley, 1703-1791). And when we meet the Master in this quest...and we will

He will raise us up on Eagles Wings
 Bear us on the breath of dawn,
 Make us to shine like the sun
 And hold us; hold us in the palm of His hand.
(On Eagles' Wings by Fr. Michael Joncas, 1979).

Conference Ministry Task Forces

Mrs. Betty Blackman introduced the Conference Ministry Task Force members that would be giving reports.

1. Rev. Juan Huertas, Chair of the Multi-Cultural Ministries Task Force, presented a report on this task force. He referenced page 53 of the Pre-Conference Report. The recommendation of the task force was to utilize the report to help guide the work of the task force in the next year by identifying these four areas, Leadership, Resources, Advocacy, and Accountability, as the basis of multicultural ministries in the Conference and the basis of any leadership on the part of the conference as we resource multicultural ministries. The task force recommended to the 2011 Annual Conference that they give this task force another year to do more research so they can bring a final report to the 2012 Annual Conference. The recommendation was voted on and carried.
2. Rev. John Deschner presented a report on the resolution “Bread or Stones.” This resolution was approved by the Louisiana Interchurch Conference which asked that all member denominations pass the resolutions so all member denominations can speak with one voice. Rev. Deschner stated that the committee concurs and the resolution was recommended for approval. It was unanimously adopted.
3. Dawn Young, Chair of the task force on Campus Ministries and the Wesley Center, presented a report on this task force. She referenced pages 51 and 52 of the Pre-Conference Report. She reviewed each of the recommendations from the report. Bishop Hutchinson clarified that the recommendations are all for consideration and there are no action items to create any of the recommendations at this point. Questions were entertained about the recommendations. A motion was made by Rev. Steve Stephens to actually create a task force through CMT to do this work. The motion carried. The original recommendations for consideration were voted on and adopted.
4. Rev. Donnie Wilkinson presented a report on the Church Extension and Revitalization Task Force. He presented five proposals for the Conference to consider. Bishop Hutchinson suggested that Henry Stamper present the study report from CFA before taking questions.

CFA Task Force Study Report

- 1.) Page 58 of the pre-conference report contains the proposals of the Church Extension Task Force. CFA is required by conference rule on page 233 of the 2010 Journal (Article 1.B) to give a “study and recommendation” on any legislation requiring appropriation of Conference funds.
- 2.) #2 on page 58 asks the Conference to make the Church Extension budget 10% of the total Conference budget by 2015 with minimum of 12.5% increases each year to get to that figure. The proposed Church Extension budget for 2012 is \$305,784. The total Conference apportioned proposed budget for 2012 is \$8,196,981. 10% of that is

\$819,698, which means \$513,914 is needed in cuts to the current Conference budget or in apportionment increases to reach this goal in 2012 dollars.

3.) #3 on page 58 requests that the Church Extension Director position be part of the appointive cabinet. If the Church Extension Director were paid the same overall compensation as the DS's, then the current compensation of the Church Extension Director for 2011 would have to be increased \$37,630 overall to meet the increases for salary, housing allowance, pension and travel and professional expenses.

4.) #2 on page 58 requests that the current Conference policy of distributing funds for sale of discontinued and abandoned properties by a formula to various district and Conference funds be changed so that all sale proceeds go to the Church Extension. This would be a reduction for those various district and Conference funds for future property sales.

5.) The CFA believes this issue is bigger than the CFA, so we are refraining from making a "recommendation", believing that the Annual Conference as a whole should decide the priority of the Conference. However, we are presenting the above so the Conference can make an informed decision. The CFA requests that if the Conference approves this task force recommendation, that the Conference also instruct the CFA on its preference to meet these increases by making cuts elsewhere (and if the Conference has preferences on where those cuts should be made), OR by increasing the apportionments. The CFA will be glad to present the appropriate balanced budget in the future once we know the will and priority of the annual conference.

Questions of clarification were entertained. Rev. Joe Connelly asked if #4 conflicts with paragraph 2548.7 of the BOD which requires funds from sale of urban properties be used for new or existing ministries within urban transitional communities. Bishop Hutchinson said we'd clarify that before using any of those funds. Rev. Fred Wideman voiced concern about the burden of raising apportionments by nearly a half million. Rev. Donnie Wilkinson clarified that the task force is not asking the conference to raise apportionments, but rather that we realign our Conference budget resources to make Church Extension 10% of that budget (even if the Conference budget resets to a lower level).

Questions were ceased due to time constraints to move on to the order of the day.

Bishop Hutchinson made several announcements.

Recognition of the Retirees

Rev. Darryl Tate recognized five more retirees: Kenneth Bowman, Cathy Carlson, Mickey Stringfield, William Jones, and Kenneth Norton. Each retiree gave a short speech. The Conference gave thanks to the retirees.

Methodist Children's Home Report

Dr. Terrel Deville gave a report on the Methodist Children's Home. Before Dr. Deville began, he introduced Rev. Stephen Vincent, the current CEO of UMA a family of Health and Welfare Ministries throughout the country which is in charge of nursing homes, children's homes, and hospitals. Rev. Vincent gave recognition to the United Methodist

Children's Home for meeting and exceeding the new standards of excellence in less than one year. Rev. Vincent announced that the Children's Home is the first ever organization to receive eagle accreditation with commendation.

Dr. Deville then recognized Gary Strebeck, Executive Director of public relations and development for the Children's Home, who will be taking over a major part of the work after Dr. Deville retires. Dr. Deville also introduced Richard Wheat to the Conference who will be replacing Dr. Deville. Mr. Wheat asked for the Conference's prayers for the board, staff, children and families associated with the Children's Home. Dr. Deville stated that the reports for the Children's Home are in the Pre-Conference Report and were approved on Monday. He also called attention to the annual report located in the middle of Pathways.

Dr. Gail Bowman brought greetings from Dillard University and led the closing prayer.

Bishop Hutchinson dismissed the Conference for lunch.

Ms. Palazzo has been a delegate out of St. Matthews Church of the Servant, a general delegate out of the district, and a delegate from North Cross Church.

Rev. Emmett Collins suggested that a day of prayer be organized all across Louisiana to celebrate the bounty Louisiana shares. Rev. Collins suggested that the media be notified and all church denominations. Bishop Hutchinson stated that the suggestion would be worked on to get organized for the Louisiana Annual Conference.

I move that the 2011 Annual Conference Session rescind the action of the 2010 Conference which disbanded the Peoples Community Center and Board. This is done in order to provide for the legal transaction of transfer of the two properties belonging to Peoples Community Center, one to the Peoples United Methodist Church and one to The New Orleans District. I further move that the 2011 Session approve the discontinuance of the Peoples Community Center and the Peoples Community Center Board of Directors upon the completion of the transfer of said property.

Board of Trustees Report

Mr. Hap Martin, Chair of the Conference Board of Trustees, presented seven resolutions. The first five resolutions are located on page 45 of the Pre-Conference Report. Resolutions six and seven were written after the printing of the Pre-Conference Report and were located on a handout on the tables. Mr. Martin stated that the report is a record of the transactions that were made from April of 2010 through March 2011. He also stated that many of the resolutions are for recordkeeping purposes for the Board of Trustees.

Resolution One is to discontinue and abandon the Hayes United Methodist Church in Hayes, Louisiana in the Lake Charles district. Mr. Martin asked all those in attendance from the Hayes Church to stand and be recognized. The resolution states that the property of the church will be administered and disposed of by the Board of Trustees in accordance with the Book of Discipline.

Resolution Two ratifies the sale of Felicity United Methodist Church in New Orleans, Orleans Parish, Louisiana. The sale of the church property was done through a discontinuing and abandonment of that church by Conference action in 2007, and a price was obtained of \$250,000 for that church.

Resolutions Three and Four ratify the sale of the parsonages which passed at the 2010 Annual Conference. The Conference Parsonage in Resolution Three was located at 2060 W. Magna Carta Place, Baton Rouge, East Baton Rouge Parish, Louisiana. The Board negotiated a sale of \$215,000. Resolution Four ratifies the sale of the Conference Parsonage located at 4044 South Ramsey Drive, Baton Rouge, East Baton Rouge Parish, Louisiana. The Board negotiated a sale of \$410,000.

Resolution Five is to discontinue and abandon St. James United Methodist Church, Springfield, Louisiana, in the Baton Rouge district. Members of the church were asked to

stand and be recognized. The Board of Trustees has been authorized to donate the property to the African Methodist Episcopal Church of the Commission on Pan-Methodist Cooperation and Union.

Resolution Six is to discontinue and abandon St. James United Methodist Church, New Orleans District. The resolution allows the Board to dispose of the property.

Resolution Seven authorized the Trustees to donate Pine Hill Methodist Church, St. Helena Parish, Louisiana. The Board of Trustees has been authorized to donate the property to Pine Hill Church and Cemetery Preservation Association.

Church Extension and Revitalization Task Force #3

The Church Extension and Revitalization Task Force proposals three and two were brought up for debate. After questions, Bishop Hutchinson clarified that this position could be part of the appointive cabinet at a different salary from the DS's. Rev. Lynn Malone moved to refer proposals 2 and 3 to CFA and Church Extension to bring back to 2012 Conference. The motion failed.

A friendly amendment was received by the Committee to change the wording of the last sentence of the third proposal from, "The Director should be part of the appointive cabinet" to read as, "It is recommended that the Director be a part of the appointive cabinet." Another friendly amendment was received by the Committee to add "recommends" to the first sentence instead of "should" in regards to retaining the position as full time. Rev. Donnie Wilkinson stated that it is a strong recommendation. Proposal three was adopted as amended.

A friendly amendment was received to add, "as allowed by the Book of Discipline and the Conference Rules" to the last sentence of the proposal. Another friendly amendment was received by the Committee to delete the first, third, and fifth sentences of the second proposal and to add as the second sentence, "Beginning with the 2013 budget, the CFA will begin increasing the church extension budget by at least 12.5% annually until Church Extension funding reaches 10% of the Conference budget." Proposal two was adopted as amended.

The session took a short recess.

Larry O'Dell as part of the report for the Committee on Rules for a change in the year of Methodism from June 1 through May 31 to July 1 through June 30. The motion passed, and the new Conference year will begin July 1 in the year 2012.

Rev. Bullard presented a second proposal, found on page 146 of the Pre-Conference Report, to allow any lay person selected as the chair of the Conference Ministry Team to be counted as a member of the Annual Conference. Rev. Bullard moved for adoption by acclamation. The motion passed.

CFA Report #2

Mr. Henry Stamper, Chair of the Council on Finance and Administration, presented report #2 of the Council on Finance and Administration and referenced pages 4-9 of the Pre-Conference Report.

He presented the proposed budget of \$8,196,981 for 2012, a .36% increase from the 2011 budget and a net increase of \$29,888. He noted that the World Service and Conference Benevolences Apportionments were reduced by approximately \$65,000, but there were increases in the Wesley Foundation, the Louisiana Conference Administration Fund, and the District Superintendents Fund, and the Episcopal Fund. He also noted item 9 on page 7 that describes funding for the Conference Contingency Fund. Mr. Stamper read aloud the paragraph of item 14 on page 9 regarding undesignated conference receipts from gas leases and royalties and two one-time estate gifts. An amendment was made to add "as allowed by the Book of Discipline and Conference Rules" and to add "future gas leases and royalties" to the item. The amendment carried. A motion was made to call the question. The motion passed. Reports #1 and #2 were voted on and adopted. Bishop Hutchinson thanked CFA for their hard work.

A motion was made by Dr. Ramonalynn Bethley and seconded to "put feet" to the line items in the Committee on Episcopacy report on page 147 of the Pre-Conference Report and allow Bishop Hutchinson to assign a new strategic vitality task force to work with

CFA and report back to the Conference with definitive proposals on how to realign Conference resources to accomplish our mission. The motion passed.

Committee on Petitions Report

Rev. Fred Wideman presented two petitions. He stated that the Board of Global Ministries reviewed the petitions and voted non-concurrence on each of the petitions. Maribel Calvo, representing the General Board of Global Ministry, presented the rationale for non-concurrence.

Petition #1 regarded withdrawal of endorsement and approval of the Religious Coalition for Reproductive Choice and any other organization or group that espouses abortion as a response to pregnancy. Speeches were made for and against the petition. The petition was voted on and failed.

Petition #2 regarded the United Methodist Church severing ties with the Religious Coalition for Reproductive Choice. Speeches were made for and against the petition. The petition was voted on and failed.

Rev. Larry Miller made one correction for the Nominations Report and referenced page 21 of the Nominations Booklet. The following change was made: Scott Wright as the Director of the Wesley Foundation was added to the Board for Louisiana Tech Wesley Foundation. The report was approved.

Rev. Jon Lord gave a report on Imagine No Malaria. A brief video was shown. Mrs. Margaret Johnson asked that the Conference fill out cards to send to Senators Vitter and Landrieu. Mrs. Johnson prayed over the cards.

Dr. Don Cottrill made several announcements.

Rev. Donnie Wilkinson made an omnibus motion that all reports not dealt with on the floor be received. The motion was approved.

Because of the lateness of the day, the Service of Sending Forth was not held. Dottie Smith, a member of the Worship Team, was thanked for preparing and designing the service.

Bishop Hutchinson fixed the appointments for the next year.

All newly elected delegates were asked to come forward to receive a blessing by the Conference. The Service of the Passing of the Mantle of District Leadership and the Deconsecrating of Space adjourned the 2011 Louisiana Annual Conference.

Louisiana United Methodist Conference delegates used an electronic voting system to cast their votes for delegates to the General and Jurisdictional Conferences slated for 2012.

Rev. Jorge Acevedo, guest preacher for the 2011 Louisiana Annual Conference, shares advice on how to effectively minister to the poor.

Bishop William W. Hutchinson delivers the Episcopal Address on June 6 during the 2011 Louisiana Annual Conference held in the Gold Dome on the campus of Centenary College in Shreveport.

United Methodist churches in Louisiana collectively pledged more than \$1.2 million in support of ministry with the poor during the 2011 Annual Conference. Pledges and food items for a Shreveport food bank were presented during the Tuesday night worship service.

Louisiana Annual Conference delegates cast their votes for delegates to the General and Jurisdictional Conferences slated for 2012.

Rev. Weldon Bares, pastor of First United Methodist Church in Lake Charles, speaks about the church's participation in "A Day of Caring," held May 14, 2011. Close to 250 conference churches held programs and outreach projects that served the poor of Louisiana during the May 14 denomination-wide event.

Delegates elected for the 2012 General Conference include (standing) Lay Delegates, Carolyn Dove, Many; Pete Aguila, Baton Rouge; Olivia Pruett, Sulphur; Buzzy Anding, Baton Rouge; and Dr. Sarah Kreutziger, New Orleans. Clergy Delegates are (seated) the Revs. Bernie Johnson, Baton Rouge; Larry Miller, Baton Rouge; Pat Day, Shreveport; Andy Goff, New Orleans; and Ellen Alston, Alexandria. The Rev. Alston serves as head of the delegation. The 2012 United Methodist Church Conference will be held April 24-May 4 in Tampa, Fla.

Conference Youth Director Jodi Harper, right, raises her hands in celebration during the “Love Feast” in Shreveport. She is surrounded by the youth delegation to the conference. Jodi’s husband, Rev. John Edd Harper, is seated in the front row.

Oversized paper dolls, which decorated the stage in the Gold Dome, were made from newspapers and emblazoned with the 2011 annual conference theme, “With the Poor.”

X. CONFERENCE STRUCTURE AND RULES

CONFERENCE STRUCTURE

ARTICLE I: ANNUAL CONFERENCE MEMBERSHIP

The membership of the Annual Conference is described and set forth in ¶ 32 of the Constitution of The United Methodist Church.

A. ELECTION OF LAY MEMBERS OF ANNUAL CONFERENCE

Each Charge shall elect annually a lay member of the Annual Conference and one or more alternates. (2008 *Book of Discipline* ¶¶ 32, 602.4) Each charge served by more than one clergy shall be entitled to as many lay members, as there are clergy members.

B. ELECTION OF YOUNG ADULT MEMBERS

1. Young Adult

The young adult representative on the Conference Ministry Team shall serve as the "equivalent officer of the conference young adult organization" and shall be a member of the Annual Conference. (2008 *Book of Discipline* ¶¶ 32, 602.4)

2. College Student

The Executive Committee of the Conference Board of Higher Education and Campus Ministry shall elect a student who shall serve as "the chair of the annual conference college student organization" and shall be a member of the Annual Conference. (2008 *Book of Discipline* ¶¶ 32, 602.4)

C. LAY AND CLERGY MEMBERS

In accordance with *The Book of Discipline of The United Methodist Church*, the membership of the Annual Conference shall be equally composed of clergy and laity. (2008 *Book of Discipline* ¶¶ 32, 602.4)

1. Clergy Members

The composition of clergy membership is prescribed in the *Book of Discipline*. (2008 *Book of Discipline* ¶¶ 369, 602.1) Accordingly, the clergy membership shall consist of deacons and elders in full connection (¶¶ 329, 333), provisional members (¶ 327), associate members, affiliate members (¶¶ 344.4, 586.4), and local pastors under full-time and part-time appointment to a pastoral charge (¶ 317). (See also 2008 *Book of Discipline* ¶ 32 B.ELECTION OF MEMBERS)

Each clergy member of the Annual Conference shall be attached to one of the districts.

2. Lay Members

The composition of lay membership is prescribed in the *Book of Discipline*. (2008 *Book of Discipline* ¶¶ 32, 602.4) Accordingly, the lay members of the Annual Conference include the following:

- a. A lay member, or the appropriate number of lay members, elected by each charge
- b. The Diaconal Ministers
- c. The active Deaconesses under Episcopal appointment within the Annual Conference
- d. Conference President, United Methodist Women

- i. President, Conference Council on Youth Ministry
- j. Chair of the Annual Conference college student organization
- k. Two young persons under twenty-five years of age from each district, elected by the District Ministry Team

In addition to the lay membership of the Annual Conference as outlined by the Book of Discipline, the Louisiana Conference includes the Chairperson of the Conference Ministry Team, if that person is a lay person.

These persons shall be counted as members of the Annual Conference from the districts in which they reside.

The Conference Committee on Credentials, in consultation with the District Superintendents, shall determine the number of clergy members in each district, and shall determine the number of laypersons in each district who are members by virtue of their office. The Conference Committee on Credentials shall then determine the number of additional lay members needed to equalize the clergy and lay membership of the Annual Conference. The total number of additional lay members needed shall be prorated to the districts based upon church membership of the districts as reported in the most recent audit of the Conference.

The additional lay members shall be designated "at-large members," and shall be elected by the respective District Conference or District Ministry Team, after nomination by the District Committee on Nominations. Additional nominations may be made from the floor of the District Conference or to the District Ministry Team.

In the nomination process, special attention shall be given to inclusiveness in keeping with policies for conference agencies. (See 2008 *Book of Discipline* ¶¶ 139, 610.5)

The presenter of the budget amendment shall introduce the amendment during the "Introduction of New Business" on the day of Annual Conference. In addition, the presenter shall provide sufficient copies of the Budget Amendment Form* to distribute to the Annual Conference in accordance with conference rules. The required form shall identify, (1) the person, church, or agency making the proposal; (2) the Report Number in the CFA proposed budget; (3) the line item proposed to be changed, deleted, or added; (4) the proposed dollar amount adjustment to the line item, and (5) the basis for which such proposed adjustment is being made.

The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

RULE 19. PRECEDENCE OF SECONDARY MOTIONS:

If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:

RULE 21. REFERRING REPORTS, ETC.:

It shall be in order for the Conference to refer to a committee a section or a part of a report or resolution, which is before the Conference for consideration, or any amendment offered thereto.

RULE 22. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES:

When a resolution or committee report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making

the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION:

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), he/she shall indicate to what he/she intends it to apply, if any secondary motion or motions are also pending. If he/she does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds (2/3) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH:

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE:

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third (1/3) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third (1/3) of the members of the order from which the call came, present and voting.
3. A two-thirds (2/3) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION:

A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE:

The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar, and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds (2/3) vote of the Conference an item is taken out of its order.

When a committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT:

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a member has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action thereunder is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST:

When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he/she recognizes a member of the Conference, on which side he/she proposes to speak; and he/she shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the said proposal, provided that right is claimed before the chairperson or duly authorized member representing the committee's report or the minority report, if there be such, has been recognized by the presiding officer to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairperson and/or duly authorized member or members presenting a committee's report

(and a minority report if there be one) shall be entitled to speak before the vote is taken. This right of the chairperson and/or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE:

All actions of the Annual Conference shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the *Discipline*.

RULE 31. SUSPENSION OF RULES:

The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds (2/3) vote of the Conference.

RULE 32. ROBERT'S RULES OF ORDER SUPPLEMENTAL AUTHORITY:

In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules.

XI. MEMOIRS

(For previous year's individual Memoirs, you can go to the Louisiana Annual Conference website (www.la-umc.org) and click on Clergy and then click on Memoirs.)

NATHAN THOMAS AVANT JR. MARCH 13, 1922 - FEBRUARY 25, 2011

Nathan Thomas Avant was born in Atlanta, Louisiana. He graduated from Atlanta High School and attended trade school in Winnfield, Louisiana. One of his teachers was a graduate of SLI in Lafayette, Louisiana. This teacher asked him if he would be willing to attend college, provided a job could be found for him. Nathan quickly accepted and attended Southwestern Louisiana Institute. While at school, he met and married Ethel Katherine Lindsay. From SLI Nathan joined the Navy, attended Annapolis and served in WWII as a second lieutenant. At the end of WWII he was discharged a changed man and never quite got over his war experiences.

Upon being discharged from the Navy, Nathan finished his BS degree in Vocational Agricultural Education. He obtained his first job working for the Veterans Administration in Jefferson Davis Parish where he taught veterans how to farm. When the agriscience teaching job came open at Hathaway High School, Nathan applied for and obtained that position. He later earned a Masters degree plus thirty from McNeese State University. As an agriculture teacher and assistant principal at Hathaway High School, he retired with 37 years of service.

During those years, Nathan and his family were active members of the Raymond Methodist Church. Music was a big part of Nathan's life and he encouraged all of his children to make music part of their lives. Following his retirement from Hathaway, Nathan became a Methodist minister and served in that capacity until he retired a second time.

After the death of his third wife, Ruth Morgan Creighton Avant, he returned to Atlanta, Louisiana. He built a home where he and his children's mother, Ethel had discussed building a home many years before. He spent his last years happily where he had spent his first years.

He was preceded in death by his wife Ethel Katherine Lindsay Avant, his 16 year old daughter Stephanie Avant, his second wife Lola Rosfeld Avant, and his third wife Ruth Morgan Creighton Avant. Nathan is survived by his son Thomas and his wife Romona Avant of DeRidder, Louisiana; his son Torphy and his wife Barbara Avant of Hemphill, Texas; his daughter Marsha and her husband Bobby Corbello of Rye, Colorado; his son John and his wife Judy of Hathaway, Louisiana; his son Hugh Avant of Carlsbad, New Mexico; his daughter Anette Avant of Homer, Arkansas; his daughter Audrey and her

husband Sam Dunbar of Church Point Louisiana; thirteen grandchildren, and thirty great grandchildren.

MARY ANN HATAWAY BOGGS
NOVEMBER 4, 1949 – MAY 19, 2011

Mary Ann was born November 4, 1949. Her birth mother, being unable to care for her, placed Mary Ann in the Methodist Home for Children in New Orleans. At the age of six months she was adopted by Leo M. and Inez Frazar Hataway.

She was the joy of their lives and raised as an only child. As a child she lived a short time in Picayune, Mississippi and also in DeRidder, Louisiana until her dad's work took her to Gonzales, Louisiana. She attended the Methodist Church in Gonzales and East Ascension High School where she graduated in 1967.

After high school she went to Northwestern State University where she also graduated with a two year degree in Secretarial Administration. At Northwestern she met Leon Boggs and they were married June 21, 1969 in the Gonzales United Methodist Church.

In 1974 Leon accepted Christ and they both became actively involved in the United Methodist Church. When God called Leon into the ministry Mary Ann was reluctant because she couldn't visualize herself as a pastor's wife. However, God also spoke to her and once she was convinced it was of God she agreed to go anywhere God called her husband to serve.

Mary Ann took an active role in the churches Leon served. She was active in the choir, Sunday School, Bible Studies, and U.M.W. She taught children, worked with the youth, helped with Vacation Bible School, chaperoned youth mission trips and served on mission group teams. She became the epitome of a pastor's wife and was loved by the people of each church they served. They went to Colfax-Hollins Chapel in 1983. In 1987 they were appointed to Baker and in 1990 they moved to the Roanoke-Wesley (Crowley) charge. In 1993 they moved to Wesley (Sulphur)-Hackberry and spent sixteen wonderful years. In 2009 they moved to Lakeview United Methodist Church in Minden where she was dearly loved by the congregation. Although she suffered a stroke in 2006 that affected her speech and walking, she still had a sharp mind, a beautiful smile, and a mischievous sense of humor.

On May 19, 2011, after suffering sudden heart failure, Mary Ann Hataway Boggs slipped away to be with her Lord in the Father's House.

She was preceded in death by her parents, Leo M. and Inez Hataway. She is survived by her husband, Rev. Leon Boggs; one son, Robert M. Boggs and wife Elizabeth of Slidell; two daughters, Marcie L. Duhon of Minden and Aimee L. St.Claire and husband Shelby of Gonzales; five grandchildren, Damien and Erik Duhon, Nicholas and Olivia Boggs, and Tre' St. Claire.

Thanks be to God for a life well lived and the promise of life forever in Christ Jesus.

WILSON HEMINGWAY BRENT **MARCH 29, 1936 – JUNE 8, 2010**

The Reverend Wilson Hemingway Brent died peacefully on June 8, 2010, at his home in Cary, North Carolina. He was a Methodist minister, a marriage and family counselor, and a college staff member who in his long and distinguished career served congregations, clients, and students in Mississippi, Kentucky, Georgia, Louisiana, and North Carolina.

Wilson was born on March 29, 1936, in Vicksburg, Mississippi, the youngest of eight children born to Ludye Hemingway Brent and Jesse Emanuel Brent. He was raised through his high school years in Redwood, Mississippi, and attended Hinds Junior College and Mississippi College, majoring in mathematics. Soon after he graduated from college he heard the call to ministry and enrolled at Asbury Theological Seminary in

Wilmore, Kentucky, where he earned a M.Div. degree. His ordination as an elder in the Methodist Church followed within three years.

Wilson married Charlotte Treadway of Jackson, Mississippi with whom he had one child, Claudia Rebecca. Charlotte also became an ordained Methodist minister and served her own churches in Louisiana, and she also co-presented workshops with Wilson on marriage enrichment and on death and grief. Their marriage lasted for 45 years until her death parted them in 2000.

Besides his pastoral and counseling positions, Wilson served for nine years on the staff of the School of Church Careers at Centenary College in Shreveport, Louisiana, providing program leadership and counseling services. His students from that period remembered him fondly for years after they graduated and continued to be a source of joy to him for the rest of his life.

Wilson's Christian faith and adherence to his principles were strong and unshakeable, and at the same time he was unfailingly kind, gentle, funny, and infinitely generous of spirit. He wrote poetry throughout his adult life, and in 2003 published a volume of his poetry entitled *Life Well Lived*, a phrase that characterizes his own life perfectly. Serving others in death as he did in life, he donated his body to the University of North Carolina School of Medicine.

PATRICIA DOLORES MCGINTY CORLEY
FEBRUARY 9, 1928 - APRIL 3, 2011

Patricia Dolores Hammonds entered this world on February 9, 1928 in Des Moines, Iowa to the late Arliene Meisner Hammonds and Victor Rainey Hammonds. Pat's only brother, Victor Rainey Hammonds, Jr. died in action during World War II, while protecting our freedom.

Pat graduated from St. Francis Xavier in Alexandria, Louisiana. Shortly after she united in holy matrimony to Herschel McGinty, Jr. and to this union of 34 years (1944 – 1975) four children were born: Sandra, Herschel III, Michael and Thomas Victor McGinty. She was a homemaker and “taxi” driver getting her children to school and extra events. Pat and Herschel loved to dance and spent many a weekend playing cards. Pat was a champion bowler, winning many titles individually as well as on teams.

When her children became older she entered the business field. Pat was very active with the American Business Women's Association in Monroe. She was a dedicated employee of 20 years to Louisiana Machinery in Monroe until her retirement.

Blessed with a talent in arts, crafts, and sewing led her to share her creations at various flea markets, including the one in Columbia. Throughout her life, Pat loved to travel, search for relics and arrowheads, collectibles, or hand-me-down keepsakes. A truly unique, petite individual, she graced everyone she met with open arms, a tender hello, and an angel-like smile, followed by concern for their well being. Her children were blessed to inherit these traits, too. We remember Pat as a compassionate mother and friend with a gentle and loving soul.

Another blessing arrived when Pat met and married Rev. Marvin Harold Corley. Marvin was a retired minister of 30 years from the Louisiana Annual Conference of the United Methodist Church and 10 year retiree of the Louisiana Department of Probations and Parole. Aka Pop Marvin and Pat lived in Elm Grove, where they raised border collies and horses. They were so excited when their Taco Doc, an Appaloosa cutting horse won the Grand World Champion title.

Pat and Marvin reestablished their home to Calhoun so they could care for Pat's aging mother (Arliene). They made many life long friends there and enjoyed their outings with church members and the Cutting Horse Association. Because Marvin had played

basketball for Louisiana Tech, they always enjoyed the Tech ball games. Pat and Marvin were avid fans of the Lady Techsters. Soon after Pat's mother's death in 2003, Marvin was diagnosed with cancer. He entered into God's kingdom in 2005.

Always a spiritual caregiver, Pat prayed that the good Lord would look after everyone during difficult and trying times. Not long after Marvin's death, Pat moved to Alexandria to be closer to her children. Pat wanted to help others and so she became a volunteer for Habitat for Humanity Resale Store in Alexandria. Her "The Good Ole Days" Antique business in Pineville helped keep her mind active and provided a home for many of her collectibles. Bobbye, her Yorkie, followed her around everywhere and was her faithful companion throughout Pat's illness.

Pat was our courageous hero as she battled cancer for 10 years. At 83, On April 3, 2011, she entered eternal rest at her residence in Alexandria. She is now at peace and pain-free in the comforting arms of our heavenly Father. May Pat and those family members already in heaven enjoy a lifetime of comfort with each other.

She is preceded in death by her husbands, Herschel McGinty, Jr. and Rev. Marvin Corley; her parents, Victor and Arlene Hammonds; one brother, Victor Rainey Hammonds, Jr.; one grandson, Christopher McGinty.

She is survived by three sons, Herschel McGinty, III (Marcia), Michael McGinty (Terri) and Thomas McGinty (Pixie Messina); one daughter, Sandra McGinty Goldich (Mark); nine grandchildren, Ward Christopher Hooter, III, Patricia Lynlee Linke, Sarah Williams, Gabriela McGinty, Thomas Shannon McGinty, Jada McGinty, Corey McGinty, Brandon Andrews and Jonathan White; seven great grandchildren; numerous nieces and nephews; many special friends from Calhoun, Louisiana; and Bobbye, her companion Yorkie.

Thanks to her caregivers as she fought that lengthy cancer battle: Gladys Claiborne, Naomi Heights Nursing Home, Rapides General 6th Floor Oncology Staff, Dr. H. Wold and Hematology Life Center, M.D. Anderson, Dr. A. Brewster and Oasis Hospice.

The family requests that donations be made to Susan G. Komen Breast Center Foundation at www.komen.org. or 1-877-465-6636.

RAYMOND MELVIN CROFOOT **APRIL 1, 1920 – DECEMBER 11, 2010**

Raymond Crofoot was born on April 1, 1920, in Medina, Ohio. He went home to be with Jesus on December 11, 2010.

In the early 1940's after enlisting in the army, Raymond attended a local church where he met Altha, whom he married on January 3, 1943, before going overseas to serve his country. Upon his return home, he worked as a licensed architect for several years before attending and graduating from SMU Perkins School of Theology. His years as a pastor to many beloved congregations had now begun and lasted until 2006 – more than fifty years.

Raymond is survived by Altha, his wife of sixty-seven years; two daughters – Connie and Brenda; seven grandchildren – Kimberly, Lori, Will, Ashley, Thomas, John, and Rosalyn; eleven great-grandchildren – Caroline, Caleb, Sydney, Jeremiah, Clark, McKenzie, Mallory, Savannah, Abram, Clint, and John-Mark.

His seven grandchildren share their memories:

“What a Godly, precious man my D-Daddy is . . . it's hard for me to say ‘was’ because he is alive in heaven with Jesus, the one place he has forever longed to be. D-Daddy was our rock. He showed each one of us how to love the Lord, how to pray, and how to live by faith.”

“When I was little I heard D-Daddy talk about Jesus, the New Testament, and Paul. I literally thought D-Daddy was dear friends with a man named Paul, was best friends with Jesus and he must have helped Him write the New Testament. D-Daddy led by example. He and Grandmother ended every day on their knees in prayer. He made me want to be a better servant for God.”

“At the end of the day, at the end of your *life*, it's simple really; Love and serve God; Love and serve Family; Love and serve each other, the church. D-Daddy loved and served God. He kept his preaching simple – his teachings were from the Bible. He loved and served his family; his love was unconditional. And as a pastor, he loved and served his church.”

“D-Daddy was long suffering in his faith. He always pointed others to Christ, never to himself. The Word was impressed upon his heart. He knew it, he loved it, and he believed every word of it. God's Word is the standard for living. I got to see that lived out. What a heritage we have! What a clear picture I have of a life lived out fully devoted to serving the Lord!”

“To many he was Bro Ray; to Grandmother – Hun; to Mom and Connie – Daddy; and to the rest of us (including our friends) – D-Daddy. What a privilege to know what it's like to wake up each morning at their house and enjoy daily devotionals and the Word and to listen to his prayer that God will ‘lead, guide, guard, and direct us’ and that ‘His Holy and Perfect Will be done in our lives in preference to our own.’”

“D-Daddy lived his life one way: to serve others through Jesus Christ. He was an incredible listener. He was loving, giving, and gentle. Thank you for being a living example of what it truly means to be a disciple of Jesus Christ.”

“I have a D-Daddy who loves our Heavenly Father with all that he has and has brought many to Christ, whose legacy will continue to do so, and who has taught me to be a disciple through his life – not by just his words.”

“We will miss D-Daddy, a most humble servant of God, for the rest of our earthly lives. We love *you* ‘so very much.’”

Altha Crofoot

NATHAN DANIELS, JR.

APRIL 10, 1929 – SEPTEMBER 22, 2010

The life and legacy of Nathan Daniels began on April 10, 1929 to the parents of Nathaniel and Alberta Roberts Daniels in Lyons, Texas. Nathan accepted the call to serve Jesus Christ at an early age. He accepted the call to serve in the military by serving in the United States Air Force and served in the Korean War.

After serving his country with distinction, Nathan Daniels began his quest for service in ministry. He attended Wiley College and later transferred to Dillard University where he received his Bachelor of Arts Degree in Religion and Philosophy. He continued his training at Gammon Theological Seminary in Atlanta, Georgia where he was awarded the Master of Divinity Degree.

While attending Dillard University, Nathan Daniels became a millionaire when he met and married Sylvia Wade of Vicksburg, Mississippi. To this union, three children were born, Calvin, Jason and Nathelle.

Rev. Daniels became an ordained minister in the United Methodist Church and pastored in the states of Alabama, Tennessee, and Louisiana. He served on numerous boards and agencies, including the Board of Ordained Ministry and the Commission on Religion and Race.

He pastored the following churches: Thompson, Trinity, Wesley (New Orleans), St. Matthews, Genesis, Boynton, Wesley (Mansfield), Rosa, St. James-St. Paul Charge (Monroe), Round Grove, St. Paul (Shreveport), and St. James (Shreveport). He retired as pastor of St. James (Shreveport) in 1999 and returned to serve for a brief period of time at Shady Grove United Methodist Church in Mansfield, Louisiana.

On September 22, 2010 the earthly journey of Nathan Daniels ended at Willis Knighton Hospital in Shreveport, Louisiana. Several years prior to his death, he had given instructions to his wife and children to get his friend, Rev. James A. Graham to preach his eulogy. On October 2, 2010 Home Going Celebration of Rev. Nathan Daniels was held at St. James United Methodist Church in Shreveport, Louisiana. The Host Pastor was Rev. Cheri Godwin and the Officiating Minister was Dr. Donald Avery. The Eulogy

was done by Rev. James A. Graham as was the wishes of Rev. Nathan Daniels. The Internment Service was held on October 4, 2010 at the Northwest Louisiana Veterans Cemetery in Keithville, Louisiana.

Louisiana Methodism was made a better place because a servant of God named Nathan Daniels came to serve the church and not to be served. He gave all that he had because of his love for people and his understanding of what a real pastor should do as a servant leader. The legacy of Nathan Daniels lives on in his wife of 46 years, Mrs. Sylvia Wade Daniels; two sons Calvin (Cecilia), Jason and one daughter, Nathelle of Shreveport, Louisiana; six sisters, Jessie Rolfe (Morris), Sarah Cox, Yvonne Daniels, Norma Dillard (Audrey), Linda Coleman (Lemuel), Onnie Mumphrey (Robert); one brother, Alvin Daniels (Donna); eight grandchildren, one great-grandchild and a host of relatives and friends.

MURIEL M. DAVIS
MAY 1, 1934 – OCTOBER 14, 2010

Muriel M. Davis was born May 1, 1934 in Alexandria, Louisiana. On Thursday, October 14, 2010, Muriel was called from earth to home by our heavenly Father.

Muriel accepted Christ at an early age and was baptized at True Vine Missionary Baptist Church in Alexandria, Louisiana.

Muriel attended Peabody High School in Alexandria, Louisiana. After graduating from Peabody High School in 1953, Muriel attended Southern University in Baton Rouge where she studied Home Economics. She went on to complete her studies and graduated from Southern University in 1957.

On June 17, 1957, Muriel married her high school sweetheart, Abraham, and from this union four daughters were born.

Outside of the love for her family was the love for her church, First Street United Methodist Church, New Orleans, Louisiana. Muriel served in many capacities in the church. She was a member of the United Methodist Women, she taught Vacation Bible School, and assisted with the church's administrative duties.

Muriel was gifted in arts and crafts and was an accomplished seamstress. She loved sewing for herself, her daughters, and others when time permitted her to do so. She also loved to cook and bake. Anyone who had her pralines, a slice of her homemade carrot cake, German chocolate cake, or her cinnamon rolls could tell you they were "mouth watering good!" To this day two of her daughters followed her as "great" cooks and bakers of "delicious" desserts.

Muriel also went to class to learn upholstery and she upholstered furniture in her home and like with her cooking and baking, she did an "excellent" job. The end results of whatever she did in her many talents were always that of "quality work."

Muriel's sweet spirit and loving personality enriched many lives. Memories of her will forever be treasured by her loving husband of 53 years, Abraham E. Davis; her four daughters: Gretenal, Carol, Iris and Anita, two sons-in-law, six grandchildren, one great-grandchild, and a host of other relatives and friends.

**BRADY BROCK FORMAN
NOVEMBER 25, 1926 – APRIL 4, 2011**

Brady Brock Forman was born November 25, 1926, the second child of Brady B. and Florence Treen Forman. He grew up in East Baton Rouge Parish and graduated from Baker High School. He attended LSU in Baton Rouge Louisiana, where he was a member of the "Golden Band from Tiger Land". Before he completed LSU, he entered the US Navy and served in the Philippines at Subic Bay during WWII. It is at that time he answered the call to ministry. He went on to receive his B.S. degree from Centenary College and was a member of the Centenary College Choir.

The night Brady received his license to preach, Dr. Guy Hicks inscribed the following scripture reference into Brady's Bible: II Timothy 2:15. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth". This Brady strived to do. He completed his B.D. and M. Div. from the Candler school of

Theology at Emory University in Atlanta. Brady was ordained Deacon in the Louisiana Annual Conference in 1952 and in 1953 was ordained an Elder.

For more than 40 years in ministry, Brady, along with his wife Carol, served many churches in the Louisiana Annual Conference, in every district except Lake Charles. This service included being the organizing pastor of Memorial UMC in Bastrop and being director of Wesley Foundation on the campus of Southeastern University in Hammond for seven years. Brady served as chairman of the Board of Higher Education for eight years; he chaired the committee for the "Design For a New Day", a plan for the restructuring of the Conference. Brady retired to his family home in Baker in 1992, but continued his ministry by serving two interim pastorates.

Next to being a pastor, Brady was passionate about teaching. For a number of years he taught segments of the License to Preach School. He conducted workshops on communications skills and conflict management. He was committed to the preparation of couples entering marriage thru the "Prepare and Enrich" materials for pre-marital and marital counseling. Thru the support of his Masonic lodge, Central #442, he was instrumental in the development of the Dyslexia training program for local children. Brady was deeply involved for many years in the Louisiana Cursillo and Emmaus movements, providing opportunities for Christians, of many traditions, to grow in their faith thru Grace.

Brady had many varied interest and hobbies, from carpentry to cycling. He built many gifts for family and friends, from cedar jewelry boxes for Carol and his girls, to a cradle for his grandchildren. The cherry wood roll top desk he made for his wife was crafted with love.

He loved the outdoors. Most vacations were camping trips, from east to west, with his family. He had a fondness for growing roses of all types. He loved games and gadgets, from Chickenfoot to chess and shot a fair game of golf too. In his mid-forties, Brady took up cycling and took many road trips with his children and friends. His longest trip was from Lake Providence to New Orleans.

Brady stayed active and involved in his local church, Blackwater UMC, through Sunday April 3, 2011. He participated in Sunday School with Carol, attended worship service and received Holy Communion. He spent the rest of that day enjoying the company of family.

Brady died Monday, April 4, 2011 in his home, with Carol and his family at his side. He is survived by his loving wife of 61 years, Carol Carpenter Forman and their four children and spouses: Rebecca Coxe and Dan Whittenburg of Baker, Rhonda and Eddie Rouyer of Mandeville, Ginger and Dale Hughes of Zachary and Stephen and Terri Forman of Zachary. MARIA JEANINE KENNEDY
NOVEMBER 24, 1959 – SEPTEMBER 25, 2010

Dr. Rev. Maria Jeanine Kennedy was born on November 24, 1959 at Schumpert Hospital in Shreveport, Louisiana, the second child of James Jerome Kennedy, Jr. and Laura Mary Kirkpatrick Kennedy. Maria was the “miracle child” – the child her parents had been trying to have for more than ten years. She was soon to demonstrate that she was miraculous in many ways.

Always a physically frail child, she was an intellectually gifted child. She excelled from an early age at Shreve Island Elementary School. When Maria reached the age of eight her father was transferred from the Travelers Insurance office in Shreveport to New Orleans, the birthplace of her mother and older sister, Jerry Elizabeth.

Not only were the two cities very different in nature but 1967 was also the year that her only sister was to graduate from E.E. Byrd High School and head to college at Louisiana Tech in Ruston, Louisiana. Maria then in effect took on the role of an only child. New Orleans was far from lonely however. In Shreveport there had been no other family members for camaraderie. In contrast New Orleans abounded with nearby cousins, aunts, uncles and a grandmother. In her writing, Maria often referred to the transfer as a move from a monochromatic world to a world of Technicolor.

Maria attended Carrollton Avenue Presbyterian School where she received the balance of her elementary, middle and high school education. While Maria had graduated from high school as a National Merit Scholar, she was a bit reticent about going to an out-of-state college and therefore started her college career at Southeastern Louisiana University in Hammond.

With a bit of experience in living away from home, Maria soon transferred to and graduated from Texas Christian University with Phi Beta Kappa honors. Then it was off to seminary, graduate school and eventually the completion of her doctoral degree in Pastoral Counseling from Northwestern University in Evanston. Returning after twenty years away from Shreveport, Maria was ordained into the ministry of the United Methodist Church on June 3, 1987.

After years of living in the Kansas/Illinois area during graduate school, Maria’s new-found sense of identity and independence led her to a social work/counseling position in San Antonio, Texas. It was here that she met some of her dearest, life-long friends.

When a ministerial position on the clergy staff of M.D. Anderson Cancer Center in Houston, Texas opened, Maria was thrilled. It was an opportunity to provide the service to others she so dearly loved. It was also an opportunity to serve on the staff of one of the most respected hospitals in the United States.

After Hurricane Katrina her exhaustive knowledge of the Houston medical community was severely tested. Her beloved father, James Jerome, now widowed, still wanted to live

in the home in New Orleans. A diagnosis of vascular dementia quickly brought independent living options to a close and the two sisters made the decision that Dad would be better off in Houston with its extensive and proximate medical services for the elderly. Maria became the primary caretaker for her father. By the spring of 2010, Maria had begun to experience increased health challenges of her own.

On the evening of September 23, 2010, just before going to visit her last patient, Maria experienced a sudden and massive stroke. On September 25, 2010 Maria joined her mother and God. She was surrounded by family, friends and colleagues.

Maria was a quiet, cheerful, unassuming and modest person to the end. She was immersed in the needs of others. She was well loved by friends and family alike and will be much missed by both.

Maria was preceded in death by her mother, Laura Mary. She is survived by her father, James Jerome; her sister, Jerry Pinsel; two nieces, Kennedy Pinsel-Milic and Karolyn Pinsel-Harrell, their husbands and their children; and numerous aunts, uncles and cousins.

Lampkin, Amanda Nicole Barker McCoy and husband Henry, Holly Elizabeth Barker Hoffman and husband Chad; two great-grandchildren, numerous nieces and nephews.

Mrs. Lampkin loved her family and devoted herself to the care and proper "spoiling" of her children and many grandchildren. Although she had a full-time career well into her 60's she played a very active role in the care of her grandchildren as long as her health would allow. She had an open heart and open home for anyone who needed a place to be. She had a passion for music and learned to play the drums at age 64 with grandson, J.C. She was an incredible cook who loved to feed large crowds and have big holiday celebrations. Loretta enjoyed writing, crocheting, quilting and gardening. Most of all she loved her Lord Jesus and lived out a life of community and Christian service before her family and friends.

CHANG KYU LEE

FEBRUARY 7, 1930 - DECEMBER 7, 2010

Chang Kyu Lee was born in PyoungYang, Korea, current capital of North Korea, on February 7, 1930. He was the middle child among two older sisters and two younger brothers. When he was a child, led by his older sisters, he began attending West PyoungYang Methodist Church in PyoungYang, and learned English from Methodist missionaries. After graduating from high school, he attended Seong-Hwa (Methodist) Seminary in PyoungYang, North Korea. During the Korean War in 1951, he fled to South Korea with his family and was able to continue his seminary studies at Seoul Methodist Theological Seminary in South Korea.

As an ordained minister, he served the Korean army as a chaplain for 2 years until 1958. Then he was sponsored by a Methodist Church in West Virginia to attend West Virginia Wesleyan College. He earned a BA degree which became the foundation for him to pursue further his dream for theological studies. In 1962, he graduated from Boston University, School of Theology, with a STM degree. After returning to Korea in 1962, he accepted a teaching position at Mok-Won University at Daejon, Korea where he taught Systematic Theology and Christian Ethics for 12 years.

In 1974, there was a second opportunity to study in America through the Crusade Scholarship which allowed him to take PhD courses at Emory University. Before finishing his degree, he took a position to serve two different churches in Throop, Pennsylvania: Throop UMC (English sermon) and North Eastern Korean UMC (Korean sermon). Four years later in 1985, he was transferred to serve the New Orleans Korean UMC in New Orleans, Louisiana where he retired in 1998. Just before his retirement he earned a PhD degree from Trinity Seminary, Newburgh, Indiana.

He married YooSoon Lee on June 29, 1963, and had two sons, Winston, Lt. Col (S) in the USAF and Harold, Principal Consultant at Samsung Co, Korea, and three grand children. He and YooSoon enjoyed playing tennis and fishing throughout retirement years. For personal leisure and hobby, he played clarinet and saxophone. In his daily routine, he played hymns in the morning before starting the day's activities. Since hurricane Katrina, both he and wife volunteered their time at the senior citizens center and delivered meals to needy people.

Psalm 139 and Luke Chapter 4, verse 18 were his foundation, conviction, and dedication to the church. "The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord's favor." Luke Ch 4, verse 18

On Dec 6, 2010, the day that he became unconscious, he played "Amazing Grace" with his saxophone, drank a cup of coffee, and took a very long and deep sleep. He was pronounced dead on Dec 7, 2010.

EVELYN ALLEN LOWE **MARCH 14, 1930 – DECEMBER 24, 2010**

Evelyn Allen Cox was the first-born of three children to parents Ralph and Minnie Cox, arriving March 14, 1930 in the Homer Oil Field area of Claiborne Parish. Evelyn's daddy drove a pulpwood truck and the family moved around quite a bit, prompting Mama to say, "I'll be glad when I get grown and don't have to move any more!" Little did she know that one day she would be married to a Methodist preacher! At a young age she did seem to know *who* would be in her future. At age twelve she told someone, "I'm gonna marry that Terral Lowe." And, she did—Christmas Eve 1947 in McIntyre, Louisiana near Minden.

Almost three years after their marriage the Lowes increased their little family to three with the addition of a baby girl. A couple of years after that, Daddy answered the call to preach and started school at Centenary. As much as Evelyn wanted to stay home with her little girl, she went back to work to earn her "P.H.T.," as she called it—to "Put Hubby Through" college! By the end of 1958, the family was living in Hodge, Louisiana where Terrie's baby brother Tim was born, and Mama was able to stay home with him until he started to school.

A dedicated preacher's wife, who participated in WSCS/UMW, parsonette and other church activities, Evelyn also served as the pastor's secretary for a number of years. Mama was a great cook who prepared wonderful meals for her family, for visiting preachers and the Wesley Foundation groups who would lead our worship services once a year.

Over Daddy's more than forty years in the full time ministry, the family moved several times and Mama worked outside our home as a secretary most of those years. When Terral retired from full time ministry, the two went to work running Caney Conference Centre near Minden. Mama was bookkeeper and kitchen manager. Hundreds of young people came to love Brother T and Mama Lowe over their thirteen years at Caney and the feeling was mutual.

One person characterized Mama by saying, when they think of the “fruits of the spirit,” Mrs. Lowe comes to mind. Others say, “sweet” when they hear her name. And, she **was** one sweet lady—always ready with a big smile and a hug!

When Mama went to meet the Master, it was the best Christmas and anniversary gift of all for her and Brother T—Christmas Eve—December 24, 2010. Evelyn is survived by her children Terrie and husband Ben Westbrook; Tim and wife Martha; grandchildren Leslie Westbrook and wife Laura, Aaron Lowe and Seanna Lowe; her sister Nell Butler; and a host of nieces and nephews.

JANELLE GUNN MCCAMMON **FEBRUARY 5, 1920 – JUNE 3, 2010**

Janelle Gunn McCammon was born on February 5, 1920, in Conway, Arkansas. She was the daughter of Elisha and Dollie (Lay) Gunn, and the younger sister of J. Milton Gunn. She lived at home in Conway where she was educated in the public schools and graduated from Hendrix College, the Methodist college of Arkansas. Janelle always loved learning, and was an outstanding student involved in many aspects of her academic life. Later she did graduate work at Louisiana State University and the University of Southwestern Louisiana.

Ms. McCammon began her teaching career in Earle, Arkansas, immediately after her graduation from Hendrix College, at the age of 19. During her long career in public school teaching (over 20 years), she taught in Lake Providence, Leesville, Franklin, and Lafayette, Louisiana. Janelle was dedicated to her students' advancement; and had a special commitment to teaching reading to both K-12 students in public school remedial reading programs, and to adults through VITA (Volunteers in Teaching Adults, an English-as-a- Second-Language Program).

Janelle Gunn and Robert (Bob) McCammon met at Hendrix College, and were sweethearts during much of college. Bob graduated from Hendrix shortly after Janelle, and went to Dallas to attend seminary at Southern Methodist University. When their financial circumstances permitted, Janelle and Bob were married at First United Methodist Church in Conway on June 7, 1942, and moved together to Dallas, Texas.

Their marriage was the beginning of a lifelong partnership centered on service to others and devotion to the Methodist Church.

Janelle and Bob's first church was in Wilmot, Arkansas. Then they moved to Little Rock, where Bob directed the activities at Camp Aldersgate, a major campsite of the Arkansas United Methodist Conference. They remained in Little Rock while Bob served as Associate Minister at Asbury Methodist Church. During these years in Arkansas, their two daughters, Janelle and Mary Susan, were born.

The adventures of the young family continued with a move to Plaquemine, which introduced them to the unique culture of South Louisiana, and brought opportunities to contribute to the growth of two churches -- First United Methodist Church in Plaquemine and the Grand River United Methodist Church "down the bayou." While Bob assumed the role of minister and literally helped to construct new facilities for both these congregations, Janelle devoted herself to their family, led educational efforts in the churches, played the piano, sang in the choir, participated in the women's programs, and brought personal joy and support to many congregants.

With some sadness, Janelle and Bob answered their call and moved to the northeast corner of Louisiana to serve a church in Lake Providence. The next appointment was in Leesville, Louisiana, the home of Fort Polk. Bob and Janelle led that church by responding to its quite different needs when the fort was closed, and when it was open. During the quick growth in the community when Fort Polk reopened, the always-willing Janelle was recruited to teach in the local public schools.

Bob and Janelle's partnership took them to Lafayette, where they served both Asbury United Methodist Church and First United Methodist Church. The appointments at these two churches were interrupted by a ten year assignment to First United Methodist Church in Franklin, Louisiana. During these years, as in previous ones, Janelle was a teacher in public schools, taught many Sunday school classes, and led a variety of church and organizational study programs -- to say nothing of the hundreds of meaningful meditations and prayers she delivered. Janelle was an active member of the Idoian Club and PEO. After her husband's death in 1980, Ms. McCammon was named the Congregational Care Director at First United Methodist Church, Lafayette, appropriately continuing the work she and Bob had often done together while he was the Minister of Visitation.

The work of the United Methodist Women, and its predecessor organizations, was very important to Ms. McCammon all her adult life. Upon arriving in Earle, Arkansas to teach after her college graduation, Janelle became a member of the Wesleyan Service Guild; and was active in Methodist women's local units from then on. She also served at the district level of the UMW in many capacities, and was Conference Secretary of Youth Work and of Missionary Personnel. In 1986, Ms. McCammon was elected President of the Louisiana Conference UMW. During her term of office, she traveled the state speaking at UMW and other church events; and represented Louisiana at the national level of United Methodist Women.

Ms. McCammon was a member of the MacDonnell United Methodist Children's Services Board of Directors, the Louisiana Association of Child Care Agencies, and the Louisiana Moral and Civic Foundation, in addition to many other community and regional organizations,

The article announcing the election of Janelle Gunn McCammon as President of the Louisiana Conference UMW in January 1986, quotes Janelle as saying, "It has been a wonderful life – and I'm grateful for every new day." When this gracious woman spoke at her 90th birthday party on February 5, 2010, she reaffirmed her world-view in saying with a radiant smile, "I've had a wonderful life!" Janelle died on June 3, 2010.

Janelle's adoring family includes: Mary Susan McCammon and Annie Gilliland of Oklahoma City, Oklahoma; Janelle Lay McCammon and her husband Raymond Alan Rosenfeld, of Bloomfield Hills, Michigan; and two grandchildren, Bryn Rachel McCammon-Rosenfeld of Princeton, New Jersey; and Seth Robert McCammon-Rosenfeld of London, England.

BETTY CLAIRE GRAHAM MOORE SEPTEMBER 17, 1930 – APRIL 2, 2011

My mother loved the Lord and people very much. For as long as I could remember, she was always helping others.

She loved helping shut-ins and the elderly. She would talk about people who had no one to talk to, or to share Christmas with. Some said they had not had a Christmas present given to them in years.

She taught me how to listen to people. Everyone needs someone to talk to.

Mom and Dad both taught us how to trust that God would help us when we needed comfort. It is amazing how things work out, when you have faith in God. You don't always get the answer you want, but you learn to accept His will. After all, the Lord works in mysterious ways!

Family meant a lot to her! She always said that family was always family, no matter what happened. Just as we are all God's children; God loves us no matter what!

My mom was my best friend; I will miss her dearly.

She always said when you were going through tough times, that there was always someone worse off than you. It made me feel sorry for the others and to pray for them. Also to realize how much I had to be thankful for.

Thank God for my loving parents, who just like God, were always there for me.

EDISON ELWIN (EDDIE) MORGAN, JR.
JUNE 6, 1935 - NOVEMBER 28, 2010

Edison Elwin (Eddie) Morgan, Jr., was born June 6, 1935 in the home of Edison Sr. and Leona Morgan Morgan. He often joked that his mother was also a Morgan and that he was a thoroughbred. Shortly after his birth, his parents, along with older sisters Verda and Betty moved from Estherwood to Crowley, Louisiana, where a younger brother, Carroll, was born and where the family lived until the death of his parents. Eddie left Crowley after high school graduation in 1953. At Centenary College in Shreveport, he made life-long friends, many of which continued to study together at Southern Methodist University in Dallas, Texas.

Eddie began serving Methodist Churches while at seminary. He married Patricia Britton and adopted a daughter, Liz, and a son, John David, as they served churches in Louisiana and Texas. In 1975 they divorced and Eddie returned to Louisiana where he married Jackie Graham Dieterich, a widow with three sons, Dowd, Destin, and Derek Dieterich. Eddie and Jackie added a son, Matthew Morgan, and embarked on many years of living in parsonages and moving to all areas of Louisiana. God blessed this family with loving congregations and friends in 27 United Methodist churches. Eddie continued to serve after his official retirement in 1999. His love of God, people, and the church kept him ministering and preaching God's love until cancer took his life on November 28, 2010.

Eddie is remembered as an intelligent, loving preacher who loved children and fun while living with family values. He was a wonderful father, step-father, son, brother, uncle, husband, friend, and grandfather to 15. He left us all with a positive attitude, an appreciation for all walks of life and understanding of passing on God's love, and precious memories.

WESLEY CHARLES REAGAN
MARCH 27, 1931 – FEBRUARY 22, 2011

“When God sends forth a spotless soul,
 To learn the ways of earth,
 A Mother's love is waiting there,
 We call this wonder...birth.

When God calls home a weary soul,
 And stills a fitful breath,
 Love divine is waiting there.
 This too is birth...not death."
 Anon

When a baby boy was born on March 27, 1931 in tiny Tucumcari, New Mexico, nobody for miles around had any idea that this baby would grow into an extraordinarily gifted scholar, wordsmith, preacher, teacher, shepherd, friend of everyone and spokesman for God. Nobody had any idea this baby would live a life that touched countless people, a life with warm, affirming influence for almost everyone he would meet. Yet, that's what arrived that morning, and almost 80 years later this remarkable man would reach out and touch the face of God and hear those words "come on home, Wes. Well done...well done."

Wes heard the gentle call of God early on, and he enmeshed himself in the church. Entering Abilene Christian College, it didn't take long before his energy and his tireless thirst to learn as much as possible about the nature of God and the pathway to Christian servant hood caught the attention of just about everyone. By his senior year, he was viewed as having the pulpit capabilities of pastors with a lifetime of ministry under their belts, and his Biblical scholarship was on a par with his professors. Each spring ACC held a week-long lectureship program, wherein the great pulpit masters across the nation were invited. In 1953, Wes' senior year, the school decided to also choose three students who showed promise and invited them to also speak and he was one of the three. In a stunning turn of events, young Wes' sermon surpassed them all. Everyone knew that someone very, very special was right there in their midst. Wes went on to live a ministry career where he was in constant demand as a preacher, lecturer and teacher of scripture.

After many years in ministry, Wes developed a personal friendship with Rev. Walter Underwood, who at that time was pastor of the St. Luke's United Methodist Church in Houston. After Walter was elected Bishop and sent to lead the Louisiana Conference, he brought Wes into the United Methodist Church in Louisiana. To say the Louisiana Conference was blessed indeed by this presence is an understatement. His last pastorate, spanning over a decade, was with the St. Luke's United Methodist Church in New Orleans, where he led the church into a flourishing ministry at every level, including Bible studies, youth involvement, missional outreach, and as vibrant a worshipping congregation as one would ever want, with a strong influence from the arts and theatre. He led the church through two building programs, and the congregation responded to his every vision.

He edited the nationally distributed Higley International Lesson Series, and always personally supervised the work of each and every writer chosen for each volume. If it had anything to do with any aspect of the Body of Christ in any form, Wes was energized and more than ready to see what God had in store for him to do. His preaching career spanned nearly 60 years, and untold lives were changed and blessed by his presence. A reading from Job was lifted up at his Memorial, as surely befits his life:

“Think about the many people you have taught and the weak hands you have made strong. Your words have comforted those who fell, and you have strengthened those who could not stand.” Job 4:3-4

After Wes and Linda retired to their home on Lake Conroe in Montgomery, Texas, Wes was asked to pastor Farris Chapel United Methodist Church, and until his death that congregation had fallen in love with his genuine leadership and authentic friendship, as have so many.

I sat with Wes for a full afternoon at his home February 16th and we laughed, prayed, remembered, and exchanged goodbyes. As I prepared to drive away, we knew we would not see each other again. Less than a week later, he stepped into the Church Triumphant. God called him home in the early morning hours of Tuesday, February 22, 2011, one month and five days short of his 80th birthday.

Wes is survived by:

His loving and devoted wife, Linda.

His children Rand, Debbie and Brad.

And their mother, Mary.

Wes was preceded in death by his and Mary's youngest son, Ward.

He is survived by Linda's children: Steve, Becky and Walt.

And by his brother Fred and his sister June.

And by 15 deeply loved grandchildren and 9 great-grandchildren.

And by a host of parishioners, who are ever thankful God sent him to them.

And by so many of us in ministry who knew Wes and knew that THIS is what Christian shepherding is supposed to be.

DANIEL WESLEY TOHLINE **NOVEMBER 5, 1925 – JUNE 13, 2010**

Daniel Wesley Tohline was born in Ft. Worth, Texas on November 5, 1925, to George and Pauline Tohline. He experienced a lonely childhood: his father was gone for weeks at

a time as master Mechanic for Gulf Pipeline, his mother complained of a constant headache, and his brother and sister were 10 and 12 years older than he.

After his mother's death and his father's remarriage when Dan was 15, he attended Texas A&M until he was old enough to enlist in the U.S. Navy where he was trained in installing coding and decoding equipment . . . a responsibility that took him by air to many countries of the world.

After his discharge from military service, he attended a youth revival in Beaumont, Texas where the pastor encouraged him to enter the ministry. With this idea of how he could reach out to others in their need, Dan enrolled in Centenary College where he sang in the choir and supported himself by working in the library and delivering newspapers.

It was while the choir was on a tour in south Louisiana that, through his roommate Bob McKay, he met Veda Duff, a Home Economics teacher. Theirs was a whirlwind courtship culminating in marriage later that year and an appointment to the Sibley-Pinegrove-Evergreen Charge.

After graduating from Centenary College, Dan attended Vanderbilt Theological Seminary and pastored churches in and around Columbia and Lewisburg.

With two small children and another on the way, the couple returned to Louisiana where Dan was employed by Sun Oil Company for two years and also served as pastor to churches in Petriville, Church Point, and Iota. Then, with debts paid and acceptance granted, the family moved to Colorado where Dan completed his Master's Degree by commuting weekly from the churches he pastored at Last Chance. Later, through correspondence, he gained his Doctoral status.

After two years in Colorado, the family returned to Louisiana and through ensuing years served churches in Jeanerette, Weeks Island, and Lydia; Hathaway (Raymond); Moss Bluff and Sulphur; Elysian Fields in New Orleans; Vivian and Trees; Jonesboro; Mangum in Shreveport; First Church in Lafayette; and First Church New Orleans.

During his pastorate at Moss Bluff, he was chosen to be one of twelve ministers to ride horseback to Baltimore, a distance of more than 1350 miles in 40 days, to commemorate those ministers who, in the early days of Methodism, went by horseback on their appointed rounds. Along the route he shared the Word of God through preaching in churches, on courthouse steps, and anywhere crowds gathered. As a result, 537 persons accepted Jesus Christ as their Savior and 4,310 persons renewed their commitment to Christ.

Upon retirement, Dan and Veda made their home in Jonesboro where he created many beautiful, useful, and decorative articles in his woodworking shop.

Dan and Veda's older son, Jayce, is a full time partner in Right Now Technologies, negotiating with and working out satisfactory solutions to differences within a company

or the military. Barbette is Office Manager for a fabric company in Baton Rouge; she designs and quilts wall hangings and baby quilts, and serves as pianist and part-time secretary for her church. Joel, who has been on the faculty at LSU for 28 years, is known worldwide for his work in astrophysics and is sought out for service on national committees.

Dan is remembered for his care as a pastor, his informative and encouraging sermons, and his beautiful tenor voice.

THOMAS A. WILSON
JULY 14, 1925 – OCTOBER 29, 2010

Tom served lovingly as a United Methodist minister for 36 years in the Louisiana Conference. During that time he served all over the state of Louisiana, his first charge was Ellerbe Road United Methodist and his last charge was Shiloh, Longstreet and Keatchi. He loved Jesus as his Lord and Savior and thought it a privilege to serve in the United Methodist Church.

After his retirement from the United Methodist Conference in 2000, he served as Chaplain for Goodwill Industries of Northwest Louisiana. Once again he considered it a privilege to continue to preach and teach about his Savior.

In 1951 he married his sweetheart, Natalie Mitchell. They were married for 49 years before her death in 2000. They had three children, son – Lamar, daughters – DeNell Mitchell and Teri Spinney. They had ten grandchildren, all of them adored by their grandparents.

He loved spending time with his entire family but especially loved fishing with his son and sons-in-law. His other loves were singing, playing the guitar and piano, playing dominos with the boys and taking care of his old boat. He enjoyed Louisiana food and sharing a laugh.

He was loved dearly by his children and grandchildren and is greatly missed.

***General Church Observances**

2. The Council reminds all congregations of the importance of STEWARDSHIP in the life of all Christians. Christ calls His disciples to give as an act of worship of God. We are called to be stewards of all that God has given to us. Paragraph 630.5e of the 2008 Discipline lists among the responsibilities in the area of Stewardship of the Conference Board of Discipleship, "To educate the local church that tithing is the minimum goal of giving in the United Methodist Church". CFA calls upon the Conference Ministry Team, the Conference Board of Discipleship, and the District Ministry Teams to consider methods of assisting our congregations in developing a process of education in a theology of stewardship. The intent of this request is to

enhance the ministry of our local congregations, our members, and our Conference and world ministries.

3. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference Advance Specials. All churches are to pay in full their designated apportionments before appropriating funds for second-mile projects.
4. Each pastoral charge is asked to continue support of Mt. Sequoyah, the South Central Jurisdiction Conference and Retreat Center, with a goal of \$35 per pastoral charge. Each district is to raise the amount based on the total number of charges in the district and mail it to the Conference Treasurer.
5. It is recommended that the Hancock Bank, Whitney National Bank, and J. P. Morgan Chase Bank be designated as the principal depositories for funds of the Louisiana Annual Conference. Other financial institutions may be used for interest-bearing accounts. Authority to open accounts is given to the Conference Executive Director of Administrative Services/Treasurer and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Executive Director of Administrative Services/Treasurer, designated representative(s) of the CFA, designated conference office director(s) as named by CFA, and the Senior Pastor of First UMC, Baton Rouge.
6. The Council has contracted with William E. DeLoach, Certified Public Accountant of Baton Rouge, to audit the books of the Executive Director of Administrative Services/Treasurer. The auditor's report for the year ending December 31, 2010, is included in the Treasurer's Report found in this report.
7. We recommend that the pastoral charge consider a vouchered amount of \$7,200 for Pastor's Travel/Professional Expense and an amount of \$7,200 for Utilities/Furnishings expense for each clergy.
8. We recommend that the local churches reimburse the moving expenses of incoming clergy up to \$6,000. Churches are asked to budget this amount each year. Money not used for moving should be placed in an escrow account to assure such funds as needed. When the recommended amount is exceeded by the incoming clergy, that clergy should pay the additional costs.
9. We recommend that the Pastoral Charge pay the Travel, Housing and Meal expenses of its Annual Conference Members (Lay and Clergy) to attend the Annual Conference Session.
10. We remind the clergy of the Annual Conference who will move to another charge that they are to accept salary and expense only through the end of the conference year (June 30) from the charge they are presently serving. The salary, benefits and expenses paid at the new charge begin July 1.
11. The Council recommends that all clergy under appointment be compensated semi-monthly.
12. In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Conference Directors' residences and the district parsonages be considered a part of their cash compensation as "Housing Allowance."

13. The Louisiana Conference recognizes Terry Cook of Noel UMC who received certification for the first time from GCFA in UM Church Business Administration, and Dianne Wilkinson of Benton UMC who has been recertified. Dianne is also the national president for the UM Church Business Administrators Association. If any church business administrator is interested in pursuing certification, you may contact Dianne at Benton UMC.

*** The Conference Council on Finance and Administration has approved a multi-year plan for the Conference support for Centenary College. This plan would establish an endowment with the Louisiana United Methodist Foundation. Over the course of several years, the Conference would continue the apportionment to Centenary College, but with a portion of this apportionment going directly to the College and a portion going into an endowment for the College. The chart below provides for the allocation of the apportionments for 2011 through 2017. When the endowment reaches \$1,000,000 an annual 5% draw would be allocated to Centenary. The Conference apportionment would then be set at a level of \$500,000 per year, along with the proceeds from the endowment. While the Annual Conference will be the major donor to the endowment in these

beginning years, individuals, churches, and other groups would be encouraged to add to the fund through direct contributions, estate planning, deferred giving, or other means of gifting.

The schedule would look something like this:

Year	Apportioned	Sent to Centenary	Endowment Fund
2011	\$700,000	650,000	\$50,000

NOTE: The Conference Administration Fund apportionment increase is due to health insurance and pension benefit increases, as well as modest salary increases and minimal increases in the conference directors' travel expense line item. Also, the conference office is requesting the position of a new part-time computer network technician that will oversee the conference's computers, networking, internet and website needs. This position will be a significant savings over the current costs of the consulting company that is currently being used. Also, \$24,000 of the increase is from assuming in the Conference Administrative Budget the final ending subsidy of the Lily Grant for the CBOM registrar and assistant.

2. All remittances for 2011 must be received by the Conference Treasurer's Office not later than January 5, 2012.
3. The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the Conference to send a "paid student" to the institutions.
4. The Executive Director of Administrative Services/Treasurer is authorized to pay from the District Superintendents' Fund for expenses of Cabinet Meetings. The Executive Director of Administrative Services/Treasurer of the Conference is authorized to pay from the District Superintendent's Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pension requirement.
5. We recommend that each district provide at least three-fourth time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Executive Director of Administrative Services/Treasurer for the Council not later than April 15 following the previous fiscal year.
6. The compensation of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel expense, utilities allowance, housing allowance, professional expenses, and the Conference health insurance premium shall be paid by the Annual Conference. We recommend the following income be paid to the District Superintendents from the District Superintendents' Fund: Base Compensation for 2012, \$84,593 (see Conference Rules for the rule concerning salary); utilities/furnishings - \$7,200; an amount not to exceed \$3,600 to be drawn by voucher and used for professional expenses to cover the expense of Ministers' Week, Bishops' Week, Annual Conference, Continuing Education and other expenses that the District Superintendent incurs in carrying out the responsibilities of the office. The Council shall provide an automobile travel reimbursement expense for each District Superintendent to be drawn by voucher at the current IRS standard mileage reimbursement rate from a total pooled budget of \$88,375.

7. Each Council, Board, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body.

The Finance Officer shall receive all vouchers from members and shall approve and submit them to the Executive Director of Administrative Services/Treasurer. Vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Executive Director of Administrative Services/Treasurer within three weeks. In order to assist the Executive Director of Administrative Services/Treasurer to close the books and set up books for a new fiscal year, all Finance Officers shall submit final vouchers of said board and agency by December 9, 2011.

OFFICIAL VOUCHER POLICY FOR CONFERENCE BOARDS AND AGENCIES:

- **Travel** – Within the State of Louisiana – Travel Expense for Conference Boards and Agencies is set at a maximum of 25 cents per mile. When three or more members are traveling together, a maximum of 30 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 25 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used with this new provision: That an amount of \$500 per year be the normal limit for reimbursable travel expense for members of Louisiana councils, boards, commissions and committees who reside outside the state boundaries to attend regular meetings of their conference agency. This limit applies to funds that come from conference line item budgets. A Conference agency may vote to increase this amount if the members choose to make an exception due to the specific need of participation by a particular member. This limit applies only to travel and not to per diem lodging and meal costs. Air travel must be supported by the air ticket stub.
 - **Lodging and Meals** – Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations are suggested. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by receipts. The maximum per diem for lodging and meals will be \$80. Exceptions to the policy may be made only by the agency chairperson and Finance Officer.
8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Conference Rules for Rule on Annual Audits.)
 9. A balance at the close of the year in the Conference Benevolence Budget of any conference board or agency will be placed in the Conference Benevolences Reserve for the next year. Also, at the end of the fiscal year, any funds remaining in individual line items of the Conference Budget that is over 10% of that line item's budget shall be moved into the Conference's Contingency Fund to help build an

emergency fund that could be used in a future disaster or catastrophe, such as another hurricane or gulf oil spill, or liabilities that are a result of severe market decline, lawsuit, litigation, etc. (Budgeted line items that have permission of CFA or Annual Conference to carry a reserve of more than 10% of their budget will be exempt from this.) The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different conference boards and agencies. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of conference funds. Local churches and conference institutions shall consider using the Foundation for the investment of their funds.

10. We recommend that the Louisiana Annual Conference Wesley Foundations be given basic support by a decimal item to be apportioned to the churches of the Conference. Amounts of the funds to be given to each Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry. With approval of the appropriate District Superintendents and District Councils on Finance and Administration, local Wesley Foundations may solicit additional funding from churches within the District(s) nearest their geographic location. Should a local church give additional funds to the Wesley Foundation, they should not be accepted until it is verified that the church has paid 100% to the Wesley Foundation apportionment the previous year. Otherwise, the Wesley Foundation must give those funds to the Conference Board of Higher Education and Campus Ministry as payment toward that church's apportionment. The Conference Treasurer will send to the campus ministers at the beginning of each New Year data showing each local church's financial record in their district for the previous year. A report must be made by the Wesley Foundation to the District Superintendent and the District Council on Finance and Administration of any churches giving such funds so as to assure 100% payment of the Wesley Foundation apportionments of the local church.

11. The Conference Council on Finance and Administration recommends the following procedure for selecting and continuing with a Conference property/liability insurance broker:

Brokers' selection is to be based on accessibility, reputation, selection of carriers, cost of product and knowledge of product including United Methodist General Church Insurance. An Advisory/Search Committee of the Council on Finance and Administration will publicize through the *Louisiana NOW* when new opportunities or bidding on Conference insurance are available.

After a broker is selected, the broker will normally be retained for a minimum of three years. This term is considered beneficial because of the multi-faceted types of coverage necessary for a variety of persons, property and equipment. If the selected insurance broker's services are considered unsatisfactory or rates are considered excessive during a three-year cycle, the relationship may be terminated and the broker replaced.

The new selection procedure became effective January 1, 1995. This selection is to be utilized for each three-year cycle thereafter. The Advisory/Search Committee members will be the President of CFA; the Executive Director of Administrative Services/Treasurer, the Cabinet liaison to CFA; a

representative of Conference Board of Trustees; and one other selected by the President of CFA.

12. The Council on Finance and Administration reminds all persons, clergy and lay, handling funds in local churches to adhere to Paragraph 258.16.4(f) of the 2008 *The Book of Discipline* which states:

“Contributions designated for specific causes and objects shall be promptly forwarded according to the intent of the donor and shall not be used for any other purpose.”

This reminder is made by CFA although local churches and institutions are presently and have always been responsible for the proper use of funds.

13. The Council reports the following special grants were approved for 2010 from the General Contingency Fund:

Episcopal Residence	\$20,000
Episcopal Retirement Gift	\$2,000

14. The CFA is recommending that the annual conference authorize the transfer of the current and future total of undesignated conference receipts from gas leases and royalties (as allowed by the Book of Discipline and Conference rules), as well as the two estate gifts (Vera Gilbert and Rosie Southall), to the New Church Development Fund at the UMF. The total of these funds on 12/31/10 was \$462,505. This fund would be overseen by the Conference Church Extension Committee (in consultation with the Cabinet) to help purchase land, retire capital debt of parsonages, and other needed expenses of the newest church starts in our conference.

Independent Auditor's Report

To the Conference Council on Finance and Administration
Louisiana Annual Conference
United Methodist Church
Baton Rouge, Louisiana

I have audited the accompanying statement of assets and net assets - cash basis of the Louisiana Annual Conference of the United Methodist Church as of December 31, 2010, and the related statement of revenues, expenses, and changes in net assets - cash basis for the year then ended. These financial statements are the responsibility of the Conference's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 2 to the financial statements, the Louisiana Annual Conference prepares its financial statements on the cash basis of accounting. This is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Louisiana Annual Conference as of December 31, 2010, and the changes in net assets for the year then ended in conformity with the basis of accounting as described in Note 2.

LOUISIANA ANNUAL CONFERENCE
UNITED METHODIST CHURCH

Notes to Financial Statements

For the year ended December 31, 2010

NOTE 1. Organization and Purpose

The Louisiana Annual Conference is an unincorporated organization of five hundred two United Methodist churches located in Louisiana, and is one of fifty-nine Annual Conferences of The United Methodist Church in the United States. The Conference elects a Council on Finance and Administration whose purpose is to "develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Conference. The Conference and therefore the Council, cannot financially obligate any organizational unit of the United Methodist Church except the Annual Conference itself".

NOTE 2. Summary of Significant Accounting PoliciesBasis of Presentation

The accompanying financial statements are prepared on the cash basis of accounting. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles. Under the cash basis method of accounting, revenues are recognized when actually received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. The financial statements are a summary of the cash and investment activity of the organization.

Source of Revenue & Recognition

Churches in the Louisiana Conference are required to remit their apportionments to the Conference to support the programs of the United Methodist Church. The apportionments are then allocated to the categories as required by the General Council on Finance and Administration and in turn remitted to the General Council on Finance and Administration. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Financial Statement Presentation

The Conference has adopted FASB ASC Topic 958 Financial Statements of Not-for-Profit Organizations. Under FASB ASC Topic 958, the Conference is required to report information regarding its financial and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Income Taxes

The Conference is an organization of the United Methodist Church which is exempt from federal and state income tax and is not a private foundation.

NOTE 5. Concentration Risk

The Conference depends on support generated by the churches in the Louisiana Conference. Changing economic conditions that affect contributions from church memberships could impact the programs and operations supported by the Conference.

The Conference maintains account balances in excess of FDIC insurance limits in the following accounts:

Hancock Bank	\$3,813,405
Hancock Bank	53,732
Total	<u>\$3,867,137</u>

The amount in excess of insurance limits is \$3,563,405.

The Conference also maintains funds in a repurchase agreement sweep maintained by Hancock Bank. Funds excess of a certain balance in the account are swept into a repurchase account used to purchase United States treasury securities. The securities are held until needed by the Conference at which time Hancock Bank repurchases the securities from the account and places funds and earnings back into the account for use by the Conference. The account is not insured by the FDIC and are not guaranteed by the United States government or any of its agencies.

NOTE 6. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 7. Subsequent Events

FASB ASC Topic 855 for Subsequent Events introduces the concepts of financial statements being "available to be issued," and requires disclosure of the date through which an entity has evaluated subsequent events and whether that date represents the date the financial statements were issued or were available to be issued. ASC Topic 855 does not result in significant changes to subsequent events that are reported either through recognition or disclosure in the financial statements. FASB ASC Topic 855 is effective for the Organization's December 31, 2010 financial statements, and the Conference has evaluated subsequent events through March 22, 2011, the date the financial statements were issued.

NOTE 8. Fair Value Measurements

FASB ASC Topic 820 on Fair Value Measurements established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference has the ability to access.

Level 2 Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets.
- b. Quoted prices for identical or similar assets or liabilities in inactive markets.
- c. Inputs other than quoted prices that are observable for the asset or liability.
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Funds held by others: Valued at the net asset value of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the the Conference believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could results in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2010:

	Level 1	Level 2	Level 3	Total
Funds Held by Others		\$4,681,756		\$4,681,756

BOARD OF PENSIONS**REPORT I****I. CONFERENCE MATTERS**

- A. That \$450,000 be apportioned to the charges of the Louisiana Annual Conference.
- B. Payments made to the pension apportionment shall be exactly proportional to the amount paid on the clergy salary or salaries of a given charge, i.e. if the church does not pay the pension apportionment in full, neither should pastor's salary be paid in full. See Paragraph 622, *The Book of Discipline*.

II. PRE-1982 BENEFITS

We recommend:

- A. That the funded annuity rate for 2012 be \$646.00 per service year. In 2011 it was \$610 per service year. Benefits to surviving spouses of clergy shall be 75% of the annuity rate.
- B. The Conference Board of Pensions is recommending that the "Past Service Rate" for years prior to 1982 be set at 1% of the CAC for 2012 (\$646 per year) and that this rate be reviewed annually. This rate is a 5.9% increase over 2011 and above the minimum required rate of .8% of the CAC. The CAC is set annually by the General Board of Pension and Health Benefits. The CAC amount for 2012 is \$64,600.

III. CLERGY RETIREMENT SECURITY PLAN (CRSP)

We recommend:

- A. That Participants shall be all Clergy members of the Louisiana Annual Conference including Deacons and Local Pastors under Episcopal appointment to a charge. The Conference Board of Pensions includes in the Louisiana Conference plan Deacons as a definite and integral segment of the program. All local churches and United Methodist agencies who employ Deacons shall pay for the Retirement Plan in addition to salary.
- B. That Participants' Plan Compensation is the sum of: (1) cash salary (including tax deferred annuities and professional expense allowances) received from church-related sources; (2) utilities; and (3) housing allowance, or when a parsonage is provided, 25% of the Plan Compensation as the approximate value of that parsonage.
- C. That the church's contribution base be set as a percentage of plan compensation according to the following:

Defined Benefit (DB) – 12% of Pension Plan Compensation with a cap at \$8,000

Plus

Defined Contribution (DC) – 3% of Pension Plan Compensation.

Example 1: Pension Plan Compensation = \$55,000

DB: \$55,000 x 12% = \$6,600

DC: \$55,000 x 3% = \$1,650

Total CRSP = \$6,600 + \$1,650 = \$8,250

Example 2: Pension Plan Compensation = \$88,900

DB: $\$88,900 \times 12\% = \$10,668$ (Cap at \$8,000)

DC: $\$88,900 \times 3\% = \$2,667$

Total CRSP = $\$8,000 + \$2,667 = \$10,667$

- D. Contributions for each participant shall be paid directly by the paying unit to the Louisiana Annual Conference, 527 North Blvd., Baton Rouge, LA 70802–5720.
- E. Participants may contribute to the UMPIP with remittances made directly to the General Board of Pension and Health Benefits, P.O. Box 4609, Chicago, IL 60680-4609. Clergy shall have his/her employer make direct deposit into a pre-tax or after-tax account, in accordance with federal government regulations. Further information concerning the United Methodist Personal Investment Plan may be obtained from the General Board of Pension and Health Benefits, 1901 Chestnut Drive, Glenview, IL 60025-1604 (1-800-851-2201).

**LOUISIANA CONFERENCE LOCAL CHURCH
CLERGY RETIREMENT SECURITY PLAN
PENSIONS RESOLUTION FORM**

IT IS HEREBY RESOLVED that the _____ United Methodist Church does hereby accept full ethical, moral and legal responsibility for the payment in full of pension for the pastor(s) assigned to said church, and,

IT IS FURTHER HEREBY RESOLVED that the _____ United Methodist Church will pay the pensions in a timely manner, and,

IT IS FURTHER RESOLVED that the _____ United Methodist Church understands that failure to pay the pensions in full will be taken into consideration relative to whether or not the congregation is financially able to support a pastor(s) in the future.

Church Lay Leader: _____

Church Council Chair: _____

Finance Chair: _____

Pastor(s): _____

If more than one clergy person, each must sign.

District Superintendent: _____

Date of Charge Conference at which this document was executed:

[This document shall be a part of stated business of every Charge Conference to be read and executed in the presence of the other members of the Charge Conference.]

IV. THE COMPREHENSIVE PROTECTION PLAN (CPP)

We recommend:

- A. That participants shall be all clergy in full connection, provisional, associate members or full-time local pastors under Episcopal appointment, who have a plan compensation of not less than 60% of the DAC or CAC whichever is the lesser.
- B. That the churches contribute, on behalf of each participant, an amount equal to 3% of the Plan Compensation as defined in II.B. up to a maximum of 200% of the DAC. Remittances are made directly to the Louisiana Annual Conference in conjunction with CRSP payments.
- C. Based on the Denominational Average 2012 Compensation (DAC) of \$62,781:
 1. Minimum Surviving Spouse Annuity Benefits - The surviving spouse of an active participant is eligible to receive a minimum pension of 20% of the DAC. The CPP will supplement pension payments as needed to assure the required 20% minimum benefit.* The GBOPHB will no longer terminate the minimum surviving spouse annuity benefits for surviving spouses who remarry. Surviving spouses whose benefits were terminated due to remarriage may submit a claim to begin their benefits again, but only on a prospective basis (i.e., from the time of the renewal request). GBOPHB will not proactively reinstate these surviving spouses' benefits.
 2. Surviving Child Benefits - Children under the age 18: 10% of the DAC* annually. Children between the ages of 18-25: 10% of the DAC* annually for up to four years, if enrolled in school full time.
 3. Death Benefits - Payable upon the death of an active participant: \$50,000. At retirement, the benefit becomes 30% of the DAC (\$18,837 for 2012). Payable upon the death of the spouse of a participant: 20% of DAC. Payable upon the death of a surviving spouse of a deceased participant: 15% of DAC. Payable upon the death of a child: 10% of DAC.
 4. Incapacity Benefits - 70% of Plan Compensation capped at 200% of the DAC, reduced, dollar by dollar, by disability benefits received from the Social Security Administration. Minimum benefit is 40% of the DAC.

*The amounts are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.

- D. The Conference Board of Pension and Health Benefits is recommending one of the options available to Conferences through the Comprehensive Protection Plan. Article 111, Section 3.02 (a) states that persons "appointed to less than full-time service" not participate in the CPP unless special arrangements are made. Special arrangements for such cases may be found in the "Plan" at Article 111, Section 3.03 (a).

The Conference Board can offer the CPP on an elective basis which allows a clergy serving as a full member, associate member or a provisional member at less than full-time service (75% or more) to elect to participate. NOTE: Years of service refer to years of service in an Annual Conference(s) of the United Methodist Church, not years of service in the local church to which the clergy is appointed. These years of service include years under appointment to Seminary or beyond the local church.

Time used for Continuing Education, as defined by *The Book of Discipline* of the United Methodist Church and according to the rules set by the Conference Board of Ordained Ministry, shall not be considered as vacation time or used in lieu of vacation time. Vacation time is on a conference year basis. Vacation time not used in one year cannot be carried over into the next year.

Days Off Policy:

The Annual Conference’s policy is that each local church’s Pastor-Parish Relations Committee establish a days off policy with the pastor(s) of the charge. The minimum

standard for days off is as follows: 2 days per week and 2 nights per week. Additional time should be set aside each week for prayer and study for the pastor's use.

If an honorarium is given to a guest pastor while the appointed pastor is on vacation, it shall be paid by the local church and not from that pastor's compensation.

Churches should encourage their pastor(s) to participate in physical exercise programs, good nutrition programs, and to get regular checkups with their doctors.

This policy is to be printed each year in the Journal of the Louisiana Annual Conference. The Cabinet of the Louisiana Annual Conference will send a copy of this policy to the Chairperson of the Pastor-Parish Relations Committee in each District.

BEREAVEMENT LEAVE

All clergy in any relationship - PTLP, FTLP, AM, PE, PD, Full Connection, or retired if serving an appointment - shall be offered at least 30 days for bereavement leave (BL) for the death of a spouse or dependent child as defined by the General Board of Pensions and Health Benefits. The District Superintendent shall initiate this process by informing the bereaved clergy of the availability of bereavement leave.

Bereavement leave will be in addition to vacation time, continuing education time and days off. The local church or conference agency to which the clergy is appointed shall continue to provide salary and housing, as well as pension and insurance payments, during the bereavement leave. The clergy will have ninety (90) days, beginning the day after the memorial/funeral service, in which to begin the bereavement leave. Details - pulpit supply, covering hospitals, etc. - will be worked out in conjunction with the District Superintendent and S/PPR chair. The clergy may use the bereavement leave in one block or some smaller blocks of time as he/she wishes, but must complete it within six months of the funeral/memorial service.

In many cases the congregation will have its own resources to secure appropriate pastoral leadership during the bereavement leave, but if the District Superintendent and S/PPR determine that financial assistance is needed to provide a supply pastor, the Annual Conference Board of Pensions will provide a maximum of \$400 per week depending on whether the appointment is part or full time, and the responsibilities expected of the supply pastor. The District office will disburse any funds from the Conference Board of Pensions to the supply pastor. Counseling is available at no cost to all clergy by a confidential request to the Director of Care and Nurturing of the Louisiana Conference Board of Ordained Ministry.

REPORT VI
LOUISIANA ANNUAL CONFERENCE FUNDING PLAN
FOR SUPPLEMENT ONE TO THE CLERGY RETIREMENT SECURITY PLAN
AS OF JANUARY 1, 2011

The 2011 Past Service Rate (PSR) for the Louisiana Annual Conference is \$610 or .97% of Conference Average Compensation (CAC).

The General Board of Pension and Health Benefits has determined that the portion of the Pre-82 plan liability attributable to the Louisiana Annual Conference is \$30,029,736 with the minimum contribution of 2.0% PSR increase assumption, based on a 2011 PSR of \$610. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$30,804,370 as of January 1, 2009.
The difference between the total plan liability and current plan funding is \$774,634. This represents an over-funded plan asset.

The funding plan as of January 1, 2011, for the 2011 funding plan is summarized below:

Supplement One Liability Assuming	
A PSR Increase of 2.0% (Plan Liability).....	\$(30,029,736)
Current Plan Funding (Assets as of 1/1/2009)	<u>\$30,804,370</u>
Over-Funded Status (As of 1/1/2011)	\$774,634

In 2010 and 2011, we set the PSR at less than 1% of the CAC because of the severe 2008 market decline of our assets. Our Pre-82 assets invested with the GBOPHB dropped from a \$45,240,674 value on 1/1/2008 to \$30,804,370 on 1/1/2009. Our true funding plan for Pre-82 calls for setting the PSR at 1% of the CAC with an assumption of an annual 3.5% increase for the CAC in the future. Instead, we set the PSR at \$598 (.98% of CAC) in 2010 and at \$610 (.97% of CAC) in 2011. These were minimum contribution increases of 2% each year to the PSR, instead of our 3.5% funding plan assumption. This was done in order to avoid a large unfunded liability payment due for 2010 and 2011 if we had used the funding plan assumptions of 1% of the CAC and 3.5% assumption increases.

The true funding plan as of January 1, 2011, for the 2011 funding plan is as follows:

Supplement One Liability Assuming

A -PSR Future Increase of 3.5% (Plan Liability)*	\$(31,434,798)
Current Plan Funding (Assets as of 1/1/2009)	<u>\$30,804,370</u>
Under-Funded Status (As of 1/1/2009)	(\$630,428)
Under-Funded Status projected to 1/1/2011**	(1,149,777)

***based on 7% interest and RP2000 mortality table**

****projected with interest and surplus redirection usage**

The usage of the Pre82 surplus funds to fund other plan liabilities, after consultation with the General Board of Pension and Health Benefits actuaries, will be determined annually by the Conference Board of Pensions. In the past, it has been the recommendation of the conference board to utilize the surplus funds toward the Defined Benefit (DB) contribution portion of the CRSP pension plan. However, the conference board does recognize that if Pre82 surplus funds are used toward other plan liabilities, this could result in future Pre82 liability contributions.

The CBOP is requesting that the Louisiana Annual Conference set the 2012 PSR at \$646, which will be 1% of the CAC and that we resume in 2012 our true funding plan assumptions of annual CAC increases of 3.5% and setting the future PSR at 1% of the CAC. Based on the GBOPHB estimated actuarial valuation results for 2012, this would create a liability of \$32,385,637 for the Louisiana Conference against assets of \$35,076,980 (based on 1/1/10 values) and thus reflects a \$2,691,343 (or 108%) overfunded status for 2012.

If the funding plan for years beyond 2012 produces an underfunded liability payment, then the intent is to use earnings (and principal if needed) from the UMF Louisiana Conference Pension Fund (listed in Report V of the 2010 conference journal and valued at \$6,962,199 on 12/31/10) to restore the Pre-82 plan to 100% funded status.

CONFERENCE MINISTRY TEAM

The Conference Ministry Team is comprised of the programming agencies of the Louisiana Conference. Following this introduction you will find the individual reports from these agencies. As you will see, there has been an abundance of ministry in several areas in this past year. We are grateful for the leadership of those who have assisted in the many events and responses to reach out to a world in need of the love of Christ. We strive to fulfill our Conference mission to Make Disciples of Jesus Christ through the Transformation of the World and to Raise Up Spiritual Leaders, both lay and clergy in order to fulfill our mission.

The CMT continues to provide leadership to the Four Area of Focus identified as the priorities of the United Methodist Church and the Louisiana Conference. The 2010 Annual Conference session focus was on the area of the Global Health Initiative. This task force continues to work in the areas of Imagine No Malaria and HIV/Aids education and ministry. Several events are planned over the next two years as a continuation of our efforts in these concerns.

The task force on New Places for New People held a successful Rethink Worship event in December of 2010 and two follow-up trainings in January of 2011. The intent of this focus is to reach new persons as Disciples of Christ through additional ways of worship.

Rethink Evangelism continued to be an emphasis as well during this past Conference year. The “E” word was reclaimed as a part of our vocabulary and churches were challenged to concentrate on those who were not in the church as well as those who were currently in the Christian fellowship.

May 14, 2011 will be a great day in Louisiana Methodism! The Conference churches are invited to participate in A Day of Caring. On this day we will share in ministries with the poor throughout the state. Each church is asked to plan and lead in some specific ministry that will show our concern for those brothers and sisters in need. We will celebrate these ministries at the June Conference session, even as we plan for our future ministries with the Poor.

Included with the CMT reports are three reports from special task forces that were approved by the 2010 Conference session. The task forces have worked thoughtfully and prayerfully on the concerns for Multicultural ministries, Church Extension, and Conference Camping and the Wesley Center. These reports will be presented at the upcoming Conference session for consideration and action.

Thank you for your ongoing support of our connectional ministries as a Louisiana Conference and as The United Methodist Church. We are grateful to join hands in the work that has been given to us as we strive to fulfill our mission.

Betty Blackman, Chair

Donald C. Cottrill, Provost/Director of Connectional Ministries

RECOMMENDATIONS FROM CAMPING MINISTRY/WESLEY CENTER TASK FORCE

The purpose of this task force was to examine the roles of the distinctive regional camping ministries and the Wesley Center in the Louisiana Annual Conference and provide recommendations for the future building programs of the Wesley Center. Therefore, this task force makes the following recommendations:
that the Louisiana Annual Conference maintain distinctive ministries of

- (1) a centralized retreat center (Wesley Center) and
- (2) regional camping.

Regarding the Wesley Center

The Wesley Center should continue their emphasis on providing space for events where participants bring their programming to the center. This should include large-scale, statewide activities for all ages.

With this emphasis in mind, when planning for future building and development plans, the Wesley Center should consider housing options that provide for more occupancy per room, but not necessarily dormitory style housing (an example would be the Alton L. Collins Center which has hotel style rooms with Murphy beds).

The committee would respectfully suggest that the Wesley Center Board consider having a youth ministry representative either full-time or at least present and involved for any of the long range and facility planning.

Regarding camping

A task force be formed, consisting of those with a vested interest in furthering camping ministries, to examine the future of regional camping within the Conference. The camps need to consider, independently and as a group, the establishment of five and ten year plans addressing fiscal, physical, personnel and programming concerns relating to the mission of the church, the raising of leadership for same and encouraging diversity and inclusion.

The three regional camps need to operate as United Methodist organizations and, as such, support and participate in camping ministry programs organized by the United Methodist Church. Further, the camps should establish and actively maintain relationships with their regional and district ministries of all ages.

Regarding both camping and the Wesley Center

Communication between the camps, Conference personnel and the Annual Conference needs to be enhanced. This task force recommends publishing the schedule and registration information for each camp on the Conference web site. We also suggest that the executive directors of the three camps and the Wesley Center exchange calendars and information on activities and marketing. This could be done electronically, by regularly scheduled face to face meetings or some combination thereof. Other communication can take place through the LaNow.

Recognizing that there are fiscal constraints beyond the purview of this committee, the committee discussed the possibility of creating a position of a conference camping coordinator.

To reach these conclusions the members of the task force reviewed information from the three regional camps (Istrouma, Caney and Uskichitto) and the Wesley Center. This information included occupancy rates for the past two years, as well as general site information. The task force also reviewed information from camping and retreat centers in several Texas conferences, as well as Arkansas, Mississippi, Florida and Oregon. Throughout the various Conferences examined there are two distinctive uses of camping and retreat facilities. While some of the usage may overlap, and in some instances both may take place at the same facility, the uses are quite distinct.

1. Those of a more camping nature provide programming in addition to housing, although this does not preclude the camping facilities from providing a space for groups to bring in their own programming and activities. This takes place at the three regional camps.
2. The alternative type provides housing, and a place for programming to take place, but does not provide the programming. This takes place at the Wesley Center.

As reflected in the recommendations of the task force, we see the need and necessity for the availability of both types of ministries within the Conference. We affirm the nature in which these are now occurring, with the Wesley Center specializing in providing facilities, but not necessarily the programming, while the three regional camps specialize in facilities with programming, but certainly not limiting them to that. Nothing in this report precludes or prevents either the camps or Wesley Center from having any specific type of programming or activity.

MULTI-CULTURAL MINISTRIES TASK FORCE

The Multi-Cultural ministries task force was established by the 2010 Louisiana Annual Conference for the purpose of “considering the issues that are related to multi-cultural ministries within the Louisiana Conference.” These ministries include African-American, Hispanic/Latino, Korean, Chinese, and Native American congregations and ministries. It also includes the work of the few congregations in the conference that could be considered multi-cultural in their makeup.

A crucial component of the work was to consider how best to do this work across the Conference: Is this the work for an individual director, for a task-force? Is this the work of the Cabinet, the Director of Connectional Ministries? Does the work need to be full time or part time?

The task-force met beginning in October and began the difficult work of identifying the ethnic minority congregations, assessing their challenges and gifts, and discerning how the Annual Conference could best resource these important ministries in our state.

As part of our work we identified four Multi-Cultural ministry work areas:

Leadership

- Leadership Training – Lay & Clergy
- Identification – Raising Up Leaders with Multi-Cultural/Cross Cultural Hearts
- Development – Teaching Churches/Teaching Pastors

Resources

- Financial – Funding/Grant writing
- Networks – Annual Conference/General Church/Community Partnerships
- Right People/Right Places

Advocacy

- Knowing the Community/Awareness & Sensitivity
- Cross-Communication/Passing on information
- Networking
- Becoming an Institutional Team player in local communities
- Social Justice/Structural Advocacy

Accountability

- Primary Accountability to the Mission - “Making Disciples of Jesus Christ for the Transformation of the World”
- Job Descriptions & Evaluative tools
- Goal & Objectives
- Clear Lines of Communication & Accountability
- Short/Mid/Long Term Planning

After three months of work and conversation the committee has concluded that it needs another year to make a recommendation as to how the Annual Conference can best lead in this work. Two options that are on the table are to continue to direct the work through the position of Director of Multi-Cultural Ministries; another gives the work of oversight to the Director of Connectional Ministries.

Both options would utilize strong task forces representative of each ethnic minority group as they seek to direct resources where they are most needed and empower the churches to more effective discipleship and mission in their community.

We recommend to the 2011 Annual Conference that they give this task force another year to take these two models to the people in ethnic minority communities. We want to hear from them about how to best empower them for mission and ministry. We will be about this work through a series of listening posts throughout the state. We trust that we will be able, after these conversations, to bring a robust recommendation to the 2012 Annual Conference session.

CHURCH EXTENSION AND REVITALIZATION TASK FORCE

The Church Extension and Revitalization Task Force was formed in September, 2010. The assignment given was to “consider the process of identifications, support, and process for new church development within the Louisiana Annual Conference” and to determine “what personnel are needed to accomplish the mission.”

The Task Force met four times and conducted interviews with the founding pastors of the three most recently planted churches. Additionally, members of the Task Force

conducted extensive research on best practices for conference wide congregational development.

The Mission of the Church

The mission of the United Methodist Church is “*To make disciples of Jesus Christ for the transformation of the world.*”¹ The local church is the most significant place where disciple-making occurs. New church starts are the most effective means for reaching new people.² Therefore, the most effective means for the United Methodist Church to fulfill its mission is the intentional and ongoing process of creating new faith communities.

The intentional and ongoing process of creating new faith communities is a part of our Methodist DNA. Throughout the early years of Methodism, the circuit riders and local churches would rapidly plant and organize new congregations everywhere un-churched people could be found. The early Methodist understood the need to create new places for new people and did so with abandon.

Testimony to the effectiveness of their work can be seen in every city, town, and village where a United Methodist Church once or currently stands. Our Methodist forebears fulfilled the Great Commission (Matt 28:19-20) by going to where the people were across the state. Until the middle of the last century the majority of people in the state of Louisiana lived in rural settings. This is no longer the case.

According to 2010, Census data 24 Louisiana Parishes experience population loss over the past decade³. This population loss is primarily in rural areas. The same data shows 19 Louisiana Parishes experienced population growth over the same ten year period. Over 85% of the population growth in these parishes was in urban or suburban areas. In 2011, the majority of people in our mission field live in urban or suburban settings. This will continue to be the case over the next twenty years.

Demographic projections from the U.S. Census bureau show Louisiana reversing the trend of net population loss growing by over 500,000 over the next twenty years⁴. This population growth will primarily be in the urban and suburban areas of our mission field⁵. This population growth will result in a more ethnically and culturally diverse population in our mission field. We will need to be prepared to reach out in the name of Christ to these new people.

Findings

The Louisiana Annual Conference has over the past ten years started four (4) new churches (excluding two re-starts). The Taskforce on Church Extension has carefully examined the fruitfulness of these new church starts through interviews with church planters and statistical analysis. Below is a summary of our findings.

Louisiana UMC New Church Starts, 2001-2011				
Church	Year Started	Prof. of Faith Since Launch	2010 Worship Attendance	2010 Membership
Faith Community, Broussard Lafayette Parish	2001	65	74	117
Faith Crossing, Denham Springs Livingston Parish	2008	97	103	109
New Song, Prairieville Ascension Parish	2008	49	155	179
The Well, Ponchatoula Tangipahoa Parish	2008	32	121	128

The three most recent new church starts received more professions of faith than 90% of the churches in the Louisiana Conference. This confirms the national statistic that new church starts are the most effective means of reaching new people for Jesus Christ.

New church starts require the investment of significant financial resources. In 2008, the Louisiana Conference launched three new churches in the greater Baton Rouge District (one church, The Well, has since been transferred to the New Orleans District). Below is an analysis of the total financial resources invested in the three churches through 2010.

LA Conf. Financial Investment of in New Church Starts 2008-2010				
Church	Church	District	Conference	Total
Faith Crossing, Denham Springs, Livingston Parish	223,619	134,054	291,268	648,941
New Song, Prairieville Ascension Parish	592,579	108,875	573,512	1,274,966
The Well, Hammond, Ponchatoula, Tangipahoa Parish	897,000	246,122	427,133	1,570,255
			TOTAL	3,494,162

Areas of Strength

The Louisiana Conference has much to celebrate as it relates to new church starts. Our three newest churches worship attendance is well above the conference average. These three churches also account for almost 5% of all professions of faith in the Louisiana Conference since their founding.

The Louisiana Conference has a well established system for identifying and training church planters. Our partnership with and participation in the South Central Jurisdictions New Church Leadership Institute has assessed and trained 20 potential church planters. Each pastor who has been through the process has benefited from the valuable training and is better equipped to serve the local church even if they never plant a new

congregation. The current system for identifying and assessing church planters will be strengthened as alternative training programs are identified which may better prepare church planters for the rapidly changing mission field.

Areas for Growth

The greatest needs expressed by church planters are funding, clarification of what is expected of them and what they can expect from the Conference, post – launch mentoring and coaching, and acquisition of property. Additionally, areas of responsibility, authority, and follow through on the Conference level need to be clarified. Each of these concerns is addressed in the proposals below.

Conclusion

There are many vibrant and fruitful United Methodist congregations in Louisiana, including our newest church plants, effectively fulfilling our shared mission to make disciples of Jesus Christ for the transformation of the world. Other churches are struggling. Faced with this reality, why should we commit to the intentional and ongoing planting of new churches? Consider the following:

- There is no more effective method to reach new people for Christ.
- We will need new congregations planted in what will be the rapidly growing areas of our mission field over the next twenty years.
- The only denominations that are growing are those that are planting churches at a rate approaching 2% (for the Louisiana conference that would be 10 new communities of faith per year. We have started four in the past ten years).
- Everywhere in the world where the church is expanding (i.e. China, India, Africa, Central and South America) it is expanding on the foundation of rapidly multiplying communities of faith.
- Because, selfishly, we need more vibrant and fruitful churches to share the load of paying for our mission (this is not the best motivation, but it is a motivating factor.)⁶

The mission of the church is to make disciples of Jesus Christ for the transformation of the world. The intentional and ongoing planting of new communities of faith is the most effective means of reaching new people for Christ and the fulfillment of our mission. Population, demographic, and cultural shifts within our mission field necessitate the starting of new churches in new places for the fulfillment of our mission. Our most recent church plants, despite limitations due to funding and the acquisition of adequate space conducive to worship and discipleship, are effectively reaching new people for Christ. The adoption of the following recommendations will strengthen our missional effectiveness.

⁶ Weekly Message, Tommy Gray, North Alabama Conference Director of Congregational Development, February 7, 2011

Five Provocative Proposals to Strengthen our Missional Effectiveness

The Task Force on Church Extension recommends the Louisiana Conference adopt the following Five Provocative Proposals:

1. The Louisiana Conference adopts the establishment of new congregations as the top missional priority of the conference.
2. The Louisiana Conference takes immediate steps to fully fund its top missional priority. The Conference should commit to tithing for the sake of mission. Not less than 10% of the total Conference budget each year shall be dedicated for the development of new congregations by 2015. CF&A shall be empowered to make all necessary changes to the Conference budget in fulfilling this mandate. It is recommended that CF&A increase the Church Extension budget by at least 12.5% per year until it is fully funded. Additionally, the Conference Board of Trustees is directed to ensure that all proceeds from the sale of all discontinued and abandoned properties, including the proceeds from the sale or lease of mineral rights, be used for congregational development.
3. The Louisiana Conference should retain the position of Director of Church Extension as a full time position to oversee and be responsible for our top missional priority. The Task Force recommends that the Bishop appoint a team to redevelop the ministry description and responsibilities of the director. The team should be named and begin its work no later than August 1, 2011 with the goal of the position being filled by June, 2012. The Director should be part of the appointive cabinet.
4. The Louisiana Conference recommends the Bishop, Provost, and District Superintendents use all available time and resources to promote the top missional priority of the Conference through vision casting and exhortation that fosters a conference culture of church extension resulting in churches that plant churches.
5. Every lay and clergy member of the Louisiana Annual Conference commit to praying daily and working tirelessly in fulfilling our top missional priority.

Donnie Wilkinson, Chair
Beverly Connelly, Jerry Hilbun,
Matt Rawle, Steven Spurlock,
Rob Weber and Brady Whitton

Proposals 2 and 3 above were amended at Annual Conference. The final approved version of 2 and 3 is:

2. The Conference should commit to tithing for the sake of mission. Beginning with the 2013 budget, the CFA will begin increasing the church extension budget by at least 12.5% annually until church extension funding reaches 10% of the conference budget. CFA shall be empowered to make all necessary changes to the conference budget in fulfilling this mandate. Additionally, the conference board of trustees is directed to ensure that all proceeds from the sale of all discontinued and abandoned properties, including the proceeds from the sale or lease of mineral rights, (as allowed by the Book of Discipline and the conference rules) be used for congregational development.

3. The Louisiana Conference recommends retaining the position of Director of Church Extension as a full time position to oversee and be responsible for our top missional priority. The Task Force recommends that the Bishop appoint a team to redevelop the ministry description and responsibilities of the director. The team should be named and begin its work no later than August 1, 2011 with the goal of the position being filled by June, 2012. It is recommended that the Director be part of the appointive cabinet.

BOARD OF CHURCH AND SOCIETY

United Methodists are called to act as public policy advocates on Peace and Justice issues. We are called to adhere to the words of Micah 6:8 “Do justice, love mercy and walk humbly with your God.” Our Board strongly suggests that all churches in the Louisiana Conference Study the Social Principles of the United Methodist Church 2009-2012.

In keeping with our mandate for serving the present age we state to the Conference what we have done and what we all need to do.

- 1) The United Methodist Church set aside a special Sunday each year requesting churches to take a special offering for Peace With Justice Ministries (PWJ). One-half of the offering will remain in Louisiana Conference for use in Louisiana and one-half will go to help with Peace With Justice Ministries beyond the borders of Louisiana. The special date for this offering in 2011 is June 19, 2011 but any church can set aside another date for this offering. The deadline for applications for PWJ grants in Louisiana is May 10, 2011 and September 10, 2011. For application forms, contact Rev. James A. Graham at jgraham993@aol.com or at 218 Suzanne Drive, Shreveport, Louisiana 71115, (318-797-2464).
- 2) Who has received funds for ministries in 2010? In 2010 La. PWJ grants were given to both Mount Zion UMC and Peoples UMC in New Orleans to help with their homeless ministries. The Louisiana Conference Board of Church and Society also approved a grant to First Grace in New Orleans for its Hager House project. (Money from this grant came from the Ethnic Local Church Fund.) Another PWJ grant was given to Hope Ministries in Baton Rouge for its 40-hour workshop that helps participants identify the underlying causes of poverty, increase financial literacy and design an action plan for becoming self-sufficient.
- 3) In the light of the great work that Peace With Justice program has done in Louisiana and in other places over the last 25 years, the Louisiana Conference Board of Church and Society has approved a petition to be presented at Annual Conference to be passed on to the 2012 General Conference of the United Methodist Church to continue the Peace With Justice Sunday and retain the provisions found in paragraph #263.5 and paragraph #823.5 in the Book of Discipline of the United Methodist Church.
- 4) Sarah Schoeffler Award winners (2010) Mrs. Mary Coe; (2011) Mrs. Catherine Blake Bowden.

- 5) Our representatives at the 8th Annual Young Clergy Capitol Hill Leadership Forum on Faith and Justice among 32 conferences were Sarah Shoup and Stephen Fife.
- 6) Restorative Justice Task Force has made the following recommendations: Support best practices and exemplary restorative justice ministries such as G.R.A.C.E. Camp for Children of the incarcerated, Kairos, the Prison Chapel Foundation and re-entry programming for offenders. Support victims—offender dialogue as part of its victim service efforts coordinated through Victims Services Bureau. Continue to align the LA UMC restorative justice ministry/advocacy work with the LA Department of Public Safety and Corrections, emphasizing victims' services and re-entry of offenders. All of our work as a church should be guided by the Social Principles of the United Methodist Church 2009-2012. The Task Force members are Co-Chair Patricia Bates, Co-Chair Christian Thomas, Bonnie Keene, Ed Dilworth, Marcus Gaut, Bernadine Johnson, Cindy Mann, Jim Reid, Lyn Sheehan, Richard L. Stalder, Jean Wall and Karen Stagg (2009 winner of the Sarah Schoeffler Award issued by the Board of Church and Society).
- 7) Our Board promotes the various special offerings of the Church that relates to Social Concerns, (Human Relations Day on January 15, 2012, Festival of God's Creation, Earth Day, April 24, 2012, National Day of Prayer, May 3, 2012, Peace With Justice, June 19, 2011); one-half of the Peace With Justice offering remains in Louisiana for projects in our state. We promote the United Nations Sunday Offering in October (UNICEF or Trick or Treat Offering); Organ and Tissue Sunday in November (November 13, 2011). We promote the December 1, 2011 World Aids Offering, (twenty-five percent of this offering will remain in the state.).
- 8) In 2011 and 2012 let us take a closer look at the impact of domestic violence in our churches as well as in our community. Let us see what we gain from studying our Social Principles to see how we can better face the economic crisis which face people in Louisiana among all races, religions, cultures and creeds. Let us work harder to build bridges instead of throwing stones at one another. The Prophet Micah is talking to all of us today. To find solutions we must begin to really talk to each other. We must learn to listen to each other and we must learn how to walk in each other's moccasins in order to see clearly the realities of our world.

BOARD OF DISCIPLESHIP

Accomplishment and celebration of work:

Two persons were recognized as recipients of the Harry Denman Evangelism reward at last year's Annual Conference. Rev. Brady S. Whitton, pastor of the Amite UMC received the clergy award at the clergy session. Sarah S. Kreutziger, Conference Lay

Leader and a member of the Munholland UMC, Metairie, received the laity award at the laity session.

Rev. Charlie Langford, pastor of University UMC, Lake Charles, replaced Jane Blackwell as chair of the board. We are grateful for Jane's leadership and her willingness to continue to serve on the board. The board was pleased to help underwrite the Rethink Worship event in Pineville and the Creative Worship events in Lafayette and Shreveport.

Our camps continue to provide opportunities for our children and youth under the leadership outstanding directors and conscientious boards. They nurture the faith of our young people and have facilitated several decisions to become disciples of Jesus Christ. We are currently in a period of transition with the leadership at two of our camps. We rejoice that new leaders, Matt and Sharon Shaw, have already been found to replace Dawn and Jason Wright at the Uskichitto Retreat Center. We continue to support the "God and Country" program and encourage churches to initiate the youth-serving organizations such as Boy and Girl Scouts in their setting.

Goals that are a priority for the coming year:

Cognizant of the numerous churches in our conference with under 100 in average worship attendance, the board seeks to provide resources and training for these churches. With these and all our churches we are working to produce greater "congregational vitality" in line with the objectives of the Council of Bishops' "A Call to Action." The board is initiating a grant program to encourage "fresh expressions" in our churches patterned after a similar program in England (www.freshexpressions.org.uk). Details on the criteria and application process are to be made available at this session of Annual Conference. We are seeking new ways and making disciples as we proceed through the present "wilderness."

Concerns and challenges facing the board:

The board must better connect with the local church, particularly the smaller (average attendance of less than 100) churches. We must do so in a way that sparks and enables creative new ways on engaging the unique mission fields of the local church rather than put forth programs and initiatives in the one-size-fits-all mold.

Items for action/vote by the Annual Conference: None.

CHRISTIAN EDUCATION

Accomplishments and celebration of work completed

Consulted with, visited or taught in eight different churches ranging from reviewing or advising on teaching materials, to teaching materials that I prepared at two churches.

I taught sections on Christian Education (What about Sunday school?) at three district-wide training events.

I prepared three articles for LaNOW on several different topics, in addition, I prepared (and published) an article in Christians in Education the newsletter for CEF.

During the past year I attended two different training events. The first was the national Christian Education Fellowship gathering in Louisville, KY. I also attended Do no Harm sexual ethics seminar in Houston TX.

As Director of Christian Education I serve on the Advisory Council for the Christian Leadership Center of Centenary College and assisted with and participated in events with Brian McLaren and Adam Hamilton.

I did not host a VBS event each year, however, I did review the offerings by the most popular publishers and posted that information to the LaUMC website. A VBS preview event will be held in January 2012.

I had to cancel two training events as a result of the weather in North Louisiana. I was unable to make License to Preach school or a Sunday school event in Ruston.

I completed my certification process for Christian Education.

Coordinated a Lenten book reading and blog - Several members of the conference are reading 40 days living the Jesus Creed and are blogging about it at <http://40days2gether.blogspot.com/>. Invitations were extended to all clergy attending Tending our Lives, and were sent out via the district grapevines to everyone inviting them to participate.

Mission NOT impossible: Christian Education – Trinity Ruston, March 26. Registration required no fee. 15 speakers on a variety of topics including children, youth, adults and general church. This was modeled after the Baton Rouge Christian Education event held last August. It was well received and indications from evaluations are that this will be repeated.

Transformation Acclamation – FUMC Alexandria, May 6 and 7 Registration required, \$50 fee. Three tracks; Confirmation for the future – Revs. Chris and Gloria Hughes, Adult formation – Dr. Carol Krau and Safe Sanctuaries and Multi-media – Rev. Michelle Foster. This was well attended; however, enrollments had to be limited. Similar events are being considered for this conference year with the support of LaCEF.

I was the chair of the Wesley Center/Camping Ministry task force, which met throughout the six months gathering and reviewing information regarding conference wide camping and retreat ministries. This concluded with a report and recommendations to the Provost.

Served on the Developing Christian leader's task force, and prepared a document for the BOM to use during the emphasis year (2012) for clergy leaders to bring to the forefront of their congregations the "Ministry of all believers."

Reviewed and recommended books and websites regarding poverty for the Communications division, currently working on a six week teaching program for two of the books.

Served as the educational coordinator for VIM team leader training, using a model of “asking the right questions” for missions. Evaluations of training were generally positive and future possibilities include an advanced training in addition to the basic training.

Worked with Pam Crews and John Edd Harper of the BOM to establish connections with those in the process of certification in Christian Education. These people had reported not feeling a part of a connection, and were unaware of several educational events or groups in the conference.

Confirmation day with the Bishop was a success. Approximately 450 young people participated. The theme was Eye on the Goal (Phil 3:13 The Message). Speakers for the event are Bishop Hutchinson, Anice Moses, Mark Martin, and Katie McKay Simpson. As a part of the event young people were asked to consider if they were hearing a call to ordained ministry.

Goals for the upcoming year.

Host VBS event in January 2012.

Sponsor and facilitate developing Christian leaders for Christian Education in the Louisiana Annual Conference for 2011-2012.

Participate in district wide leadership training events.

Facilitate and work with LaCEF in sponsoring an event in conjunction with Annual Conference 2012.

CONFERENCE BOARD OF GLOBAL MINISTRIES

The Board of Global Ministries in the last year has been battling with budget cuts as have the majority of the Conference committees and its projects, with this situation leading the committee to re-evaluate its work by requesting the help of Bishop Hutchinson. In September, 2010 the committee met with our Bishop and the following questions were presented:

- What is the mission field?
- What is the committee’s mission focus?
- What does the committee stand for?
- Will the committee select a few initiatives or many initiatives?

After meeting with Bishop Hutchinson the committee has been in discussion of these questions and we evaluated the following:

- The term INITIATIVES: What is an initiative and how long should it be supported financially?
- The vision of the committee from the perspective of a mission, our role within the conference representing the General Board of Global Ministries and the missions that the Conference adopt.
- The resolution that was adopted by the Conference to donate 1 million dollars to Africa.
- The needs of the Hispanic Ministry in our conference.

We decided that:

- The financial support to the initiatives of Russia, Cuba and Cambodia will end in 2013.
- From the 2011 Budget, seven thousand dollars were approved for Africa along with one thousand dollars for the Conference's Hispanic Ministry.

Please see the various reports from ministries of the Board.

SUPPORT ACTION MINISTRIES (SAM) GRANTS

The purpose of the Support Action Ministries (SAM) is to offer grants that will provide a portion of the initial funding necessary for a local church to establish a new mission project. SAM grants are awarded annually for up to \$3,000 and can be requested for up to three years.

The SAM grant committee consists of the District Mission/Outreach Coordinator from each of the seven districts. The committee met to carefully review each of the four renewal SAM grant applications, and 13 new grant applications. There was a total of \$23,400 to be allocated, and the grants were awarded to the following:

Renewals

North Rampart Community Center, New Orleans - \$2,000
 Chapel Leadership Academy, Andrew Chapel UMC, Denham Springs - \$2,000
 Crescent City Café, Rayne Memorial UMC, New Orleans - \$2,000

New Grants Awarded

Community Feeding, Fitzgerald UMC, Covington - \$2,400

These grants are assisting churches and church-related programs to reach out to many groups in their communities, including at-risk children and youth, neighborhood schools, homeless individuals and families, ethnic communities, rural and urban areas.

The SAM grant committee applauds the ministry being provided by these churches, and acknowledges them for their outstanding leadership in the area of mission and outreach. We are pleased to be able to award funds that assist in furthering the kingdom of Christ in many parts of our conference.

CAMBODIA MISSION INITIATIVE

Our Friendship in Christ continues to grow with our brothers and sisters a world away through the Cambodia Initiative.

Since our last annual conference, two Louisiana teams have traveled to Cambodia. A team in October led a men's retreat and helped complete the construction of the church at Samrath. A medical team led by Beverly Dinnel, made the first journey into the Svay Rieng District. The 16-member team saw over 1900 patients at three new locations over 6 days. They completed the journey with a visit to Vietnam.

We were privileged to have Joseph and Marilyn Chan, Cambodian nationals, with us last summer. They visited 15 churches across Louisiana giving witness to their faith in Jesus Christ and the ministry of the Methodist church in a rapidly developing country.

A team from First UMC Baton Rouge will travel (Sept. 23 - Oct. 7) to Samrath to dedicate the church they funded and begin construction on dormitories in Kompong Thom. Another team led by Ann Sutton and Clifton Conrad (Sept 29 - Oct. 10) will overlap with this team to lead a spiritual formation retreat for Cambodian lay leadership. A construction team is scheduled for later in October.

In 2012, a medical team is scheduled in the spring, a team to lead a youth retreat will depart in May and another Men's Conference is scheduled for the fall.

By the publication of this report we will join with the Cambodian staff in San Jose for the Cambodian Initiative Consultation in San Jose, CA. More dreams and opportunities to be a part of the work of transformation will gain hold on our hearts. You can be a part of this adventure as the Cambodian church grows and matures by supporting a GBGM missionary or project through the Advance, going with one of our Louisiana VIM teams, or hosting a Cambodian missionary in your church.

THE CUBA INITIATIVE

The Cuba Initiative continues its work with the Iglesia Metodista en Cuba and its many pastors and churches. The Louisiana Conference seeks to develop and retain relationships between churches and individuals in Louisiana and those in Cuba. Some very strong relationships have developed through the ministry of the Cuba Initiative.

Sister church relationships are still being matched and strengthened between churches here and the Cuba Methodist churches. Some of these relationships have existed for many years, some are brand new. These personal relationships between people and pastors are meant to strengthen the Body of Christ. This past year those churches that have actively maintained sister church relationships are: Blackwater UMC and Havana Central IM, Broadmoor UMC, Baton Rouge and 4 small churches in the Matanzas District, Live Oak UMC and Regla IM (a new church start), Lea Joyner UMC and Santa Fe IM, and St. Charles UMC and Park Temple IM.

The Cuba Initiative also supported the Cuba VIM team that traveled to the church in Boca de Camarioca IM in October 2010 to assist with construction. This was the third VIM team that worked on the church in Boca. The first VIM group in 2006 laid a new foundation for the church. The second VIM group in 2007 helped put on part of the roof. The third VIM group was in 2010 where the team helped complete the walls for over half of the parsonage on the second floor above the sanctuary. (In addition to this a sister church group from Broadmoor UMC, Shreveport held a VBS for the children in Boca in 2007.) The relationship with the pastor and congregation of Boca de Camarioca with UM members in Louisiana is very strong.

One other goal of the Cuba Initiative is to assist in reciprocal visits from Cuban pastors with their sister churches here in Louisiana. A long time friend of our conference, Rev. Mario Perez and his wife, Rebeca, visited the congregation of Lea Joyner UMC, which has a sister church relationship with the Santa Fe IM in the Havana Province.

This has been another active year for the Cuba Initiative. Our goals next year are to support another Cuba VIM team in October 2011, and to assist in strengthening sister church relationships and reciprocal visits.

Please keep our Cuban brothers and sisters in Christ in your thoughts and prayers.

REPORT OF THE REVOLVING LOAN FUND

The Revolving Loan Fund was established in 1974 to make low-interest, unsecured loans to churches and institutions in our Conference for extension needs such as construction, building renovation and repairs, purchase of major fixed equipment and the purchase of land. The maximum loan amount is \$8,000 for churches and institutions less than 5 years old. For all other churches and institutions the maximum loan amount is \$6,000. The maximum repayment term is 10 years for new churches and institutions, 8 years for

churches that report attendance of 30 or fewer at the principal weekly worship service, and 5 years for all other borrowers. The loans are interest-free the first year, 2% interest is charged on the unpaid balances at the beginning of the second year and third year, and 4% is charged on the unpaid balances at the beginning of the fourth and remaining years of the loan.

At the end of 2010, there were 7 loans outstanding with balances totaling \$27,492.90. Loan applications and additional information are available from the Finance Officer of the Conference Board of Global Ministries at Louisiana Memorial United Methodist Church, 515 E. Bellevue Street, Opelousas LA 70570, (337) 942-3163 Church, (337) 942-3173 fax.

RUSSIAN INITIATIVE

The immediate goal of the Louisiana Russian Initiative is to fulfill the duties and responsibilities of a partnership with the First United Methodist Church of Ekaterinburg, Russia. The continuing vision is two-fold; to give the church and its leaders the resources they need to bring the word of God to the congregation and the unchurched, and to transform FUMC Ekaterinburg into a district focal point for the Ural Mountain and Siberian regions.

Our mission to Ekaterinburg this past summer included members from Broadmoor, Shreveport, First, Logansport, First, Baton Rouge, and Lafayette, Asbury. Highlights of the trip were a book study of *He Chose The Nails* by Max Lucado. We had three sessions of discussion and meaningful interchanges relating to this book that were revealing and thought provoking. Listening to our Russian friends is always inspiring.

We also spent the first days of our trip refinishing the floors of the church. While we certainly weren't highly skilled in our efforts, the enjoyment of working together and accomplishing a project was certainly satisfying. A particular challenge was learning how to operate and manipulate the Russian sander.

Vacation Bible School for the children was very successful. We had our own Gallectic Blast with the church rooms decorated to fit the décor of the solar system. One of the lasting impressions of VBS was role playing the Bible stories for the Russian children and then in turn the Russians role playing for us. A joy was our adults playing the ravens for Elijah. The children enjoyed this as always.

We again bought enough food to make 100 food baskets for the elderly in the church. We purchased in bulk, cooking oil, pasta, canned meat, flour, sugar, and chocolate. These were distributed after church on Sunday or delivered to those unable to leave their homes.

Visiting and staying in the church for two weeks gives us the opportunity to observe and participate in many of the programs and activities. A typical weekly schedule will include

English language lessons, prayer and spiritual reflections with the Russian language translation of the Upper Room as a source, spiritual support groups, Bible study and prayer, an evening of worship and intercessory prayer, a meeting of the Emmaus Society, and worship and Sunday School.

This summer there will be two delegations to Ekaterinburg with two major goals. The first delegation will continue in the restoration of the roof of the church and repair the walls of the church that continually have cracks appearing each year. The other goal is VBS and Bible studies. Rev. Josh Milliron of Moss Bluff United Methodist Church will lead the congregation in a time of spiritual renewal and Bible Study. A second delegation will focus on Vacation Bible School for children.

The Louisiana Conference and the First United Methodist of Ekaterinburg constantly face challenges as they evolve. Please continue to keep our Russian United Methodists brothers and sisters in your thoughts and prayers.

LA CONFERENCE OF THE UNITED METHODIST CHURCH DISASTER RESPONSE, INC.

The La. United Methodist Disaster Recovery Ministry is currently downsizing and has made several major changes in their statewide efforts and offices. As part of the downsizing, the staff of 140 has been decreased to 10 persons.

A recap of this work and the status of each Disaster Recovery Station are outlined below:

- Upper River Station located at Grand River United Methodist Church completed its work on May 14, 2010. A total of 90 homes damaged or destroyed by Hurricanes Gustav and Ike were restored. Case managers helped an additional 137 clients with needs other than rebuilding homes. Client assistance totaled \$498,000.

- From September 2005 through the end of June 2010, 12,255 clients in the Lake Charles District received assistance in recovering from Hurricanes Rita and Ike. A total of 14,794 volunteers worked 650,692 volunteer hours. A total of \$1,359,646 in UMCOR funding was used for material needs of the clients. The Disaster Recovery Ministry worked with Rev. Steven Spurlock, Lake Charles District Superintendent, and area pastors in the district to create a local mission outreach to the people in the district that still need help with hurricane recovery. The outreach will distribute \$100,000 in the form of grants that can be used to purchase materials that will be used for hurricane repairs. The end date for this program is July 30, 2011. Any funds left at that time will be moved to the New Orleans project.

- Lower River Station (Houma and Dulac Community Center) has been the continuation of work started by the La. United Methodist Annual Conference since 1992 when Hurricane Andrew hit Louisiana. This storm ravaged area was affected by Hurricanes Katrina, Rita, Gustav and Ike. Since 2005, the Conference Disaster Recovery Ministry

has welcomed more than 8,459 volunteers who have worked 317,063 volunteer hours. Using UMCOR funds, \$1,312,254 was used to cover the cost of materials. Since April of this year, the ministry has worked alongside Presbyterian Disaster Assistance volunteers; due to this partnership, we will be able to work additional open cases.

- New Orleans Stations have been the most productive of all our stations because of the national attention received by Hurricane Katrina. Partnering with multiple agencies around the world, the ministry has served 38,234 households with 67,747 volunteers giving 2,886,699 volunteer hours. Using those numbers, the in-kind donation of labor added up to \$59 million. With UMCOR funds, client assistance totaled \$3,532,456 used to purchase materials.

- The disaster ministry funneled \$500,000 to Baton Rouge-based Hope Ministries to use in assisting storm evacuees who relocated to the Greater Baton Rouge area. These funds were used to help clients with relocation costs and with job searches.

- In the aftermath of the Gulf Oil Crisis, children and teens living in the coastal areas affected by the spill needed emotional and social support. The ministry hired a part-time Youth Director to work with the youth in Plaquemines Parish. The main goal for the youth group was to offer a safe place where young people could retreat from the daily troubles that they were experiencing at home. Events planned for the kids included Christian skate night, a Christian concert, a visit to a water park, Art Night, a youth Christmas party, and Christmas caroling throughout the community. School supplies were also gathered and donated to area youth. A total of 29 teens have registered for the group. Each event averages about 20 participants.

- Over the past 12 months, the ministry has conducted Disaster Preparedness Training in five of the seven districts, worked with local congregation committees setting their Disaster Plans, and finished the Conference Disaster Plan. A manual has been completed offering a template which can be used by any local church's local disaster committee. This manual will be available this spring through the District Offices and the Conference Office of Disaster Preparedness.

- UMCOR has authorized an additional \$500,000 grant to be used by the La. United Methodist Disaster Recovery Ministry. UMCOR leadership recommended that \$400,000 be placed in a fund with the United Methodist Foundation of Louisiana. The interest earned by the fund will support the employment of a part-time Director of Disaster Preparedness for our annual conference. Only the interest that is earned from these funds can be used to pay salary for this position, starting with conference year 2012-13.

In closing of this part of the Executive Director **we have hosted 92,742 Volunteers; 4,038,706 Volunteers hours which compute to an in-kind donation to the State of Louisiana of more than \$83.4 million dollars** and we helped more than 67,766 households in our state. What are my plans for this coming year (January 2011 thru December 2011): I will begin to work on our Close Out Report that is due to UMCOR at

the conclusion of our Conference Recovery Work; Continue to oversee the Conference Disaster Preparedness plan and work both with our districts and local congregations.

In the words of President Ronald Reagan, "We've done our part. And as I walk off into the city streets, a final word to the men and women of the LA Disaster Recovery revolution, the men and women across world who for six years did the work that brought Louisiana back. My friends: We did it. We weren't just marking time. We made a difference. We made the cities stronger. We made the city freer, and we left her in good hands. All in all, not bad, not bad at all".

Darryl A. Tate, Executive Director

BOARD OF HIGHER EDUCATION & CAMPUS MINISTRY

Our campus ministers planned and held a statewide retreat at Caney Lake Camp in Minden. Over 100 college students attended. It was successful enough for them to want to do this every two years. We applaud these campus ministers for giving extra time and effort into this retreat so that our students from across the state can come together to fellowship and worship.

The campus ministries continue to cultivate leaders for the next generation by challenging our students to be in mission, both locally and abroad. About four hundred of our students went abroad this past year. Some of the places were China, Haiti, Bahamas, Cambodia, and Swaziland. In addition to these international missions, hundreds of our students were involved in local and area mission projects.

At our fall review with all the campus ministries, we allow them time to get together and exchange ideas; discuss issues that may arise in the campus ministry field, and fellowship. The board gets to hear what is happening at each of the campuses. We continue to be amazed at the resourcefulness of our campus ministers in the way they engage students, manage their funding, develop leaders, and make disciples of Jesus Christ.

We thank the Louisiana Conference churches for their financial support of our 11 campus ministries. You should know, however, that all of our units must still raise 50% or more of their total budget. The grant that the board gives to each campus ministry unit is money well spent. We gave out grants totaling \$691,000 to 11 units who multiplied that into budgets totaling over \$1,557,700. The Board assisted in sending a large delegation to the National Student Forum; sponsored a one-day Grant Writing workshop for campus ministries; made campus visits; and led several local board-training events.

Campus ministry is critical to the future of our church. Most of our newer clergy have had a good connection with campus ministry in their journey to becoming pastors. Campus ministries are important in the development of lay leadership for our church, and exposing these young people to the mission fields, both locally and abroad.

The Conference Board encourages each congregation to become involved with this ministry. Find out what is going on, meet some of these young people, volunteer, invite a worship team to come and share at your church, or donate funds to support their mission trips. If you do, you will be proud of the work being done by our campus ministers and proud of the young people involved in them.

BOARD OF LAITY REPORT

The Conference Board of Laity (CBOL) echoed the late Senator Sam Rayburn's dictum, "When I feel the heat, I see the light," this year as we stoked the fires of commitment, spiritual gifts, and passion to burn away lethargy, complacency, and indifference in mission To Make Disciples of Christ for the Transformation of the World. A fired-up team welcomed the Rev. Donald Avery as our new Cabinet Liaison, Ms. Alyson Gaharan as our new CCYM chairperson, and Dr. Ethel Haughton and Mrs. Lueburda Myers as our new Shreveport District Lay Leaders. We are grateful for the services of outgoing members Rev. Roger Lathan, Mr. Andrew Blackwood, and Senator Robert Adley. Sections following this report will detail the many accomplishments of our CBOL programs while we celebrate progress on our ongoing goals and mission listed below. We also celebrate the fine spirit and service of a remarkable group of servants dedicated to our Lord.

We celebrate:

1. Continued success in effective communications to and from local church laity. The Daughtenbaugh-Matheny Scholarship Fund, spearheaded by Carolyn Dove, perfected a DVD to use in fundraising. Rob Fairly, director of the Louisiana Foundation offered church leader email addresses. Ethel Houghton and Lueburda Myers, Shreveport DLLs, used the district grapevine effectively to advertise programs. Gary Green, Monroe DLL, is urging parallel local leaders for Conference and District program chairpersons. The CUMW, under Edna Hickman, reports on all of its activities in multi-media formats. Tim Hebert, Conference Web Servant also serves on our Board.
2. Focused advancement in leadership training at all levels. All our districts are conducting well-attended "My Job" workshops; the Monroe and Lake Charles Districts are producing educational DVDs; and the Baton Rouge DLL, Grant Schroeck, initiated a district-wide effort to listen to local church leaders as they move their area forward. The New Orleans District (Keith Kreutziger, DLL) and the Monroe District placed emphasis on youth leadership training while all districts are holding the Lay Speaking Ministries training, headed by Tim Hebert. We have new Certified Lay Ministers (CLM) in the educational pipeline. Sarah Kreutziger, Conference Lay Leader, Pete Agulia, Board member, and Edna Hickman attended national leadership seminars and brought information back for dissemination to our Board and others.
3. Greater diversity in our outreach. Our Board reached out to the youth, to the Hispanic/Latino church, and to others not in conference or district leadership for

advice and future engagement. District Lay Speaking Ministries were held in Spanish in New Orleans with plans to hold CLM training in other languages as needed.

4. More emphasis on spiritual transformation. The New Orleans District has a Three-Day Weekend representative on its team and the CBOL works closely with the Louisiana Cursillo Secretariat. Our DLLs are emphasizing Lovett Weem's "so that" (mission) questions in their programming and are taking that messages to the local churches. We are incorporating Gil Rendle's "so what"; i.e., (purpose?) in all of our planning as well. To that end, 1000 Club leader Walter Weiss is working hard with his team to raise money for new church starts. New Song UMC is the recipient of the call for 2011.
5. Enhanced education and mission opportunities. Edna Hickman (CUMW) and Gard Wyatt, head of the CUMM, launched a joint program focused on awareness of and help for victims of domestic violence. Alexandria DLL Eloise Cox's team is planning a resource booklet listing the range of ministry dealing with the poor as they continue to work for "Imagine No Malaria." The Daughenbaugh-Matheny Scholarship Fund (Carolyn Dove) granted \$1500 each to 23 recipients last year with plans to raise more money this year and build an endowment for leaner years. Our leadership continues to work diligently to raise money for the Scholarship, 1000 Club, and many local church mission projects. The Annual Conference Laity Breakfast, another fundraiser, will be held on Tuesday at Centenary. Featured speaker is Scott Hughes, a Shreveport educator. Joyce Robinson, our Associate Conference Lay Leader heads this event. Tickets are \$12 each.

Our goals and priorities for next year are:

1. Continued progress on the five goals mentioned above,
2. Working even closer with our clergy in partnership to make the Main Thing the main thing,
3. Sending ten outstanding lay delegates (and two alternates) to General and Jurisdictional Conferences to represent Louisiana Methodism,
4. Raising up a new crop of passionate spiritual leaders for the advancement of the Church's mission,
5. Creating a playbook of CBOL position duties and responsibilities as we prepare for the quadrennial changes in 2012, and
6. Moving aggressively into new church directions and actions for effective witness.

Some Concerns that we have as a Board are:

1. Finding the leadership and energy for the great challenges before us to help guide the transformation of the UMC.
2. Funding the many plans we have for a transformed future.
3. Remaining faithful to the mission despite the challenges before us.

DLL Eloise Cox summed up our work best by describing her district's hope as "fanning the flames for the fire of evangelism." Let's hope those flames enable more and more

people each year “to see the light.” Thank you for the privilege of serving as your Conference representatives of the laity of Louisiana United Methodism.

Sarah S. Kreutziger, Conference Lay Leader
Joyce Robinson, Associate Conference Lay Leader

LAY SPEAKING MINISTRIES

The hundreds of people that have gone through lay speaking ministries training are actively involved in churches across the conference. We continue to promote lay speaking ministries courses as a way for laity to receive training in becoming better servants and leaders to the world around us. Beyond taking the basic course, there are over a dozen advanced courses in more specific areas such as worship, preaching, storytelling, evangelism, prayer, caring, missions, etc.

Courses were held across the conference in 2010. We hope to be able to offer basic, basic refresher, and advanced courses in every district each year. If the time/location/topic in your district doesn't work out for you, feel free to take courses in other districts.

Lay speakers should also be reminded that they need to turn in a report each year and to take courses (at least one every 3 years) if they want to retain their active status. Lay speaking ministries is not a certificate to put on your wall, but a process in which you become a more faithful and devoted servant in Christ's name. In becoming a lay speaker, you are saying that you want to learn more about how to be a better Christian and take leadership in ministering to others. Leadership requires responsibility.

Clergy, PLEASE call upon our lay speakers to serve in the areas of ministry in which they are gifted/called. Too many lay speakers become trained, only to sit by the phone waiting for a call that too rarely comes.

Since the Certified Lay Minister program has now gotten underway - and you need to be a certified lay speaker to enter that program - we hope that lay speaking can serve as a launching point for those wanting to be even more involved in the ministry of the church. More information on the CLM program can be found at the conference website.

CONFERENCE COUNCIL ON YOUTH MINISTRIES

This year has been a productive one for the Louisiana Conference youth! We kicked off the year with our new theme, “Let's See Some ID: Eyes on God, I am a Believer, I show my Identity.” For the first time, DCYM Leadership Training was held at Centenary to transition easily into Annual Conference. At the event, youth from each district split into groups to spend time in various workshops highlighting different aspects of leadership.

The back-to-school event, Fall Convo, underwent a facelift, which included schedule changes and a new name — Youth Ignite! Junior High retreat was a huge success. Because attendance was so high, the retreat will be split into two separate weekends for 2011.

The Youth Service Fund (YSF) debuted new products at Youth Ignite and the retreats, such as sweatshirts with the Methodist cross and flame!

Due to scheduling conflicts and bad weather, the winter planning meeting was rescheduled for late February, but the CCYM youth and adults were productive despite those setbacks! We reviewed evaluations from our recent events, concluding that we succeeded in providing a fun, Christian atmosphere at each of our events.

Goals for the upcoming year include maintaining the success of junior and senior high retreats and continuing development of both DCYM Leadership Training and Youth Ignite!

Alyson Gaharan, President

LOUISIANA UNITED METHODIST HAPPENING

The Happening is a spiritual retreat which continues to renew youth and adult's spiritual life and provides a great weekend for participants. Each year two Happenings are held and staffed by mostly youth. Happening applications are available on the Happening website: <http://www.laumchappening.com>

Accomplishments and celebration of work completed

- The Happening is in its eighteenth year of offering its gifts to youth with over 1,400 folks attending.

Goals that are a priority for the upcoming year

- Making the Happening experience available to all youth in the Louisiana Conference.

Concerns and challenges facing board or agency

- The ever rising cost of holding the Happening.

Madeline Blackwood, Chair

DAUGHENBAUGH MATHENY SCHOLARSHIP FUND

The Daughenbaugh Matheny Scholarship Fund made the transition to the 2008-2012 Quadriennium with accomplishing all but one of our goals thus far. The ultimate goal reached was the production of a DVD that shares information about the impact of the Daughenbaugh Matheny Scholarship on previous and current recipients.

The continued support of Lynette Viskozki of the Financial Aid Office at Centenary College and Monique King, Financial Aid Counselor at Dillard University has been exceptional. The Daughenbaugh-Matheny Scholarship benefits Louisiana United Methodist students at both Centenary College and Dillard University, our two United Methodist institutions of higher education.

We gave twenty-three scholarships for the 2010-11 school year of \$1500 each. This is five more than the previous year. Centenary College had fifteen recipients with the following breakdown: six were first year recipients, three were second year recipients, three were third year recipients and three were fourth year recipients. Dillard University had eight recipients with the following breakdown: four were first year recipients, two were second year recipients, and two were third year recipients.

Our goals for 2011-2012 are to:

1. Continue to publicize the Daughenbaugh Matheny Scholarship in each district.
2. Continue to pursue the listing of this scholarship on Dillard's web page.
3. Increase the number of applications and recipients.
4. Raise \$70,000.00 for an endowment.

One of our previous goals was obtained when Centenary listed this scholarship on their web page. We are still attempting to secure a \$100,000.00 endowment with the Louisiana Methodist Foundation. We only need \$70,000.00 more to achieve our goal. Once we have the endowment in place we can use the interest to help fund our scholarships. We invite all United Methodist to help us support higher education for our children.

We continue to encourage every Louisiana United Methodist student attending either Centenary or Dillard to apply for the Daughenbaugh Matheny Scholarship. The scholarship can be renewed annually while attending one of these institutions by maintaining a 2.5 GPA and participating in the local church.

With the Lord's help we will continue to support Louisiana United Methodist students who seek to receive their higher education while attending Centenary College or Dillard University.

Carolyn Dove, Director

BOB LAY MEMORIAL 1000 CLUB

The Bob Lay Memorial 1000 Club was initiated under Conference Lay Leadership in 1952. This unique program's main goal was to provide funds to help build new churches in the Conference. Laity were called on to contribute three (3) times annually to support new United Methodist Church congregation's development. Some churches still support new United Methodist Church congregational development. Some churches still do the three (3) calls a year, but the 1000 Club allows flexibility to do what each District would like.

Many new churches have resulted from the effort of the faithful United Methodist laity who have contributed unselfishly.

This past year, a committee was appointed to look at the 1000 Club bylaws and recommend to the Laity any changes, if needed. The Board of Laity has reviewed and suggested minor changes.

The 2009-2010 recipient was The Well UMC and they have made tremendous progress. The 2011 Call is for New Song UMC.

A sample brochure is being developed by Rev. Steve Stephens, Conference Director of Church Extensions and Transformation, who will also have the brochures printed. I am grateful and thankful for his help.

With the economy as it is, funds have come in somewhat slow, but thank God, they continue to come in. Most Districts have reached their goals for the year. I would like to thank you LAITY for your help. Without you, the 1000 Club could not be successful.

UNITED METHODIST MEN

UMM has made great strides since our last Annual Conference. Gard Wayt, President

UNITED METHODIST WOMEN

“The organized unit of the United Methodist Women shall be a community of women whose Purpose is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.”

Accomplishments and Celebration

What a year we had! I am pleased to report that we remain true to our PURPOSE and to our MISSION as we celebrated United Methodist Women Sunday with the theme: **“Faces of Mission”**. This was the theme that we celebrated for Annual Meeting in 2010 and we continued it for UMW Sunday in 2011. Throughout the conference we honored missionaries, some who served abroad and some who serve in their local communities.

We give thanks to God for the retired missionaries who have given so much of their time and their lives to serving others. We recognized and honored thirteen Retired Missionaries residing in Louisiana at our Annual Meeting at **First United Methodist Church in Natchitoches, LA**. These persons served in Japan, Sierra Leone, Liberia, Brazil, Mexico, Nigeria, India and the United States. Jesus invites us to love God and to serve others and we thank God for: **Gretchen Elston Benner, Doretha Brown, Rev. M.C. & Rosemary Cady, Margaret Wade Campbell, Rev. Ester Hammond, Juanita Ivie, Carolina Labrada, Jerrell H & Joyce B. Mathison, Rev. John R. Johns, Rev. Carlos & Saroj Welch**. At our Banquet on Friday evening, we had a Mission Moment with **Rev. Carlos and Mrs. Saroj Welch**.

Again, we thank God for our Chairperson, **Carolyn Dove** and Co-chairperson **Evelyn Evans** and all the ladies of the Alexandria District. They did an excellent job of making us feel welcomed.

Also, at our Annual Meeting, we honored **Nancy Carruth** for her outstanding service to the United Methodist Women and for her service to women, youth and children. **Barbara Ferguson**, Social Action Coordinator was recognized and received the "Outstanding United Methodist Woman of the Year Award" for spearheading our "Letter Writing Campaign" and our Woman of the Year Award went to **Phyllis Zansler** for her tremendous contribution to the New Orleans District. We congratulate all of the recipients for outstanding service to the United Methodist Women.

For 2010, our Executive Committee approved the recommendation for the Charter for Racial Justice Social Issue to be **Haiti**. We made an appeal to all of our units and districts to make an added contribution to Haiti. We reported at our Annual Meeting that the Louisiana Conference United Methodist Women gave over \$21,000.00 to Haiti. Thank you very much for your generosity.

Our Annual Meeting also saw the retirement of officers and installation of new officers. Retiring officers were: **Laurie Seeger who retired after two years as Treasurer and Barbara Ferguson who retired after four years as Social Action Coordinator**. Committee on Nominations persons leaving were: **Jonelle Walker who served four years, Patricia Watson served four years and Shannon Rachal served two years**. Also, **Ouida Smith served two years as Chairperson of Committee on Nominations**. She will be leaving as chairperson but will remain on the Committee on Nominations. All of these ladies have served us well and we give them our thanks.

We installed **Judy Willis** for another term as Vice President, **Brenda Marks** for Treasurer, **Juanita Lagard** for another term as Spiritual Growth, **Laura Salguero** as Social Action Coordinator and **Carrie Roy** as Chair, Committee on Nominations. Also, joining the Committee on Nominations are **Judy Nugent and Bettye Watson**. We welcome all of these ladies to our team.

In April we journeyed to **St. Louis, MO** to **Assembly 2010** by conference bus, airplanes and automobiles. What a time we had as over 7,000 women from all over the world, from

many cultures and nationality and many countries, from the able bodied to the disabled, from the underprivileged to the privileged, gathered at **America's Center** to celebrate, **"Faith, Hope, Love in Action."** The Louisiana Conference was well represented with 59 persons in attendance.

Annual Conference was held in June and I represented the United Methodist Women at the Laity Session on Monday. **I represented a Sudanese woman as a part of my UMW report.** I was also a **teller** and I gave the closing **prayer** at the end of the morning session on Tuesday. Also, we had a **DISPLAY** table on Health issues about women which tied into the Conference theme.

The Louisiana Conference hosted the **West Gulf Regional School** at Dillard University again this year. I wish to thank ALL of the members of the Executive Team as well as the New Orleans District who made the experience for our guests a very enjoyable one.

Our School of Christian Mission was held from Wednesday, July 21, 2010 – 12:00 noon on Saturday, July 24, 2010, at the Wesley Center. Our Spiritual Growth Study was *"For the Love of God, The Epistles of John"*. Our Social Issue Study was, *"Joy to the World: Mission in the Age of Global Christianity"* and our Geographical Study was back again from last year and it was, *"The Beauty and Courage of Sudan: Why a Dream of Peace is Possible"*. Like the adult study, *"Joy to the World"* was also our youth study. We want to thank the **Dean, Dolores Giles and Assistant Dean, Judy Willis** and all of our study leaders, musicians, executive team and everyone who participated in making this School of Christian Mission a great success.

Goal

Our Charter for Racial Justice Issue in 2011 is DOMESTIC VIOLENCE. The Conference United Methodist Women and United Methodist Men, as well as Conference Board of Church and Society and the Louisiana Coalition Against Domestic Violence have teamed together to bring awareness to this very important issue. We plan to provide training and education to the United Methodist congregations. This issue is supported by The Council of Bishops of the United Methodist Church.

We will continue to obey the Great Commission to go into all the world with the salvation story of Jesus Christ. We will continue to care for the needs of others here on earth as we feed the hungry, provide shelter and clothing to those in need by transforming lives.

We thank God for all of you and each of you for your commitment to the United Methodist Women. We continue to draw strength from you and we continue to pray for GOD'S GRACE on this ministry as we continue to do HIS WILL.

COMMISSION ON ARCHIVES & HISTORY

The focus of our efforts in 2010 was to digitize the Louisiana Conference journals and make them available online. We began with the earliest issues available from the Methodist Episcopal Church, South, the Methodist Episcopal Church, and the Methodist Protestant Church. Having the journals available online, along with the thousands of issues of the New Orleans Christian Advocate posted online a year ago, allows churches across the conference to research the history and heritage of our conference more easily and inexpensively. We plan on continuing the digitization project by continuing to digitize conference journals in 2011.

Our archivist, Chris Brown, is working hard to preserve our materials at Centenary. Since they are storing important materials in the non-climate-controlled attic, we hope that the college finds a way to better protect our materials. It is a concern that we have thousands of pieces of material stored in the library's attic.

The maintenance of an Archives & History website <www.iscuo.org> is an ongoing process. Numerous resources on our heritage can be found there. For churches needing to research their histories, the website is a good place to start. It contains the links to access both the New Orleans Christian Advocate and journal PDF files.

We'd like to remind everyone once again that a petition was passed after Katrina requiring churches to send copies of their records and vital documents/images to the archives for safekeeping. More information about making digital copies of church records is available at the Archives & History website <www.iscuo.org>. With the ever-present threat of hurricanes, fire, tornado, etc., we need to make sure we have our historical information available for our future.

COMMISSION ON CHRISTIAN UNITY AND INTER-RELIGIOUS CONCERNS ACCOMPLISHMENTS AND CELEBRATION OF WORK COMPLETED

- We gave the first two awards for "Leadership in Cooperative Ministry" in November 2010: The congregational award went to St. Luke Simpson UMC for their "Manna Ministry". The individual award went to Rev. Erika Jenkins.
- We awarded one \$100 "Grant to Foster Church Cooperation" to Camphor Memorial UMC for an 8 church event in their community.
- For the week of Prayer for Christian Unity, we distributed a bulletin insert to all UM churches in Louisiana, which could be used to help members participate in the event.
- We sent 2 participants to the National Council of Churches Centennial meeting in New Orleans.
- We participated in the Louisiana Interchurch Conference in March 2011.

GOALS FOR THE UPCOMING YEAR

We successfully started the new award program which replaced the "Ecumenical Breakfast" as a way to highlight/encourage ecumenical and interfaith work in our

conference. This year we will work to improve and systematize the three phases of the award program: nominations, selection, and awarding at the local church.

VISION

- **PROMOTE COOPERATION:** Promoting ecumenical and interfaith cooperation among the diverse faith communities in Louisiana.
- **INFORM AND EDUCATE:** Informing and educating members of the Louisiana Annual Conference about mutual agreements and cooperative work being done among the diverse faith communities in Louisiana.
- **REPRESENT AND PARTICIPATE:** Representing the Louisiana Annual Conference in ecumenical and interfaith gatherings, and participating in ongoing work.

John G. Deschner, Chair

At the request of L.I.C. the Commission on Christian Unity and Inter-Religious Concerns presented the following resolution (Bread or Stones) to the LA Annual Conference which approved this resolution on June 7, 2011.

“BREAD OR STONES” For Louisiana Children

Approved at the LOUISIANA INTERCHURCH CONFERENCE (L.I.C.)

Annual Assembly on March 15, 2011

The L.I.C. calls upon each member denomination to pass this resolution

WHEREAS OUR Lord says: “Whoever welcomes one such child for my sake welcomes me. On the other hand, it would be better for anyone who leads astray one of these little ones who believe in me, to be drowned by a millstone around his neck, in the depths of the sea. What terrible things will come on the world through scandal!” (Mathew 18:3-7) and

WHEREAS Jesus asks: “Would one of you hand his son a stone when he asks for a loaf, or a poisonous snake when he asks for a fish?” (Matthew 7:9-11) and

WHEREAS THERE ARE 1,123,386 CHILDREN IN Louisiana and one in four (25%) of these children live in poverty and 29% of these children under the age of 5 are poor (Kids Count Data Center 2009, Annie E. Casey Foundation) and

WHEREAS Louisiana ranks in the bottom 10 states nationally on every single Kids Count child well-being indicator: Percent low birth-weight babies, Infant mortality, Child death rate, Teen deaths, Teen birth rate, Percent of teens who are high school drop outs, Percent of teens not attending school and not working, Percent of children in unemployed families, Percent of children in poverty, Percent of families with children headed by a single parent (2009 Kids Count, Annie E. Casey Foundation) and

WHEREAS “Life for children in Louisiana remains riskier, harder and poorer than in other parts of the country...” (The Houma Courier, June 20, 2000) and

WHEREAS THROUGH OUR INDIFFERENCE TO THE PLIGHT OF Louisiana’s 290,000 children living in poverty we have created the very scandal that our God warns against (Matthew 18:3-7) and that asking for bread, we have handed these children of Louisiana stones (Matthew 7:9-11) and

WHEREAS WE FIRMLY BELIEVE THAT SINCE “CHILDREN TOO ARE A GIFT FROM THE Lord” (Psalm 127) our treatment of children is a measure of our fidelity to the Lord himself

THEREFORE BE IT RESOLVED THAT the Louisiana Interchurch Conference commits itself to **improving Louisiana’s Kids Count ranking by targeting for improvement specific indicators of child well-being** so that eventually our ranking will improve from the 49th worst state in the country in which to raise a child. We can reach this goal by **working collaboratively to create the religious, civil and political will to do so**. The Board directs the LIC Public Policy Task Force to create an implementation strategy within six months. The Board further **calls upon each member denomination to pass this resolution** and invites other faiths to do the same.

COMMISSION ON RELIGION AND RACE

As new chairperson of this commission, my focus will be to reorganize and train our commission this year. After we complete our training, we will work with the General Commission on Religion and Race and the Louisiana Conference on training to inform and mobilize clergy members to assist in the recognition and eradication of racism. We will revisit the concerns that were raised in last year’s Annual Conference report.

Charles E. Hill, Chair

COMMISSION ON STATUS AND ROLE OF WOMEN

A. We celebrate the following:

The 2010 Annual Conference Luncheon was very successful, with 125 in attendance. Rev. Amy Mercer was our speaker and she drew our attention to the situation of violence on the border with Juarez and presented some opportunities for Service.

During the luncheon we recognized 6 women who completed the course of study, one who was commissioned elder, one who was ordained deacon, and 3 who were ordained elder.

This year’s Sojourner Truth Award recipient was Mrs. Joyce Robinson of St. John’s UMC in Baton Rouge, who has a great record of involvement in the

community, church, and world in ways that represent Sojourner Truth and her ideals.

As we looked at the monitoring that had been done in previous annual conference years, we found that the Louisiana Annual conference is doing an excellent job of being inclusive of women, minorities, laity and young adults in all its functions where individuals get to select who participates.

We contributed funds to the Jurisdictional Clergywomen's consultation which Louisiana hosted in March 2010, which is a way that we can help meet the general church's goal of raising up spiritual leaders.

Louisiana is continuing to care for children with the enforcement of the Safe Sanctuary policies in local churches and also continuing to address the problems and needs involved in responding to churches or persons facing the crisis of sexual misconduct or abuse.

B. We anticipate working toward the following goals in the coming year:

We plan to study the composition of the leadership of our boards and agencies, as many of the persons who speak at Annual conference do so because of their various roles and it was noted during monitoring that most of those were male and white and older, though there was good representation of laity in leadership roles.

We will also look at the make up of our jurisdictional pool. Both the laywomen and the clergywomen were excited about the possibility of a joint lay women/clergy women's retreat when it was brought up at the luncheon, so we hope to work toward that end.

We will discuss and plan some ways to be in ministry with the poor.

C. Concerns and challenges:

One of the main challenges of this commission continues to be attendance at meetings. Even when they are held via teleconference so persons do not have to travel we only get a small number to attend, which leaves a number of persons doing the majority of the work.

Another challenge is finding creative ways to do effective ministry on less than \$1000/year.

D. There are no items for action at this time.

Rhonda E. Feurtado, Chair

HISPANIC/LATINO MINISTRIES

Under the auspices of the Hispanic/Latino (H/L) Ministries Committee, the H/L Community Centers continued emphasizing three main areas: 1) Expansion of the community ministries, 2) Leadership development, and 3) Congregational development. These areas are within the mandates from the General Conference for this quadrennium.

Expansion of Community Ministries/Congregational Development

The Hispanic/Latino Community Centers located in existing UMC churches (First Grace, Covenant and El Mesias) continued offering many programs, including English as a Second Language (85 students are enrolled at Covenant and 112 at First Grace UMC), Spanish classes, Computation classes, General Equivalency Diploma (GED) classes at El Mesias (20 students are enrolled in this program), Bible Studies, job referrals, health care, child care, translations, etc. These programs are addressing the needs of the Hispanic/Latino community and developing strong relationships with the immigrants.

El Mesias UMC in Kenner, the only Hispanic/Latino church in the Louisiana Conference, continued expanding and upgrading the programs/services offered to better serve more Hispanics and Latinos. It holds Bible studies, a Sunday worship service with an attendance of about 70-95 people, and Sunday School classes (one for adults, three for children, one for youth and adolescents, and one for new members).

Other community outreach services are also offered by the 3 Community Centers, including weekly radio programs in Spanish (once a week and on special occasions it is offered in Portuguese as well), health fairs, semi-annual health surveys, College fairs, motivational conferences, Pastoral care, medical and legal interpretations. Translation services are also available on an as-needed basis. Rev. Samuel Calvo and our three missionaries for Hispanic/Latino ministries are sharing the hosting duties of the radio program. Individual and family counseling are available at the church and centers. Food and clothing are provided to anyone in need.

Our Hispanic/Latino Ministries Committee continued developing strategies to educate others in our Annual Conference about the need to recognize and develop Hispanic/Latino ministries. To overcome the language barrier, Spanish classes are already being conducted at the Community Centers to help clergy and lay persons learn Spanish.

Leadership Development

Under the leadership of Missionary Oscar Ramos, efforts are underway for the H/L Centers to become a 501.c3 organization. A sub-committee was formed to work on the structure and by-laws of this new organization. So far, board members were selected; all necessary documents were submitted to the Louisiana Department of State and subsequently approved. The next step involves preparation and submission of appropriate documents to the IRS to obtain the Tax Exempt Number and the Employer Identification Number for the organization. The board will focus on the need for education in the H/L community and the need to create a culture of education among the H/L community. The new organization will be named The Seed: Hispanic/ Latino Center for Educational Development.

GBGM Missionary Oscar Ramos completed, presented, and successfully defended his doctoral dissertation at Drew University School of Theology. He is expected to receive his Doctor in Ministries degree in May 2011. GBGM Missionary Maribel Calvo is a certified clergy candidate in the Charge Conference and is enrolled at the Garrett Evangelical Seminary.

Overall Accomplishments

- Continued providing and enhancing the awareness of the United Methodist Church presence in the Hispanic community in the Chalmette, New Orleans and Kenner areas.

- Established faith communities that are already experiencing additional membership to related UMCs.
- Achieved increase in worship attendance at El Mesias UMC (current attendance fluctuating from 70 to 95 people). Worship attendance is 35 people at the First Grace Center and 12 at the Covenant UMC Center.
- Continued improving the quality of life of many Hispanic/Latinos in distress.
- Continued enhancing interest and support to the emerging youth ministries. Louisiana youth representatives continued participating in the training and activities of Hispanic Youth Leadership Academy
- Continued achieving definite performance enhancement in the areas of leadership development and congregational development

LOUISIANA CONFERENCE NATIVE AMERICAN MINISTRIES (LACONAM)

Louisiana Conference Native American Ministries celebrates the successful support of many United Methodist Churches who worked with Bishop Hutchinson, Rev. Don Cottrill, Rev. Darryl Tate, Rev. Ed Boyd, and Rev. Romanalynn Bethley who worked to support Buras, Trinity, Golden Meadow-Grand isle, and Clanton Chapel during the BP Oil Spill in their effort to help congregations, communities, oil clean-up workers, and those affected by this disaster. As a result of this great support at a time of national disaster, the front line churches were beacons of hope during this difficult situation. WE celebrate the continued recovery of our communities and churches after this disaster and pray for recovery of our environment and economy. We continue to celebrate our Multicultural Ministries under the leadership of Rev. Juan Huertes and the inclusion of the Louisiana Conference Native American Ministries in this excellent supportive office of the Louisiana Conference. WE celebrate the uniqueness of the Clanton Chapel Ministries and Clanton Chapel Preschool, and the Ministries of the Dulac Community Center. WE are grateful and continue to celebrate the support of the Native American Ministries Sunday offering which helps Clanton Chapel and the Dulac Community Center, the only two Native American Ministries in the Louisiana Annual Conference. They are separate, unique and autonomous ministries, but are complementary in serving the area of Dulac. WE celebrate all the churches, colleges, and organizations that continue to come to work through the two VIM programs to help the residents affected by hurricanes and poverty. We celebrate the opportunity to send two Native American United Methodists to Leadership Training in Minneapolis, Minnesota in July 2010.

Goals that are a priority next year include expanding the Clanton Chapel and Dulac Community Center VIM programs. Due to the poverty of the area and seasonal jobs, Clanton Chapel will work with churches to provide home repairs to the “working poor” of the area. Clanton Chapel hopes to have the three elevated housing trailers in operation before the summer of 2011. In order to provide financial support to Clanton Chapel, a

number of churches are helping to repair and improve the R/V park so that more United Methodists can come to Dulac to volunteer to work, go fishing or to become more familiar with the needs of the church and community. LaCoNAM hopes to continue working with the Native American Comprehensive Plan and the Native American International Caucus of the United Methodist Church to continue the development of leadership within the Native American United Methodist membership. LaCoNAM will continue to strive to clarify the unique identities of our two Native American Ministries in the Louisiana Annual Conference that are separate and autonomous: Clanton Chapel and Clanton Chapel Preschool (Conference Advance Special) consists of those Native Americans who became United Methodists, and Dulac Community Center, an agency of the Board of Global Ministries, and related to the Louisiana Annual Conference.

Concerns and challenges: LaCoNAM needs more Louisiana Conference United Methodist Churches to appoint a member from each church to support and coordinate Native American Ministries Sunday so that Clanton Chapel and the Dulac Community Center are adequately supported by each church in the Louisiana Annual Conference. Information is readily available on each of the two ministries. At present LaCoNAM has a number of members from Clanton Chapel to train Native American United Methodists into leadership roles, but we are continually asking that more Native American United Methodists in the Louisiana Conference and other United Methodists consider serving with LaCoNAM.

Items for action by the Louisiana Annual Conference: The Louisiana Conference Native American Ministries (LaCoNAM) would like to request that the Louisiana Annual Conference continue to support LaCoNAM, the Multicultural Ministries Office, Clanton Chapel, Clanton Chapel Preschool, and the Dulac Community Center. We are asking the continued support of Bishop William Hutchinson, the Cabinet, our clergy and laity. LaCoNAM would like the Annual Conference to continue to support the United Houma Nation for Federal Recognition, and the continued support of the Morganza to the Gulf Hurricane Protection Levee System so that south Louisiana and our ministries can continue to serve Our Lord for many more years in Dulac.

BOSTON UNIVERSITY SCHOOL OF THEOLOGY

Greetings from Boston University School of Theology, one of your United Methodist partners in mission! We thank you for your prayerful support of us through the past year, and will share some new developments in our School.

News flashes from the School!

- **New Faculty:** We welcomed three new faculty this year and they are already contributing mightily to the life of STH. *Dr. Walter Fluker* is the Martin Luther King, Jr. Professor of Ethical Leadership. He teaches exciting courses, consults with international organizations on ethical leadership, and leads the Howard Thurman Papers Project, now based at STH. *Dr. Christopher Evans* is Professor of the History

of Christianity and Methodist Studies. He brings expertise in American Christianity and the history and theology of Wesleyan traditions. Besides, he is a great teacher. *Dr Courtney Goto* is Assistant Professor of Religious Education, reviving the STH program in educational ministry with her distinctive interest in teaching and the arts. She has recently studied the artful ministry of her Japanese-American UMC congregation, especially its sanctuary art, worship, and Japanese garden.

- **New Curriculum:** The new curriculum – “Faith Engaging the World” – has arrived, and we are discovering the potential of this curriculum to prepare spiritually-centered, prophetic, intelligent, practical religious leaders who can contribute to renewing and transforming the church and the world. Not only are M.Div. and M.T.S. students benefitting from the new curriculum, but we have also launched our new one-year Master of Sacred Theology program for military chaplains, responding to their increasing needs to address issues of ethics, trauma, and conflict transformation.
- **Church Connections:** United Methodist Women will read two books authored or co-authored by our faculty in the UMW Mission Studies this summer: Dana Robert’s *Joy to the World!: Mission in the Age of Global Christianity* and Stephanie Hixon and Tom Porter’s *The Journey: Forgiveness, Restorative Justice and Reconciliation*. In addition, Bryan Stone and his students continue to initiate and support new church starts; several of our faculty and students have spoken or consulted with church boards and agencies; and our graduates are giving strong leadership in their home churches and conferences.
- **Global Connections:** Travel seminars have studied this year in Ephesus (modern Turkey) and Russia, and the School has collaborated with people in Korea, China, South Africa, Norway, and Australia. Dr. Thomas Thangaraj has been Visiting Professor in Global Christianity and Mission, teaching courses in Images of Christ and Christian Encounters with Hinduism. Professor Dana Robert, Truman Collins Professor of World Christianity and Mission, delivered the opening keynote address in the 100th anniversary of the Edinburgh World Missionary Conference and in the opening convocation of the 2010 Boston Conference: *The Changing Contours of World Mission and Christianity*. The Reverend Canon Ted Karpf, recently of the World Health Organization, has joined our team as Director of Development. He is already building new global connections that will challenge and stretch us!
- **Contextual Engagement:** The School received a grant of \$200,000 to support its LINC program – Learning in a Nexus of Communities. We continue to build partnerships with local churches and service agencies, as we contextualize theological education at STH. We are grateful to the Arthur Vining Davis Foundations for supporting these efforts.
- **Community Building:** Community life is buzzing with dynamic weekly worship, followed by a community meal, and with daily morning prayer. We have expanded our efforts to strengthen community and spiritual life with the addition of a Spiritual Life Coordinator, the Reverend Robin Olson, and the addition of a Coordinator of Communications and International Student Life, Philippa Mpunzwana.
- **Sustainability Charge:** We have charged ourselves to build toward greater sustainability, having implemented energy conserving practices, designed a green

community center for our basement, and launched an intentional living community for some of our students in the “Green House.”

Still to Come!

- **New faculty searches:** We are presently searching for faculty in preaching, pastoral theology, and history of Christianity.
- **People’s History:** The STH People’s History Project continues, and we have had some wonderful oral history interviews with alums this year. Contact the Alumni Office if you are interested in sharing your story with us: (617) 353-2349.
- **Lifelong Learning:** Our work in lifelong learning has just begun, but we have begun collaborations with churches and other educational institutions to respond to the needs of local churches, clergy, and lay leaders. We welcome your ideas.
- **Alumni Networking:** We are decentralizing alumni activity to conferences and regions in order to facilitate the exchange of ideas, knowledge and collaborations. Jaclyn Jones is the point of contact for these efforts to stimulate the connection between alumni and Boston University School of Theology. Jaclyn is reached at sthalum@bu.edu.

We are abundantly grateful for our BU graduates and friends in your conference, and also for our church partners throughout the United Methodist connection. We continue to pray for you and we welcome your prayers for us. We are in this ministry together!

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology prepares *real* people to make a *real* difference in the *real* world. Our distinctive commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concern. As a school located in the major metropolitan area of Atlanta, Candler offers students a learning laboratory that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler’s student body continues to reflect the diversity and breadth of the Christian faithful. Our enrollment stands at 469, with 358 seeking the Master of Divinity, 67 the Master of Theological Studies, 16 the Master of Theology, 14 the Doctor of Theology and 14 enrolled as Special, Non-Degree students. The total student population is 25% US

ethnic minority, 9% international, and 52% women. Forty-six denominations are represented, with 52% of MDiv students being United Methodist. The median age of our entering class of MDiv students is 26, with 57% of total enrollment under thirty.

A hallmark of the Candler MDiv experience, the two-year Contextual Education program shapes our students' pastoral identities by interweaving service at ministry sites and churches with academic analysis in the classroom and spiritual reflection in pastor-led small groups. In any given week, Candler deploys more than 250 ConEd students throughout the region to minister to people in congregations, hospitals, and social service agencies.

Despite today's challenging economic climate, Candler remains committed to making theological education financially possible for our students. Although our operating budget essentially remained flat this year, we increased our total financial aid investment to over \$5 million. Eighty-three percent of eligible students received Candler-based financial aid, with the average award covering 76 percent of tuition.

Candler draws considerable vitality and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you strengthen this essential ministry in the life of our denomination. We invite you to visit us in person in Atlanta or online at www.candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

CENTENARY COLLEGE

Accomplishments & Celebrations 2010-2011

As Centenary College is just beginning to see the hints of Spring arrive on campus with our azaleas blooming, it is with great pride that we reflect on all that we have accomplished within the past year.

Centenary upheld its high level of recognition in the media by being named to nationally ranked lists. The College recently received the regional *School of the Year* award for residence life at the Southwest Affiliate of College and University Residence Halls 2011 No Frills business conference. The College is one of the nation's best institutions for undergraduate education and one of the "best" Southeastern colleges according to *The Princeton Review*. The College is featured in the just-published 2010 edition of its annual book, *"The Best 371 Colleges."* For the third consecutive year, Centenary College of Louisiana has been named by Forbes.com as one of "America's Best Colleges" for 2010, receiving a ranking of No. 327 out of 610 of "the best public and private colleges and universities — from the student's point of view." Centenary is one of 133 institutions receiving the "Best" in the Southeastern designation in the *2011 Best Colleges: Region by*

Region and one of *The Best 373 Colleges* in the country for undergraduate education. The College has consistently been on the select list since 2004.

Our professors, alums, and retirees maintain a level of excellence in their professional lives that continues to be a source of pride for the College. Dr. Dana Kress, professor of French at Centenary, was selected as the recipient of the 2011 Humanist of the Year award. Presented by the Louisiana Endowment for the Humanities, it is the highest recognition for Louisianans who have made outstanding contributions to the study and understanding of the humanities. Also, the French Ambassador to the United States, Pierre Vimont, made his first trip to northwest Louisiana to bestow the title of Honorary Consul of France on Dr. Kress. Dr. Kress now represents the French republic under the authority of the Consul General in Louisiana and further promote the relationship between Louisiana and France. Our President Emeritus Dr. Donald Webb was likewise honored by the Samaritan Counseling Center of Shreveport-Bossier for his service to the community, which spans more than twenty years, by receiving the 2010 Samaritan of the Year Award. Three alumni from Centenary College were recognized by the Greater Shreveport Chamber of Commerce by being named to their annual “40 Under 40” list. The “40 Under 40” award honors successful young professionals from northwest Louisiana for their outstanding professional achievements, experience, innovation, leadership, and community involvement.

Throughout this year, our students have inspired us with their ability to uphold the standard of transforming their lives for the transformation of the world. In the fall, Centenary welcomed the Class of 2014, 192 students from a total of 14 states (65% are Louisiana residents). It is a great group of students, 46% men; 54% women; 32% minority. The incoming first-year students had an average ACT score of 24 or average SAT of 1110 and an average Core GPA in High School of 3.55. Many of these young leaders are already making a great impact on campus.

Chorale, the chamber choral ensemble from the Hurley School of Music, was invited to perform at the National Convention of the American Choral Directors Association, March 11, 2011 in Chicago, Ill.

For Halloween, Centenary College worked with First United Methodist Shreveport, Grace Community UMC, and Noel Memorial UMC to offer “Methodist Madness” a family-friendly carnival for families in the Shreveport-Bossier City community on the Centenary campus. The event was a success, drawing more than 2,000 parents and children to the event. In the fall of 2010, the College worked with the editor of Louisiana NOW!, the Conference newspaper, to distribute a special edition of the NOW! that outlined the College’s on-going effort to strengthen our connection. This first-ever publication went out December 17, 2010 with the lead story “Centenary Gives Back.”

This year has also wrought great things from our Christian Leadership Center. The Center held its 5th Annual Fundraising Dinner at First United Methodist Church on February 2nd during Centenary’s Homecoming this year. Adam Hamilton, Senior Pastor of Church of the Resurrection was guest speaker at the Christian Leadership Center’s dinner, as well as a Young Clergy event held on campus, and Centenary Sunday at Asbury United

Methodist Church in Bossier City, Louisiana. The College had the opportunity to honor Centenary alumnus and Conference retired clergy member William E. “Wishy” Nolan as well during Homecoming. Planning is already under way to make the 6th Annual Fundraising Dinner just as much of a success as previous years with William Hutchinson, Bishop of the Louisiana Conference of the United Methodist Church, already scheduled as the keynote address speaker for Thursday, March 22, 2012. Beyond educational opportunities, the Christian Leadership Center has also been hard-at-work embracing this year’s theme of “Servant Leadership” by participating in various mission works. Last year, 131 students, faculty, and staff participated in one of the following mission opportunities: Providence House Carnival, MLK Health Center, Red River Revel, St. Luke UMC Shreveport Pumpkin Patch, Mount Sequoyah, Noel Methodist Giving Factory, Bahamas, Big Event, and the Willie Build.

The College celebrates the clergy families of the Louisiana United Methodist Conference who have entrusted the College with the education of their students. We are proud to count among our students Amanda Price (Wybra Price), Kenny Guin (Pam Crews), Kayla Klaus (Karl Klaus), Anesu Chigumira (Simon and Eunice Chigumira), Cody Wolfe (Leland Wade’s grandson), and two recent graduates: Noah O’Dell (Jack O’Dell) and Jason Harris (Trey Harris). Jason will begin theological studies at Asbury Theological Seminary in the fall. Methodist Ministers’ dependents are automatically eligible for a \$2,500 annual dependent financial award.

The College celebrates the fact that 20% of our students are members of United Methodist Churches, a percentage that has been consistent for the last 10 years. United Methodist students are eligible for up to \$2,500 per year in Methodist Grant money.

The College celebrates that 18.5% of our students are legatees, the sons and daughters of Centenary alumni. Centenary appreciates the fact that families send more than one generation to Centenary, so the College offers each of these students a Legacy Award of up to \$1,000 annually.

Vision and Goals

1. Transforming lives for the transformation of the world.
2. Defining church-related liberal arts education for the 21st Century.
3. Strengthening our connection with the Louisiana United Methodist Conference through increased communication and service.

Concerns and Challenges

Over the course of the next few years, the Louisiana United Methodist Conference will be reducing the direct payment to Centenary by \$50,000 per year until the direct amount going to the College is \$500,000 annually. When the Endowment for Centenary reaches \$1 million in 2018, the College will receive an annual draw of \$50,000, plus \$500,000 being gifted through apportionments, rather than the \$750,000 that the College received in 2010 and prior years. The creation of this \$1 million Endowment is a major statement of support for Centenary. We appreciate the Louisiana United Methodist Conference’s intent to provide on-going support for the academy. The Louisiana United Methodist Conference is the initial major donor to this endowment, but it is our hope that

individuals, churches and other groups will add to the Endowment through direct contributions, estate planning, deferred giving or other means of gifting. To replace the \$250,000 that the College received in prior years, the corpus would need to be \$5 million, which means we need significant help raising an additional \$4 million over the next few years.

Centenary continues to compete with Southern Methodist University, Texas Christian University, Millsaps, and Hendrix for students, so we need the support of the Conference to “close the borders” and keep more of our United Methodist students who are choosing private liberal arts education in-state at Centenary and Dillard. We hope to renew the call that President Emeritus Don Webb made so many years ago for “Each Church a Student.” If each United Methodist church in Louisiana would identify (at least) one promising high school student to send to Centenary, and support with financial aid, Centenary would have no problem meeting enrollment goals.

Items for Action

1. We request the Louisiana United Methodist Conference’s endorsement of the listed membership of the Centenary College Board of Trustees.
2. We appreciate the Louisiana United Methodist Conference’s financial support through apportionments and scholarships. This generosity affirms the churches’ dedication to higher education and to Centenary College of Louisiana.

DILLARD UNIVERSITY

Excellence and Heritage

Dillard University, a private, historically black school in New Orleans, has provided students with a quality, four-year liberal arts education since 1869. In 2011, U.S. News & World Report again ranked Dillard among the nation’s Top 10 HBCUs. Dillard’s beautiful 55-acre campus, replete with live oak trees and a mixture of historic and modern facilities, sits in the Gentilly community. In the wake of Hurricane Katrina, Dillard restored dozens of campus buildings and built two new ones, but that was just the beginning. Today, with a restructured academic program and a host of new partnerships and research initiatives, Dillard and its students are poised for success in the 21st century.

Ten-Year Reaccreditation

Dillard University recently received word of a 10-year reaffirmation – the highest level of accreditation – from its accrediting body, the Southern Association of Colleges and Schools-Commission on Colleges. “Although an enormous amount of hard work, the reaffirmation process was positive for Dillard University, as it helped to clarify and reaffirm our mission and strategic directions for the university,” said Dillard University President Dr. Marvalene Hughes in a letter to the school community.

Strategic Pillars

Dillard University's goals and objectives are to: 1) Be a premier private undergraduate university in its region and in the world of Historically Black Colleges and Universities; 2) Expand selectively into graduate studies, building on its best programs that also represent future projections of workforce needs; 3) Increase and enhance its commitment to and production of quality, useful research; 4) Infuse globalization into its curriculum so that it expands its reach to other languages, cultures and countries; 5) Demonstrate commitment to all students' success; 6) Develop student leadership training and enriched educational opportunities outside of the classroom to offer a balanced environment as part of the college experience; 7) Continue to attract and graduate talented African-American students, while welcoming those from a diverse background who can benefit from the unique experience we offer; 8) Demonstrate commitment to technology as subject matter, a teaching tool and the underpinnings of internal systems that are efficient, reliable and cost-effective; 9) Show fiscal integrity, with systems of financial and professional accountability and stability; 10) Engage in the revitalization of its home, New Orleans; 11) Develop and promulgate practices relative to the greening of its campus and promotion of environmental sustainability; and 12) Develop a Gulf Coast Public Policy Center.

Academic Restructuring

Dillard recently reorganized its academic offerings under a new four-college system that will enable the university to capitalize on future growth opportunities. The College of General Studies, designed as a two-year gateway program for all incoming freshmen, will improve graduation rates, enhance preparation for majors, and foster kinship among students. The College of Arts and Sciences houses the Department of Humanities, the Department of Social Sciences, and the Department of Science, Technology, Engineering and Mathematics (STEM). The College of Professional Studies houses the School of Nursing, the School of Public Health, and the School of Mass Communications. Finally, the Division of Business has been reconstituted as the College of Business.

Faculty

Dillard employs 82 full-time faculty members and 45 part-time faculty members. Sixty-eight percent of Dillard's talented faculty roster possesses a terminal degree. Many Dillard instructors are renowned in their fields and have been widely published. Recently, Dr. Steve A. Buddington, associate professor of sociology and social work, had a manuscript, entitled "The TRIO Program: Students' Academic Performance," accepted for publication in the Journal of the Research Association for Minority Professors. Dr. Hong Dai, associate professor of mathematics, recently had a book, "Advanced Statistics and its Applications," accepted for publication by Taishan Press in the Shandong Province of the People's Republic of China.

Alumni

Dillard alumni have achieved great success in fields as varied as music, business, education and politics. A few notable alums include: Dr. Ruth Simmons, the 18th president of Brown University and the first African American to be appointed president of an Ivy League institution; Cynthia Butler-McIntyre, the 24th national president of Delta

Sigma Theta Sorority, Inc.; Ellis Marsalis, an internationally acclaimed jazz artist and educator; Dr. Sheila Tlou, the former minister of health of Botswana; and the late Justice Revius O. Ortique Jr., the first African American judge to serve on the Louisiana State Supreme Court.

U.S. Attorney General Eric Holder Honors Dillard Alumnus Justice Revius Ortique

On Nov. 11, 2010, the Honorable Eric H. Holder Jr., attorney general of the United States, gave the inaugural Justice Revius O. Ortique Jr. Public Affairs Lecture on Law and Society at Dillard University. Holder, the nation's first African American attorney general, paid tribute to Justice Ortique, a civil rights pioneer and Dillard alumnus. Following the lecture, Dillard's new Mock Trial Center was dedicated in Ortique's name.

The Daniel C. Thompson/Samuel DuBois Cook Honors Program

The motto of the Daniel C. Thompson/Samuel DuBois Cook Honors Program is "Non scholae sed vitae discimus" – "Learn not for school, but for life." This philosophical basis declares the program's dual commitment to nurturing the intellectual potential of highly motivated students and to providing a moral and ethical framework for responsible social activism in a multicultural, global context. Since the program's inception in 1978, it has encouraged undergraduate research, student leadership initiatives, and innovative teaching models. Participants travel to conferences and seminars, work closely with faculty, and gain a competitive edge toward internships, graduate study and employment.

Dillard Named to ACE's *Creating Global Citizens* Project

The American Council on Education (ACE) has named Dillard University as one of seven institutions nationwide to participate in a new project, *Creating Global Citizens: Exploring Internationalization at HBCUs*, partially supported by the U.S. Department of Education. As part of the project, Dillard University will develop a strategic plan to internationalize its campus and curriculum. "Internationalization is key to the continued success of HBCUs," said President Hughes. "The *Creating Global Citizens* program will help Dillard students to broaden their worldview, while also helping them to compete in today's global economy."

Melton Fellows Travel to China for 2010 Symposium

Dillard University's Melton fellows traveled to Zhejiang University in Hangzhou, China, for the 19th annual Melton Foundation Symposium in September. The Melton Foundation is an organization that unites students from across the globe to engage in cross-cultural learning experiences. Its five member universities hail from Germany, India, China, Chile and the United States. The theme of this year's symposium was "China NOW," and participants discussed everything from politics and religion, to trade markets, waste disposal and the fashion industry in China.

Infrastructure Enhancements

When you consider that virtually every campus building sustained significant flood and wind damage, the university's physical recovery from Hurricane Katrina has been nothing short of remarkable. The campus has been rebuilt, and two new state-of-the-art,

LEED (Leadership in Energy and Environmental Design) gold-certified buildings have been opened for service; they are the first on any university campus in Louisiana.

The 127,000-square-foot Professional Schools and Sciences Building houses the College of Business, the Schools of Nursing, Public Health and Mass Communications, the Department of Science, Technology, Engineering and Mathematics (STEM), and more. Highlights include the 420-seat Georges Auditorium and the Justice Revius O. Ortique Jr. Mock Trial Center, which has been used not only for student moot court, but also for an appellate court hearing.

The Student Union and Health and Wellness Center is the first student union in Dillard's 141-year history. This 55,000 square-foot building houses a movie theater, bowling alley, running track, and fitness center, in addition to eateries and student offices. The building's other major component is a community health clinic created to serve both Dillard students and the greater Gentilly community.

The *ADVANTAGE Dillard!* Campaign

The university is well on its way to achieving its \$70 million fundraising goal, with \$62 million raised to date and two years remaining on the campaign timeline. Funds have been raised to support the endowment, scholarships, the library and technology, facilities, and faculty development. Major donors to the campaign include: The Andrew W. Mellon Foundation, the Andrew Carnegie Foundation, the Kresge Foundation, the Bush Foundation (Minneapolis), the Charles Stewart Mott Foundation, and others. Gifts from alumni and individuals have also been very important, particularly as these funds have supported student scholarships and provided general educational assistance.

Minority Health and Health Disparities Research Center

Dillard University was recently awarded a \$6.5 million grant from the National Institutes of Health to establish a Minority Health and Health Disparities Research Center. "The creation of this center is welcome news for Louisiana communities that continue to be ranked among the bottom 50 states in the nation when it comes to poverty and health outcomes," said Dr. John Ruffin, director of the National Center for Minority Health and Health Disparities at NIH and a Dillard graduate from the class of '65. The center is directed by Dr. Betty Dennis and involves a sub-award with Louisiana State University – Health Sciences Center in New Orleans.

Recent Grants and Research Awards

\$6.5M – National Institutes of Health/NIMHD – Dr. Betty Dennis

\$6.5M – Governor's Office of Homeland Security/HMGP – Mr. Theodore Callier

\$5.5M – National Institutes of Health/NIEHS – Dr. Beverly Wright

\$969,000 – U.S. Department of Labor/Technology-Based Learning Initiative – Dr. Beverly Wright

\$600,000 – National Aeronautic and Space Administration – Dr. Kevin Bastian

\$425,000 – U.S. Department of Defense/Air Force Office of Scientific Research – Dr. Abdalla Darwish

Undergraduate Research

A recent grant from the Marguerite Casey Foundation provided resources to augment student research experiences, enabling participation in research development workshops involving library literacy, literature search, use of human subjects in research, interview and survey techniques, data analysis, scholarly writing, poster and oral presentations, and proposal writing. Undergraduate Research Week was launched to highlight student research and creative work produced under faculty mentorship. Students traveled to present original scholarly papers at regional and national research conferences and competitions. In 2010, the university published the first issue of the Dillard University Journal of Undergraduate Research (DUJOUR).

Athletics

The Bleu Devil athletic program is enjoying success both on and off the court. A group of passionate alumni have banded together under the moniker the Bleu Devil Advocates to pay tribute to the history of Dillard athletics while raising over \$23,000 for scholarships. In another nod to Bleu Devil history, Feb. 4 marked the Third Annual Billy Ray Hobley Scholarship Gala, a fundraiser named for the late Dillard basketball star and Harlem Globetrotter. The following day, Dillard squared off against crosstown rival Xavier University at the annual Bleu Devil Classic men's and women's basketball doubleheader. In other sports news, the Lady Bleu Devils volleyball team recently won the first Gulf Coast Athletic Conference championship in the team's 12-year history.

Community Development Corporation

Dillard University's Community Development Corporation (CDC) was established in 2002 to increase homeownership in Dillard's Gentilly neighborhood. Following Hurricane Katrina in 2005, the focus broadened to actively engage in revitalization citywide. Since then, more than 1,500 CDC volunteers have rehabilitated houses, playgrounds and churches. Every year the CDC sponsors housing fairs, literacy programs, grant-writing seminars, job and computer training, a Physical Fitness & Health Festival, and a Youth Summit, which attracts nearly 1,000 people to campus.

Innovative Teacher Training Program

Dillard has partnered with the Louisiana Recovery School District to develop an innovative new teacher training program that they believe will revolutionize teacher education in New Orleans and, perhaps, serve as a model for programs across the country. Dillard sophomores, juniors and seniors of any major with a G.P.A. above 3.00 will be invited to participate in the program, which involves student teaching and paid internships. After graduating, interested students will partake in an intensive six-week training program that will certify them to teach in the Recovery School District.

Dr. Troy L. Baldwin, Interim Assistant Vice President

DREW UNIVERSITY THEOLOGICAL SCHOOL

My predecessor, Dean Maxine Beach, has said to me that Drew University Theological School is "a special place" on more than one occasion. Since coming to Drew, I have

begun to see how right she is. It is a welcoming, hospitable, and caring community. We do not pretend to be a perfect community but we strive hard to welcome all who come through our doors and care for the *shalom*, the well-being, of each individual and as well as the Common Good.

Drew is “a special place” because of the many ways we seek to equip and empower leaders for Christian ministry through the numerous programs we offer:

- M.Div., S.T.M., M.A., M.A.Min., D.Min., and Ph D.;
- Continuing Education opportunities for pastors and lay people;
- Internships through Communities of Shalom in Shalom zones world wide;
- Partnership for Religious Education in Prisons program in a local men’s prison and women’s prison, where Drew students and inmates study and learn together;
- Certification in Spiritual Formation and Camp and Retreat;
- Cross-Cultural Courses in India, Turkey, El Salvador, Mexico, Taize, and Ghana;
- United Methodist Liaison and Deacon Liaison to assist students in their discernment.

In my first weeks, I have begun to visit churches and alumni in the vicinity. I believe very strongly that we can only do theological education *with* communities, both communities of faith and other kinds of communities that our alumni serve. In many ways, we owe a debt to our churches and other agencies that work *with* us to train and form our students for leadership.

We take pride in having a faculty that is perhaps one of the most diverse in theological education with an almost equal number of women and men. Our student body is equally diverse. We take seriously our United Methodist identity. Drew is well positioned to be a leading progressive United Methodist seminary. I welcome ongoing dialogue as we work together to shape a vision in equipping the saints for ministry. Together we can make Christian disciples that transform the world.

PERKINS SCHOOL OF THEOLOGY

A. Major Accomplishments

Perkins School of Theology exists because we are missionally driven “as a community devoted to theological study and to teaching in the service of the church of Jesus Christ ... to prepare women and men for faithful leadership in Christian ministry” (from the *SMU: Perkins School of Theology 2009-2011 Catalog*, p. 9).

A vital recognition of our mission-driven commitment occurred in 2010, when the Association of Theological Schools (ATS) renewed our accreditation for another 10 years.

In a meeting with one of our senior administrative directors during the ATS site visit, the discussion turned to the challenges facing us in the second decade of the twenty-first century. Some of those challenges are well-known: we are a denominationally affiliated school in a post-denominational era; we are a university-based school in an anti-intellectual era; and we are dependent on earnings from endowments and gifts from individuals whose capacity to generate revenue has been significantly impacted by the great recession. During the discussion, one of the ATS visitors made this observation: “You probably do not realize how many theological school administrators across North America would gladly trade places with you now.”

One of the things that we learned through the review process, from the first steps in drafting the self-study to the final actions of bidding the visiting team goodbye, was the unbreakable connection between our mission as a school and the professional or academic activities we conduct as a school. Everything derives from that mission: our curriculum, our hiring decisions about faculty and staff, our admission procedures for recruiting and matriculating students, our standards of conduct, our placement goals for those who complete programs of study toward Perkins degrees, our public advertising, our non-degree programming, our budgeting process, and our self-assessments. In that regard, we are tremendously blessed.

B. Opportunities, Plans and Challenges

1. **Faculty.** The productivity of the Perkins faculty is impressive both in qualitative and quantitative published work. The leadership that members of our faculty provide in academic guilds continues to grow. When we evaluate faculty members’ achievements each semester, we view teaching as equal in importance to research. And at the end of their degree programs, when students submit their responses to the graduation survey, they consistently identify the faculty as the first or second most important facet of their experience at Perkins.

We keep these things clearly in mind as we embark upon searches for new colleagues. Searches in worship and in theology began in 2010 to replace our retiring colleagues, Marjorie Procter-Smith (LeVan Professor of Preaching and Worship) and Charles Wood (Lehman Professor of Christian Doctrine). It will be challenging to meet all of our own expectations for excellence in scholarship and teaching in these two positions.

We have been both committed to a policy of enhancing diversity on the faculty and careful in our processes for making new appointments to the faculty. Here are some data points:

- At the rank of associate professor, we have achieved gender equity, for we have exactly the same number of women as men ranked as tenured associate professors;
- Among our tenured professors, approximately one-third are identified as ethnic minority or non-white – which means that, in ethnicity, the faculty is leading the diversification of the school even more rapidly than the student body.

2. Facilities. The massive attention that we have given to improving our facilities during the past several years was actually necessitated by our own mission. By attending to these extensive improvements in the buildings where we work, we have strengthened our means for engaging in theological study and teaching to prepare women and men for faithful leadership in Christian ministry. These improvements also include making Perkins' facilities fully accessible and LEED certified. (LEED certification is the recognized standard for measuring building sustainability in terms of environmental responsibility.)

During the planning process for the construction of Prothro Hall and the renovation of both Kirby and Selecman Halls, we made a commitment to the University that by the end of fiscal year 2010 (May 31, 2010) we would have sufficient cash and pledges to cover the total. I was very pleased to report to the President and the Provost of the University that we reached that goal. However, while we have celebrated the completion of construction and fund raising, the critical task of collecting the dollars pledged still remains for the coming years.

3. Formative Scholarship. At the University commencement in the spring of 2010, approximately one-third of all the doctoral degrees awarded at SMU went to men and women from the Graduate Program in Religious Studies. The GPRS, a cooperative program of Perkins School of Theology and SMU's Dedman College of Humanities and Sciences, has long been the highest rated Ph.D. program on the SMU campus. The GPRS also marked its fortieth anniversary since the first Ph.D. was awarded through the GPRS in 1970.

One of our strategic plan goals is to secure the future of the program by finding permanent endowments to support adequate student stipends. We have succeeded in getting multi-year gifts from individuals who are committed to the program and some additional annual support from the Provost as well as from the Associate Vice President for Research and Dean of Graduate Studies. These contributions, together with some funds from a Luce Foundation grant to the Latino Center and from the Ministerial Education Fund of The United Methodist Church, have made our stipends reasonably competitive for first-rate doctoral students. But the only way to ensure the excellence of the program is to have permanently endowed support.

Two other events of note in the GPRS this year involve structural relationships and student admissions.

- Perkins now occupies a seat at the table as a charter member of the Hispanic Theological Initiative Consortium. Among the other institutions represented are Emory, Fuller, Princeton Theological Seminary, and about seven more.
- The GPRS welcomed Julian Gonzalez, its first doctoral candidate funded through the Luce grant to the Center for the Study of Latino/Christianity and Religions.

All Perkins students continue to benefit from the exceptional faculty and staff of Bridwell Library and its substantial resources.

4. Finances. Beginning in 2010 and continuing through 2012, each unit of SMU has had to develop a budget plan that takes necessary reductions. For us at Perkins, the first of those three years we managed to take a cut of about 2.2% without noticeably affecting any of our operations. No staff position had to be eliminated. No employees were terminated. No research or travel funds were reduced.

But next year, we expect to have to take another cut of similar size. And again, preparing for the year after that, we expect to have to add a similar cut. By the time we finish absorbing the impact of the great recession, we will have had to make reductions totaling about 6.7%.

5. Enrollment. Data compiled recently by the Association of Theological Schools show the total enrollment in all ATS schools for the M. Div. degree, which is designed for persons who feel called to the professional ministry of the church, has declined by about five percent. Nevertheless, in the fall of 2010, we recruited an entering master's class that is 27% larger than the one in 2009. Additionally, counting the students who are enrolled in our Singapore D.Min. cohort, we have 15 new D.Min. students this year. For the sake of our mission, we will need the commitment of our friends and partners to the ongoing task of continuing to recruit outstanding cohorts of students.

C. Conclusion

The state of our school is strong. But so are the challenges facing us. I recently spent one evening a week leading a home Bible study with a group of folks, more than half of whom I did not know until the Bible study began. We read the book of Esther together. One memorable evening we dealt with the verse where Mordecai tries to persuade Esther that her silence will not provide her with safety. Then he pleads with her through a rhetorical question and comment: "Who knows? Perhaps you have been put in this position for just such a time as this." Perhaps the state of our school is strong for just such a time as this.

SAINT PAUL SCHOOL OF THEOLOGY

www.spst.edu

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, a free-standing seminary campus in Kansas City and a university partnership seminary on the campus of Oklahoma City University.

During the 2010-2011 academic year, 214 students from 26 annual conferences, 24 denominations and 7 countries were enrolled in degree programs at Saint Paul School of Theology in Kansas City. Fifty-four students were enrolled in the Master of Divinity program at Saint Paul at Oklahoma City University. The Course of Study School at Saint

Paul served 311 students from 22 annual conferences. Classes took place in Kansas City, Missouri, and for the first time two courses were offered in Springfield, Missouri. Course of Study classes will begin on the Saint Paul at Oklahoma City University campus in the fall of 2011.

Saint Paul School of Theology at Oklahoma City University will celebrate its first commencement convocation in 2011. The first graduating class of Master of Divinity students will be hooded in a special ceremony in August on the Oklahoma City University campus. Each graduate will have completed 90 hours of study.

Sixteen South Korean students graduated in May from the Korean Doctor of Ministry Track in Wesleyan Spirituality and Congregational Renewal. The international program included teaching by Methodist professors from the United States and South Korea. Class sessions took place in the U.S., England, and South Korea. A second Korean DMin track began in January 2011.

A Doctor of Ministry cohort track focusing on Revitalizing Congregations is slated to begin January 2012. It will focus on biblical preaching, vibrant and meaningful worship, visionary leadership, diverse communities, social justice, and contextual ministry. The DMin track relates directly to the United Methodist Council of Bishops initiatives (the “Four Foci”) for the Church.

The Saint Paul youTheology program expanded to include youth from the Lydia Patterson Institute in El Paso, Texas. It will start a new pod in Nebraska in 2011. YouTheology is funded primarily by Lilly Endowment, Inc. for youth to continue to explore their faith and calling through worship, service, study, travel, and a mentoring relationship.

It was the third year for Laity School of Theology. Each Laity School Saturday Session was taught by seminary faculty and presented in an accessible manner. Lay attendees came from diverse ecumenical and educational backgrounds. Topics included worship, Bible, ethics, church history, and theology. Laity School was offered in Missouri and Oklahoma.

The seminary restructured its continuing education lectures to become Community Reads. Students, faculty, staff and outside guests were encouraged to read topical books such as *No Rising Tide* by Joerg Rieger and *Pedagogy of the Bible: An Analysis and a Proposal* by Dr. Dale Martin. Community Reads cultivated early discussion and provoked deeper questioning during author lectures.

Saint Paul at OCU held its second LEAD seminar on the Oklahoma City University campus. The seminar covered topics to improve and strengthen ministerial leadership. The seminars are a collaborative educational project of the Oklahoma Area of the United Methodist Church, Oklahoma City University, and Saint Paul.

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

Dr. Myron F. McCoy, President

SOUTHERN METHODIST UNIVERSITY

"The Well," a weekly worship service in Perkins Chapel, features music, teaching, prayer and Holy Communion. Small group Bible studies, the heart of SMU Wesley, foster fellowship and spiritual growth.

SMU treasures its Methodist heritage and maintains a particularly close relationship with Highland Park United Methodist Church and its senior minister, the Rev. Mark Craig. I enjoy serving as guest preacher at that church each fall. We ask for your continued prayers and support as SMU moves forward in the coming year.

LYDIA PATTERSON INSTITUTE

It is my privilege to submit this report to you and to bring greetings and a word of appreciation for the support, prayers, and commitment to the ministry of Lydia Patterson Institute.

Life on the border becomes more difficult by the moment. The life of Lydia Patterson has become more than a place where students receive a strong education and leaders are formed. Today, Lydia Patterson is also a safe haven for students crossing the border looking for safety from the violence and unrest that plagues the city of Juarez, Mexico.

Although we have been able to maintain our enrollment in the past two years, we have seen a decline from the past years. The reason is obvious. Parents have lost their jobs; consequently, we have had to provide more scholarships than ever before. Parents who might have had a small business or a taco stand or a modest way of making a living have had to close down due to the threats of the mob that they either pay them or pay with their lives. People, women and children, are being murdered daily. Over 4,000 lives were

lost last year as the result of the violence and many more went unreported. Students at Lydia Patterson have been directly affected. Many have lost parents or other members of their families. We have buried several former students and comforted many victims of kidnappings.

In 1913, Lydia Patterson opened its doors for the first time to minister to the young children of families crossing the border and fleeing from a revolution in Mexico. Families were looking for a safe place for their children and escaping the unrest in our neighboring country. Mrs. Lydia Patterson recognized the need for ministry to these displaced children and began her work in this impoverished neighborhood in El Paso. Almost 100 years later, Lydia Patterson is, again, serving as a refuge to young children escaping the threat of violence and bloodshed that they are exposed to daily. Many of our students make a two hour trip from their homes to Lydia Patterson daily by riding two or more buses from their homes to downtown Juarez. They then cross the international bridge on foot and walk the eight blocks to Lydia Patterson. One student, when asked about her sentiments as she made this daily trip, stated that she was in fear. She prayed and said that when she set foot on the American side, she could breathe easily again. Another student, as he was being interviewed by a local TV channel for a special on the work of Lydia Patterson, talked about his fears as well. He talked about the emptiness during the holidays as they mourned the loss of family members who had lost their lives to the violence. He also stated that he prayed a lot and then smiled and said that he still had hopes.

In the midst of all, Lydia Patterson is more committed than ever to bringing hope to its students. It continues to equip the students with that which can remove them from such a hostile environment...a good education. The spiritual life on our campus strengthens their hope for a future free of threats and injustice. Through our Student Lay Ministry Program, we continue to form leaders for the church. Students are serving in internships in local United Methodist Churches throughout the country. Students are graduating from seminary and others are making their way to a life in ministry. In spite of all the challenges, in the last two years, 100% of our graduating seniors have gone on to college. Lydia Patterson Institute, its administrators, faculty and staff, strongly believe that the fate of its students lies in the heart of our ministry.

I invite you to visit our new web page and learn about how you are already a part of this ministry by virtue of your relationship to your church, conference, and the jurisdiction. I encourage you to visit our campus in El Paso and personally experience the life of ministry with direct interaction with our students. We welcome work teams, mission groups, agency meetings, and personal visits. In as much as Juarez, Mexico, is a very dangerous city today, by national standards, El Paso is the safest city of its size to live in. We hope to see you here soon, and please keep our students in your daily prayers.

Socorro Brito de Anda, President

LOUISIANA UNITED METHODIST CHILDREN AND FAMILY SERVICES

As I begin my forty-fourth and final year of Ministry to Children, Youth, and Families on behalf of the Louisiana Annual Conference of the United Methodist Church, and as President/CEO of the Louisiana United Methodist Children and Family Services, Inc., I am pleased to report that 2010 was a very successful year. It was one of the most challenging while at the same time most rewarding years I have experienced. I believe that this report will support my statement.

Our direct care of residential services at the Methodist Children's Home in Ruston and at the Methodist Home for Children of Greater New Orleans in Mandeville remained populated at operational capacity throughout the year. A total of 718 individual children were referred for residential services. We were able to care for 235 or 33% of the requests. A total of 124 beds were available on a daily basis for all levels of care, 106 in Ruston, and 18 in Mandeville. Ruston had 198 and Mandeville 37 residents during the year.

At the end of this year when the new President/CEO files this report I am pleased to say that the new campus in Sulphur will add numbers of additional lives that we will be able to minister to. We expect our first children to enter our care during the month of March. Due to several factors beyond our control we have been six months behind schedule. However, I assure you for the thousands of children who will receive the best possible care in the future, they will be thankful that we persevered to make their hope for the future possible.

Our outreach non-residential services continue to grow. During the year a total of 3,258 individuals were served through the Family Counseling Center on the Campus in Ruston.

The Family Plus Program with offices in Baton Rouge, Monroe, Pineville, Natchitoches, and Shreveport provided services to a total of 1,385 individuals ranging from crisis intervention, counseling and parental education training. This was a total of 496 families receiving services to enable them to keep their family intact.

A unit total of 17,590 activities occurred at the Outdoor Wilderness Learning (OWL) Center. A total of 10,041 individuals participated. These activities included the Challenge (Ropes) Course, camping, fishing, hiking, biking, sport fields, hot house plants, gardening, equine therapy, maze, and the Karen A. Vining Memorial Arbor Walking Trail.

This proved to be a difficult year economically for our State and Nation. We struggled, again as was the case in 2009 to cover costs with revenues. We received a total operating income of \$11,887,970 and had expenditures of \$12,481,480. A total of \$593,510 reserve revenue from prior years was utilized to balance the budget. Detailed reports will be published once our Annual Audit is completed.

Our donor support was a great blessing as it has been every year. However, this year it seemed more critical than ever since we have just about depleted our reserves. While at

the same time our Endowment revenue was less due to the economic condition we are in. Our Donors responded at the end of the year enabling us to remain financially solid for this coming year and the future as we recover economically.

This report has talked about numbers and dollars. The important message to hear is that each of these numbers represent flesh and heart, hurting children each reaching out for safety and love. On their behalf from our Board of Directors and our own staff thank you for being on our team during 2010. As we seek to “Guide Children and Families Home to Experience God’s Love by Following the Teachings of Christ” during 2011, may God Bless all we do.

The Louisiana Methodist Children and Family Services Board of Directors request the following actions by the Louisiana Annual Conference:

- 1. The dates of October 4, 2011 and April 3, 2012, be placed on the Conference Calendar as Annual Board Meeting dates.
- 2. The election of these persons to Board Membership with terms expiring noted in parenthesis:

C. Concerns and challenges facing board or agency

The primary challenge that will face both the Board and the Agency this year will be the ability to adjust to the ever-changing needs and requirements of the State. As the State moves to a Coordinated System of Care (CSoc), the Agency will have to make decisions about how large or small we will be and whether or not we will be able to make the necessary adjustments to become a Psychiatric Residential Treatment Facility (PRTF).

D. Items for action/vote by the Annual Conference

Continued prayers and donations through the Churches of the Conference are appreciated.

Heidi A. Hillery, President

METHODIST HEALTH SYSTEM FOUNDATION, INC

Methodist Health System Foundation, Inc.'s legacy of caring, is being translated through our mission of involvement as we make a positive impact on the communities we serve. "Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around." These are the words of teacher/author Leo Buscaglia that remind us of the very legacy of caring we are committed to maintain.

As we look to the future we carry strong ties to the past and while our mission – to the support, development and management of health related programs and services for the benefit of the citizens of East New Orleans and beyond – remains the same, Methodist Health System Foundation, Inc.'s commitment to creating a healthy community has only grown stronger. We are pleased to report that we have expended over three million dollars in the form of grants, programs, services, and other community wide support, in this past fiscal year.

Balance is essential as we move through the sixth year of our legacy to the community. This means balance in funding multi-year strategic initiatives and shorter term needs. Balance is also required between large and smaller grants. It is essential to strike a balance between proactive MHSFI initiatives and responding to those "in the trenches".

Through the dedication of our Board Members, staff and partners we are looking forward to the future as a caring catalyst for improving the health of vulnerable people. We are encouraged by your prayers and support as we chart this caring course of action that will benefit individuals, families and communities for years to come.

NORTH RAMPART COMMUNITY CENTER

The mission of North Rampart Community Center (NRCC) is to support the needs of New Orleans children through partnerships with families, schools and communities by providing academic, social health, and cultural learning opportunities to enable and strengthen their personal growth and development.

The year of 2010 was a season of change for North Rampart Community Center. However, through it all, God never ceased to pour out his love as we traveled the roads of change. One change that took place in 2010 was the passing of the mantle of Executive Director from Deaconess Joanne Finley to Jeffery D. Parker (Coach). Coach Parker has been with the center for over 12 years and served as the program director/teacher for the after school program and summer camp. Coach Parker also serves as a mentor to the children and the families that are affiliated with the center.

I am very pleased to announce that last year has been a blessing for North Rampart Community Center's children and the families in which it serves. In addition to NRCC being blessed it has also provided opportunities for our donors and sponsors to be blessed through their generous giving.

In 2010 we established a partnership with McDonough 15 Charter School-Knowledge Is Power Program (KIPP). "KIPP is a national network of free, open-enrollment, college-preparatory public schools dedicated to prepare students and underserved communities for success in college and in life." NRCC has always played an important part in helping our children prepare for college and life through our after school tutoring and mentoring program. We worked with 144 students from McDonough 15 KIPP school and 63 students from 17 additional schools throughout the city. We have volunteers from 5 local colleges/universities (Loyola, Xavier, Delgado, UNO, and Dillard), two teachers from McDonough 15, retired teachers and engineers.

Throughout the changes this past year we can truly say that the Louisiana Conference along with many other friends has never failed North Rampart Community Center because:

- You've prepared hot meals for the children every Friday night, you have given a combined total of over \$200,000 to the Center for programs and care of this historical facility, you have visited the Center and interacted with the children on numerous occasions, you have sent school supplies, snacks, reading materials, and volunteered, you have prayed for the center, staff, children, and their families, you have been supportive of summer camp and our Christmas gift giving to the children and their families, and you have been supportive of our fundraisers throughout the year. We are forever very grateful for the love that you have demonstrated through your kindness.
- We were also blessed to replace our old gym floor with a new floor and upgraded the courtyard with a new drainage system and artificial turf making it safer for the children to play while beautifying the space. All because of a \$100,000 grant we received from Advisor's Excel through Sean Payton's Play It Forward Foundation.

Our Future Goals...

- To generate funding to employ regular teachers year round.
- To collaborate with other organizations and agencies in support of our mission.
- To add a drop ceiling in the front foyer of the building.

HOPE MINISTRIES, INC.

The mission of HOPE Ministries is to prevent homelessness, and promote self-sufficiency and dignity. HOPE helps impoverished families at-risk for homelessness in Baton Rouge reach self-sufficiency through an in-depth family mentoring program, community education including financial literacy and poverty awareness training, and a unique client choice food pantry. Just as HOPE encourages its client families to become independent, HOPE is also striving to produce another revenue stream by offering fee-based, one-day trainings approved for continuing education credits to help social service workers and other concerned citizens understand poverty's impact on individuals, families and society.

2010 Accomplishments and Celebrations:

Family Mentoring Program: This in-depth case management program matches a family at-risk for homelessness with volunteer mentors who help guide the family on its path to self-sufficiency. HOPE recruits, screens and trains volunteer mentors to help provide creative problem-solving skills as families get back on their feet. A financial incentive is provided along with education on financial stability, job readiness and household management. This program serves residents of East Baton Rouge Parish and surrounding communities. HOPE partners with a variety of community organizations to provide our clients with the tools they need to achieve and maintain housing, financial and family stability. Due to budget cuts, HOPE's mentor recruiting efforts were negatively impacted, thus fewer mentors. Still we maintained our case management.

Getting Ahead in a Just-Gettin'-By World: This 40-hour workshop series is made up of 15 sessions conducted twice a week for about 8 weeks. The program helps participants identify the root causes of poverty, increase financial literacy, recognize and build on existing resources, and design an action plan for becoming self-sufficient.

In 2010...

- ☐ The Family Mentoring Program served 61 families representing 213 individuals;
- ☐ 69% of the families discharged reached self-sufficiency and graduated from the Getting Ahead program

Client Choice Food Pantry: HOPE's unique pantry serves clients in a grocery-store setting. This is a unique food pantry atmosphere – one of dignity that allows clients to select the food that best suits the nutritional and health needs of their families. This model is a pilot program of the Greater Baton Rouge Food Bank and serves as an innovative example for other food distribution programs.

In 2010...

- ☐ HOPE served 254,418 pounds of food to families living in the 70805 zip code;
- ☐ Over 4,100 individuals from over 1,300 households received supplemental food throughout the year;

Holidays for HOPE: Through HOPE's holiday outreach efforts:

- ☐ Over 370 families received either a Thanksgiving or a Christmas food basket;

- 120 families participated in The Christmas Place, HOPE's holiday toy distribution program, and over 300 children received gifts for Christmas;
- Volunteers and donors from many different churches and businesses helped to give our clients a very Merry Christmas!!

Social Enterprise: HOPE Ministries helps at-risk families reach self-sufficiency, and we believe our agency should be self-sufficient as well. To that end, we are pursuing business ideas to generate income that will flow back into our client programs. In 2010, we offered *Understanding the Dynamics of Poverty*, a full-day poverty awareness workshop for social service workers and other professionals who interact with persons living in poverty. Other ventures are in development.

In 2010....

- HOPE offered 16 *Understanding the Dynamics of Poverty* workshops in the Baton Rouge community and throughout the area
- Nearly 400 people completed the workshop
- Over 92% of workshop participants reported that the information they learned gave them a better understanding of the impact poverty has on families and society and that they would recommend the workshop to their coworkers;
- HOPE earned approximately \$27,000 in revenue through this venture.

Goals for Upcoming Year:

- *Programs/Services* – Increase services to meet the needs of impoverished families trying to gain self-sufficiency
- *Social Enterprise* – Expand our poverty awareness training to provide job training and employment for the impoverished while providing another revenue stream to HOPE
- *Administrative* – Grow funding base of support to secure additional support from more United Methodist Churches
- *Fund Development* – Continue to secure additional individual donors to HOPE and implement seasonal appeals
- *Public Relations* – Increase awareness via social media

Challenges:

- Fund development
- Additional sources of revenue
- Lack of staff
- Capital improvements to facilities
- Growth of ministries to include additional programs and outreach
- Ongoing public relations and public awareness of the plight of homeless and impoverished in our communities, and the role of HOPE Ministries in addressing these issues

Items for Action/Vote by Annual Conference:

- We request Conference endorsement of the listed membership of our Board of Directors.

MINISTERS' EMERGENCY AID FUND

The Ministers' Emergency Aid Fund is supported by Conference ministers who voluntarily contribute one-half of one percent of their base salary annually. We recommend the following guidelines for the Ministers' emergency aid Fund:

1. That each minister under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of the minister's base salary for 2011 to the Ministers' Emergency Aid Fund (line 5030 on the Conference Remittance Sheet.)
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Conference and their immediate families who may be in special need; and that this emergency aid be given subject to the following limitations:
 - a. The maximum amount allowed for a single emergency shall be \$1,000.
 - b. Exceptional situations may be given special considerations by the Cabinet.
 - c. Only one grant will be provided to any individual in any 12 month period.
3. That each pastor and local church be requested to provide an adequate medical insurance program for family participation.

In 2010, the Louisiana clergy gave \$16,002 to this fund. Ten thousand dollars (\$10,000) was distributed in 2010 for grants to 9 different clergy families.

In 2009, the Louisiana clergy gave \$ 18,375.71 to this fund. Thirteen thousand five hundred dollars (\$13,500) was distributed in 2009 for grants to 14 different clergy families.

In 2008, the Louisiana clergy gave \$16,265 to this fund. Fourteen thousand six hundred five dollars (\$14,605) was distributed in 2008 for grants to 10 different clergy families.

LILLY GRANT REPORT**SUSTAINING PASTORAL EXCELLENCE
2010 REPORT****Introduction:**

The Louisiana Conference believes that strong leadership is a primary element for the Church's witness to the Gospel of Christ in the world. Strong leadership provides the motivation and the vision for future ministries that not only continue the witness but that finds new ways to share the Good News. We are the recipients of past leaders who were faithful to the call of Christ through the ministry of the Church.

Our current efforts in claiming the Mission of the Church as our focus reminds us that leadership is needed to fulfill that mission. Clergy and laity are to cooperate on

identifying ways to reach those who are without the Good News of Christ. Spiritually vital leadership is necessary in order to Make Disciples of Jesus Christ for the Transformation of the World. We are seeking to provide the Church with leaders who are personally strong in their faith in Christ and the mission, who are committed to growing disciples of Christ, and who are able to dream dreams and see visions. As has been said, "There is nothing wrong in building castles in the sky if one also builds the foundation here on earth."

Sustaining Pastoral Excellence provides many avenues to raise up spiritual leaders, both lay and clergy, in order to fulfill our mission. We seek to identify and support those who are discerning a call to full time ministry, to enrich the spiritual life of our clergy and lay leaders, to assist our pastors in their growth in personal and professional leadership, and to provide a way to assist those who are in process for full time ministry. All of these are ways to provide the Louisiana Conference with the leadership needed for our congregation and for our mission.

We are grateful for the generosity of the Lilly Foundation for their support of the programs and staff of our Sustaining Pastoral Excellence. We are especially grateful for the Louisiana Conference's support of this project. We pray for all of our Lay and Clergy leaders throughout Louisiana as we all continue our Journey in the Wilderness. Our prayer continues to be that we will be wise enough to follow God's guidance along the way.

THE ACADEMY FOR SPIRITUAL LEADERSHIP

The Academy for Spiritual Leadership is a ministry of the Louisiana Annual Conference designed to respond to the vision of the conference *to raise up spiritual leaders for Christ*. Our goal is to offer quality retreat courses that focus on a variety of skills which empowers both laity and clergy in their role as spiritual leaders in the church and in the world.

Path of Spiritual Leadership – Living Into Hope

A One Year Offering for Congregation Teams by

The Academy for Spiritual Leadership and The Center for Pastoral Excellence

Spiritual Leadership – Living into Hope is a new offering that has emerged both from The Academy for Spiritual Leadership and The Center for Pastoral Effectiveness. It is a way of bringing teams from local churches to have a common experience, and to provide time for planning that will lead their congregation in new and creative ways.

Living Into Hope will offer four retreats led by persons who are widely recognized in their field. After meeting with a planning team we have centered on these four themes:

Retreat 1 – *Living Into Creative Worship for Advent/Christmas and Lent/Holy Week/Easter, October 6-8, 2011*

Dr. Marcia McFee

Retreat 2 – *Living Into the Art of Leadership in Meetings and Groups November 17-19, 2011*

Christina Baldwin and Ann Linnea

Retreat 3 – *Living Into Ministry Beyond the Walls and Into the Neighborhood January 26-28, 2012*

Dr. Luther Smith

Retreat 4 – *Living Into Hope – What's Next for our Church? April 19-21, 2012*

Our design for this offering is to have churches bring a team consisting of the pastor or church staff person along with 4 key lay persons to each retreat. The teams may vary from time to time depending upon the focus of the retreat.

Retreats will focus on issues such as these:

~ Create a culture in the congregation that builds on the gifts of the people.

- ~ Offer worship that becomes a life giving force to nurture and sustain disciples for Christ.
- ~ Create cultural sensitivity to changing neighborhoods and communities.
- ~ Pay attention to generational differences in congregations.
- ~ Create settings for new ideas to become assimilated into the life of the congregation.
- ~ Encourage responsiveness over resistance and hope over distrust.
- ~ Bring churches together to gain a sense 'we are not alone' and 'we can listen and learn from one another'.

The Path of Contemplation and Silence

Into the Stillness: A Contemplative Retreat has become an annual time for persons who seek a place of quiet and want to come apart to listen for the guidance of God. The days are designed in a model of silence in community. There are times for Morning and Evening Prayers, short sessions of guided meditations, and the option to meet with a spiritual director. This retreat is mostly about listening and waiting, receiving and being. It is the intention of the retreat to open the time and space so that sojourners may hear God's still small voice.

Spiritual Direction Training is a two year course that happens in a series of six retreats. We are now half way through the current course with three sessions still to come. Our sessions are led by Rev. Wendy Miller, who is on the faculty at Eastern Mennonite Seminary, Harrisonburg, Virginia.

We now have a cadre of over 100 who are trained to guide others in their quest to follow Christ as Christian Leaders in both their church and their community. Another unique aspect of this training is that we have partnered with **Garrett Evangelical Theological Seminary** to offer 6 academy credit hours for this course. Those hours will apply to persons who are seeking to become Deacons or Elders in the Louisiana Conference or to receive Certification in Spiritual Formation from the General Board of Higher Education and Ministry. This is another way The Louisiana Conference is giving advanced training to laity and clergy in the arena of *developing Christian Leaders for the Church and the World*.

Carole Cotton Winn, Director

COORDINATOR OF THE CONFERENCE BOARD OF ORDAINED MINISTRY

Rev. John Edd Harper serves in his seventh year as the Coordinator for the Conference Board of Ordained Ministry (CBOM). Gertrude Knight continues in her fourth year as the part-time Administrative Assistant to the Coordinator of the CBOM. All of the registrar files for the CBOM are consistently updated and maintained in a systematic manner. The CBOM members and District Committee on Ordained Ministry members are being trained regarding their responsibilities in working with candidates (elders and deacons) going through the provisional membership process or local pastors going through the course of study. Currently 166 clergy are trained to serve as candidacy mentors and 72 clergy are trained to serve as clergy mentors. The CBOM is developing written policies and guidelines to be used in a CBOM handbook. The CBOM is helping provisional candidates for ordained ministry move from readiness to effectiveness/excellence in

ministry. Young adults (ages 16-25) are being targeted for identification and enlistment into ordained ministry as a vocation. The CBOM created a document outlining the various aspects of excellence in ministry (EiM=C²). Professional and paraprofessional certification (camping and retreat ministry, children's ministry, Christian education, evangelism, ministry with the poor, music ministry, older adult ministry, spiritual formation, urban ministry, and youth ministry) within The United Methodist Church has been promoted throughout the Conference. All Louisiana seminary students are contacted on a regular basis and all seminary student loans are being processed in a timely manner.

The responsibilities of the Coordinator of the Conference Board of Ordained Ministry include:

- 1) Meet with the CBOM in all its functions to facilitate the Board's process in dealing with candidates for ministry (CBOM Executive Committee member without vote).
- 2) Attend Division of Elders retreats, Division of Deacons and Diaconal Ministers retreats, and Local Pastor Interviews around the Conference to have files available on persons being interviewed.
- 3) Contact each District Committee on Ordained Ministry to keep track of all the candidates within that district.
- 4) Serve as a resource person to work with and to answer questions related to candidacy and where candidates are in the process to:
 - the Louisiana Foundation for grants/loans and RIM educational opportunities.
 - the District Committees on Ordained Ministry.
 - the License to Preach School.
 - the Division of Elders.
 - the Division of Deacons and Diaconal Ministers.
 - the Division of Local Pastors and Associate Members.
 - the Center for Pastoral Excellence.
 - the Academy for Spiritual Leadership.
- 5) Interface with our conference psychological consultant.
- 6) Track and communicate with the Course of Study schools for each student attending COSS.
- 7) Work with the CBOM financial officer to facilitate payment of all CBOM bills.
- 8) Serve as a resource person for the annual meeting with cabinet and executive committee of the CBOM.
- 9) Assist the officers and leadership team of the CBOM.
- 10) Maintain official permanent records and tracking documents of all persons in the candidacy process, certified candidates, provisional members progressing toward elder's or deacon's orders, associate members, part-time and full-time local pastors, diaconal ministers, and certified professionals and paraprofessionals (clergy and laity).
- 11) Request and receive annual reports from full connection deacons, provisional deacons, and diaconal ministers.
- 12) Request and receive biennial review and renewal forms for professional and paraprofessional certification from certified persons (clergy and laity) and forward copies to the General Board of Higher Education and Ministry.

- 13) Send out all correspondences of official forms, requirements (written work), and interview schedules to all provisional members regarding the Division of Elders and the Division of Deacons and Diaconal Ministers retreats (spring and fall) for those participating in our provisional (Resident in Ministry) membership process (at least 3 years).
- 14) Prepare the Clergy Session report for Annual Conference and submit the most accurate information for the Conference Journal.
- 15) Offer annual District Committee of Ordained Ministry members training.
- 16) Provide annual candidacy mentor training.
- 17) Present annual clergy mentor/coach training.
- 18) Create informational displays during Annual Conference for the CBOM and professional and paraprofessional certification.
- 19) Support the Certified Lay Minister process as it relates to the District Committee on Ordained Ministry.

CLERGY RENEWAL LEAVES

The Louisiana Conference provided funding for five Clergy Renewal Leaves during 2010. An additional leave was begun in 2009 but completed and funded in 2010. The total amount given to support these six Leaves was \$30,537. Each Clergy Renewal Leave provides for up to two months of support at up to \$750 per week. The cost of each Leave depends on the request and on the extent of the expenses related to the Leave. The funding of each Leave is sent to the local church or to the agency to which the clergy person relates. The funds are then distributed according to the budget for the Leave through vouchers provided by the clergy person. A final report, including a reflection paper and a financial report completes the Leave.

Each Clergy Renewal Leave is unique. Some are provided to assist with a personal crisis or concern. Most Renewal Leaves are times for spiritual and emotional renewal through spiritual reflection at retreats, learning events in a specific field of professional development, family time, and rest and relaxation.

The local congregation and the District Superintendent are involved in the decision for a Renewal Leave. Agreement is reached among these partners and a plan is made for pastoral support while the pastor is on Leave.

The following are comments from those who participated in the Clergy Renewal Leave for 2010:

(The Renewal Leave) was a very meaningful time of renewal. My Renewal Leave experience will be like an account that I can draw upon for months and years to come. We reconnected with old friends and made new friends. We helped to strengthen the Methodist connection.

The Renewal Leave has been life changing and life giving to me. It allowed me three important things to help make me look at ministry to the congregation and community in a more calming way. The things it afforded me was to not be so busy I could not stop to exercise at least five days a week, to not be so caught up in the belief that if I did not do it, it would not get done, and that the time I spend with a growing son and seasoned parents is priceless to my spiritual wellbeing.

The Renewal Leave gave us time for personal relaxation and spiritual renewal. In addition, I participated in three significant learning event; Ashram, School of Congregational Development, and reading. The Ashram and the Renewal Leave were like a revival to me, refreshing and renewing my all.

We invite other clergy to take advantage of this opportunity for a time of renewal and growth.

WESLEY CENTER BOARD OF TRUSTEES

The mission of the Wesley Center is to provide a place for spiritual holiness, healing, and wholeness under the guidance of the Lord Jesus Christ.

Last year we reported the completion of Phase I of our Long Range Development Plan. While planning on the next stage of development has begun we are focusing on getting Phase I paid for before undertaking any more debt. We are making steady progress toward retiring the debt on Phase I. While we had hoped to be able to report full payment to the Conference by this time, the economic slowdown has affected the Wesley Center just as it has the rest of us. We are however steadily paying down the debt and fully anticipate being able to pay the remainder of the cost from our remaining pledges, the Cursillo community contributions and future lot sales within the near future.

As noted, the Board is considering what projects will be a part of Phase II and as a part of that we participated in the meetings of Camping Committee this past year, soliciting input from the Council Camps as to how we can work with them and they with us to the mutual benefit of the Center, the Camps and the Conference. That report will be given by the Committee, but the Wesley Center is encouraged by the new and increased lines of communications from the Camps. While not biblical the admonition of Ben Franklin to the Continental Congress, "Gentlemen we must hang together, or we will most assuredly hang separately" still rings true.

Our Executive Director Roseanne Gillespie has overseen a very busy and active year. The Wesley Center has been used by numerous church groups as well as lots of outside groups. Our finances are solid and Roseanne is continuing to analyze where we can most efficiently utilize our resources. Our highest occupancy months continue to be February and October, with our least utilized months June, August, and December. For those of you looking to utilize the Center, hopefully that will help your planning.

Our goal remains to ultimately become a self sustaining facility. To that end we will have a slight increase in our fees effective beginning in 2012. Our usage fees have not increased in several years and will remain below those of Tall Timbers. While the goal of becoming self sufficient without the need for Conference apportionments remains to be reached we are continuing to progress toward it.

In closing we invite you to join us at the Wesley Center for your next event.

SOUTH CENTRAL JURISDICTION ANNUAL REPORT

The Nineteenth Session of the South Central Jurisdiction Conference will begin on Wednesday evening July 18, 2012 in Oklahoma City, Oklahoma. The conference will actually span the 17th through the 21st, with committee meetings on the 17th and 18th, and the opening worship and memorial service the evening of the 18th at St. Luke's UMC in Oklahoma City. Delegates and alternates are expected . . . visitors are welcome.

There will be 256 delegates, plus alternates. The number of delegates will be 40 fewer than in 2008, due to additional Annual Conferences in the Central or international conferences. That means it will take 154 votes, if all delegates are present and voting, and all ballots are valid, to elect a new bishop.

The Conference will be held near the Bricktown area of Oklahoma City, a great place for family fun. Also it will provide ample eating venues for delegates and friends.

The Oklahoma Indian Missionary Conference and the Oklahoma Conference, co-hosts of the Conference, along with Bishop Robert Hayes, Jr., resident bishop, invite you to be in Oklahoma City in July of 2012.

We thank you for your continued support of Lydia Patterson Institute, Mt. Sequoyah Assembly, the Wesley Foundation at SMU, and the Jurisdictional Administrative Office.

David Severe, Executive Director

UNITED METHODIST FOUNDATION OF LOUISIANA

The mission of the United Methodist Foundation of Louisiana is to be a **catalyst** that strengthens and preserves our current ministries while meeting the needs of a diverse and rapidly changing society.

The Foundation was founded in 1975 and serves United Methodist churches, institutions and individuals within the Louisiana Annual Conference, providing financial consultation, management and education, loans and grants. It is the fourth largest United Methodist Foundation in the denomination.

2010 IN REVIEW

Fund Management

The Foundation manages 979 accounts of which 661 are custodial accounts and 318 are gift accounts. These accounts total over \$121 million for approximately 300 United Methodist churches and institutions in the Louisiana Annual Conference. In 2010, the Foundation's socially responsible investments earned 10.8% on the Balanced Fund and 12.5% on the Equity Fund.

Planned Giving

New gifts from individuals totaled \$1,166,087 at donation. The Foundation now has 114 deferred gift accounts, such as charitable gift annuities, charitable remainder trusts and life estates. Life insurance policies constitute five additional gifts at a total face value of \$183,000.

Loans

The market value of United Methodist Foundation loans to local churches and institutions totals more than \$9.8 million. In 2010, the Foundation made 6 new loans and increased current loans by more than \$1.3 million.

Grants

Since 1995, the Foundation's Grants Program has given approximately \$5 million to United Methodist ministries. The majority of projects approved for grants are those that take an innovative approach to leadership development, new church development, ministerial education and recruitment, and hands-on mission projects throughout the Louisiana Annual Conference. The Foundation commits approximately 20% of its projected operating revenues to its Grants Committee each year. Foundation grants awarded in 2010 include:

- Partnered with churches teaching Dave Ramsey's Financial Peace University, a 13-week debt reduction program to provide participants who fulfilled certain course requirements one-third of the emergency fund recommended by the course.
- Sponsored two visioning retreats for members of the extended Cabinet, facilitated by Gil Rendle, a consultant who works with issues of change and leadership in the church.
- Began planning a leadership school initiative that will be implemented in 2011, which will provide intensive training for promising clergy to prepare them to deal with the challenges facing the United Methodist church.
- Sponsorship of a stewardship program for African-American churches in Shreveport and Alexandria led by Rev. Melvin Amerson of the Texas Methodist Foundation. Pastors and church leaders participated in stewardship training events to learn to create specific plans and change church culture to increase financial support for ministry;
- Funding for Centenary Leadership Conference, which is dedicated to theological study and innovative leadership training;
- Funds to continue the work of a grant writer, who has secured \$7.2 million in grants for the Louisiana Conference since 2007.
- Seminary Service Loans provided to 56 seminary students for enrollment in United Methodist-approved seminaries. Upon graduation, the loans will be forgiven for those who serve in the Louisiana Annual Conference at least five years.

- Grant awarded to Shalom Zone at First Street UMC in New Orleans to provide academic, social and spiritual guidance to at-risk elementary students in inner-city New Orleans.

Three New Board Members Elected

Rev. Fred Wideman of Baton Rouge, Rev. Larry Stafford of Monroe, and Mr. Frank Harrison, Jr., of Lafayette were elected to the Board of Trustees of the Foundation in the Spring of 2010. Their three-year terms began when their election was affirmed at the United Methodist Louisiana Annual Conference in June.

Robert C. Fairly, Jr., President

BOARD OF ORDAINED MINISTRY

This quadrennium (2008-2012) the Board of Ordained Ministry of the Louisiana Annual Conference has created a covenantal document – “Our Life Together” (2008-2009); an excellence in ministry document – “Excellence in Ministry Equals Character and Competence – EiM=C²” (2010-2011). We are in the process of fine tuning an intentional professional development tool and an evaluation tool. Both of these tools have their roots in the covenantal and excellence in ministry documents and will work in tandem with each other to help us “earnestly strive after perfection in love (and) to devote (ourselves) wholly to God and his work.” (Historic Examination of Deacons and Elders in Full Connection, Paragraphs 330.5d and 336, The Book of Discipline of The United Methodist Church 2008)

The excellence in ministry document (Excellence in Ministry Equals Character and Competence – EiM=C²) was initially presented at Annual Conference 2010. The document was again presented and discussed at *Tending Our Lives Together*, February 22, 2011. This document is a “living document”. Meaning that as our covenant as clergy continues to strengthen and grow this document will continue to hold us to the highest standards of ministry for the sake of the Kingdom of God and the mission of The United Methodist Church to “make disciples of Jesus Christ for the transformation of the world.”

The intentional professional development tool is being completed jointly by the Board of Ordained Ministry and the Appointive Cabinet and will be in place by Annual Conference 2011. This tool will serve as guideline to aid clergy who may be struggling to achieve an adequate level of effectiveness in ministry, or who may have demonstrated a history of ineffectiveness in their appointments. This tool will help clergy gain further clarity as to how and where they can better live out their ministry focus. After years of intense work and evaluation this focus may lead to a gracious exiting process for some clergy.

The evaluation tool is being developed jointly by the Board of Ordained Ministry and the Appointive Cabinet and will be completed and will be in place by Annual Conference 2011. This tool will be used each year for clergy, Staff-Parish Relations Committees, and the Appointive Cabinet to evaluate the effectiveness of the appointed clergy in regard to

the standard of effective ministry (EiM=C²). Remembering that evaluation always begins within the clergy person.

Some other highlights of the work of the Board of Ordained Ministry are:

- There were thirty-three youth and young adults who participated in the inaugural “Awakening” – an experiential ministry exploration retreat under the direction of the Rev. Juan Huertas and the Rev. Carole Cotton Winn.
- Thirteen students participated and completed the License to Preach School directed by the Rev. Gary Willis and the Rev. Lynn Malone.
- We have one-hundred and sixty-six trained clergy mentors ready to assist persons who are in the process of becoming a deacon or elder in full connection or part-time or full-time local pastor.

Our joy remains in the work of enlisting and recruiting candidates for ministry and working with them through the seven District Committees on Ministry (DCOM). After they have completed their educational requirements our candidates are transitioned into a supportive working relationship with the respective divisions of the Board of Ordained Ministry (Division of Deacons and Diaconal Ministers led by the Rev. Pam Crews, Division of Elders led by the Rev. Marie Williams, and the Division of Local Pastors and Associate Members led by the Rev. Derrick Hills).

We appreciate and enjoy our growing relationship with Bishop William Hutchinson and his Appointive Cabinet in better serving the needs of all of our candidates for ministry. All of the work of the Board of Ministry is strengthened and supported by the committed work of the Rev. John Edd Harper, Coordinator of the Board of Ordained Ministry. All of this joyful work is possible through the prayerful support of the Annual Conference. Please remember to pray for all of the candidates for ministry, the clergy, the Bishop, the Cabinet, the churches and for all the people who have not yet had the opportunity to know Christ as Lord and Savior so as to then transform the world in His name.

Danny Gleason, Chair

DIVISION OF ELDERS

It is a privilege and an honor to serve on the Louisiana conference Board of Ordained Ministry and on the Division of Elders. Each of us who serves here views our work as important and a significant part of the life of the conference as we seek to make disciples of Jesus Christ for the transformation of the world. The Division of Elders, which is made up of ordained elders and deacons and able and committed Laity, is given the responsibility of guiding, challenging and preparing residents in ministry (RIMs) from the time they apply for commissioning and conference membership until they complete that process either through ordination or exiting from the process.

Each person who serves on the division gives countless hours in preparation for spring and fall interviews by reading and listening to sermons, evaluating Bible Study lesson plans and assessing answers to doctrinal questions. The twice a year interview process is

in itself intense, time consuming and incredibly enriching to both division members and residents in ministry. Additionally, division members make yearly In-pariah visits to the RIM ministry settings, serve as mentors, and pray for the candidates. It is an enormous task and an awesome responsibility.

The division also interfaces with the Center for Pastoral Excellence facilitated by Dr. Craig Gilliam, as he leads the RIMs through Soul Journey, a personal and spiritual growth experience they share together throughout their RIM process. Part of the Soul Journey process includes a financial component focusing on personal and church finances. This component is woven throughout the three year RIM journey. It is led by staff from our Louisiana Conference United Methodist Foundation.

God continues to bless the Louisiana Conference by calling gifted women and men into the ministry of Elder and we invite local churches to send us your brightest and best. On behalf of the entire Division of Elders I thank you for this opportunity to serve.

Marie Palmer Williams, Chair

DIVISION OF DEACONS AND DIACONAL MINISTERS

As a Division, we are charged with the responsibility of resourcing and empowering candidates for ministry. It is a wonderful privilege and awesome responsibility to walk alongside each candidate as they discern God's calling into a specialized area of ministry. Within the Division, there are four specialized areas of ministry:

Deacons are persons called by God, authorized by the church, and ordained by a bishop to a lifetime ministry of Word and Service to both the community and the congregation in a ministry that connects the two. Deacons exemplify Christian discipleship, create opportunities for others to enter into discipleship, and connect the needs and hurts of the people with the church.

- In the world, the deacon seeks to express a ministry of compassion and justice and assists lay persons as they claim their own ministry.

- In the congregation, the ministry of the deacon is to teach and to form disciples, and to lead worship together with other ordained and lay persons, connecting the needs and hurts of the people with the church. (§329)

Diaconal Ministers are commissioned to a lifetime of service extending the witness of Christ's love and justice in the world. Although becoming a Diaconal Minister is no longer a current option, the diaconate is still active in our conference. Diaconal Ministers are required to interview before the Division each quadrennial.

Professional certification is The United Methodist Church's recognition that an individual has been called, made a commitment to serve and has fulfilled the required standards for academic training, experience, and continuing study to serve with

excellence in an area of specialized ministry. The church certification in specialized ministry offered by the General Board of Higher Education and Ministry was born of a desire on the part of individuals to serve the church with excellence and to serve more effectively. Professional certification provides biblical and theological training, knowledge of The United Methodist Church structure and resources, skill development, support, and accountability.

Paraprofessional certification is available to people who have or do not have an undergraduate degree and are working in areas of specialized ministry. Paraprofessional certification does not carry academic credit and is designed for those seeking training in a specialized ministry as a worker or volunteer.

Areas of Certification for Professional and Paraprofessional certification include: Camp/Retreat, Children's Ministry, Christian Education, Evangelism, Ministry with the Poor, Music Ministry, Older Adult Ministry, Spiritual Formation, and Youth Ministry. We have been truly blessed by the candidates who have engaged us in this discernment process. As we look to the future, we are challenged by our own logo "*leading and equipping the church in servant ministry.*"

Pam Crews, Chair

DIVISION OF LOCAL PASTORS AND ASSOCIATE MEMBERS

It is an honor and a privilege to serve on the Louisiana Conference Board of Ordained Ministry and the Division of Local Pastors and Associate Members. As we embrace the vision for Excellence in Ministry, we celebrate the Elders, Local Pastors, and Associate Members of the Annual Conference who have sacrificed familial and other times, while investing in this ministry beyond their local church ministries. This has enabled us to cultivate and nurture persons who feel called to pastor and lead in local congregations.

The work of this Division is to care for those men and women who are called to care for the people of God through the Board of Ordained Ministry and the Division of Local Pastors and Associate Members. Many of these men and women serving the local churches of the Louisiana Annual Conference have full-time jobs in the secular world that are at times stressful. It is their call to serve the local church that sustains them. The Division of the Local Pastor and Associate Members takes this moment in writing to celebrate each of them with our love and support for their ministries.

This Division fulfills its obligations by meeting several times during the year for the purpose of planning and fulfilling the Division's obligations as we remain faithful to our call to be excellent in our ministry. Additionally, it is the responsibility of this Division to organize and lead yearly interviews in designated regions throughout the state of Louisiana.

We celebrate clergy from other Fellowships, Elders from other Annual Conferences, or other Methodist Denominations. The Louisiana Conference Division of Local Pastors and

Associate Members commends and celebrates those individuals who have completed their requirements in the Course of Study Schools, those who have completed part of their requirements, and those who have completed License to Preach School, as each is equipped for Kingdom Building.

This year, as we continue to strive for excellence in ministry, we celebrate the 2011 License to Preach School class under the leadership of the Rev. Gary D. Willis, Dean, and Rev. T. Lynn Malone, Associate Dean. This year we had the privilege of serving and preparing 15 persons for ministry. As we continue in Kingdom Building, the members of the Division of Local Pastors and Associate Members of the Annual Conference ask you to continue praying for us that we, through the ministry of the Local Pastors and Associate Members, become stronger and more excellent in our ministries, serving the Lord Jesus with gladness.

ORDER OF ELDERS

The Order of Elders leadership team for the 2008-2012 quadrennium is Doug Cain, Andy Goff, Juan Huertas, Katie McKay Simpson, Brady Whitton (chair), and Donnie Wilkinson.

In 2010, the Order sponsored a retreat featuring the author of *The Apprentice Series*, James Bryan Smith. The retreat was attended by nearly 100 retired, active, and provisional elders and concluded with a letter composed by Elders to Elders regarding peer/covenant groups. This letter (below) marks an important moment in the Order's development as it moves us in the vital direction of peer-accountability.

To Our Brothers and Sisters in the Order of Elders

From your Brothers and Sisters gathered at the Wesley Center October 6, 2010:

The Book of Discipline describes an order as a covenant community whose purpose is to “seek to respond to the spiritual hunger among clergy for a fulfilling sense of vocation, for support among peers during this stressful time of change in the Church, and for a deepening relationship with God” (BOD ¶306).

During our October 4-6, 2010 retreat, we recognized and confess that we often fall short of these ideals as elders in this annual conference. We tend to live out our vocations in isolation instead of connection. We struggle to be a community that is “one in spirit and purpose.”

In line with our Wesleyan heritage, we believe that one of the most effective ways we can grow as a covenant community is by taking part in regular peer/covenant groups together. To that end, it is our desire and expectation that all elders in the Louisiana conference, beginning with ourselves, participate *at least monthly* in peer/covenant groups.

The purpose of these groups is:

- To pray for and with one another
- To keep each other accountable in areas such as spiritual growth and physical wellness
- To ask the historic question, “How is it with your soul?”
- To support one another by sharing ideas and using one another as “sounding boards”
- To have the “covenantal sharing” necessary for the order of elders
- To be a catalyst to draw others into covenant
- To build trust and promote healing

While these groups should be clergy-only groups, they do not need to be comprised of elders only.

If you are in an existing group which is in alignment with this purpose, we encourage you to continue meeting with that group and ask you to consider inviting other clergy to share in your gathering. If you are not in a group, we encourage you to find one or create one with peers in your area. Tools, resources, and a database of existing groups can be found at the order website at www.la-elders.org.

If you are unable to participate in a peer/covenant group, a monthly meeting with a spiritual director is an acceptable alternative.

Paul writes, “If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and purpose” (Phil 2:1-2).

Our intention is not to add one more thing to our already long to-do lists, but to utilize the gift of covenant community, to grow together in Christ, and to be united in spirit and purpose as we seek to fulfill Christ’s mission in the world.

May God bless you and the ministries to which you are called.

In Christ’s love,

¶306 of the *2008 Book of Discipline* describes the orders as, “a covenant community within the church to mutually support, care for, and hold accountable its members for the sake of the life and mission of the church.”

To the extent that we are true to the spirit and practice of this letter, the order has taken a significant collective step toward becoming who we are called to be.

ORDER OF DEACONS

Clergy Orders in The United Methodist Church are described in paragraphs 306, 307, 309, and 323 of the Book of Discipline. "All persons ordained as clergy in The United Methodist Church upon election to full membership in the annual conference shall be members of and participate in an order appropriate to their election. The Order of Deacons is a covenant community striving to support, care for, and hold each other accountable for the sake of the life and mission of the church. We solicit the continuing prayers of the church as we live out our individual and collective identity and vocation.

2010 HIGHLIGHTS:

- Our Deacon/Diaconal Breakfast Meeting was held on June 6, 2010, during Annual Conference. We welcomed one newly ordained deacon and introduced two newly commissioned provisional deacons. We also celebrated the ministry of clergy couple, Deacon Barbara and Elder Alan Einsel, on their retirement from active service. The occasion was especially significant because Barbara was in the first class of Diaconal Ministers, as well as in the first class of permanent Deacons. Over the years Barbara has served as a role model and mentor for many of us.

- On Sunday, October 3, 2010, we gathered at the Wesley Center for an overnight retreat. We enjoyed a time of fellowship and reflected on how we individually live out our call to the ministry of the Deacon.
- On Monday, October 4, 2010, we had our annual Deacons Day Apart with the Bishop. Bishop Hutchinson led us in examining the responsibilities and issues that arise in performing services of Christian marriage and Death and Resurrection.

2011 EVENTS:

- The Order of Deacons funded a “young clergy” table for Centenary’s Christian Leadership Center’s fundraising dinner on February 2, 2011. Eight young clergy who attended the Leadership Essentials for Young Clergy session with Adam Hamilton received a pre-paid seat to the dinner.
- I participated in Gathering 2011: Deacons, Elders, and Local Pastors Together in February 2011 in Orlando. The event was sponsored by the General Board of Higher Education and Ministry and focused on the future of the church and the impact on orders and fellowships, with visioning lead by Dr. Margaret Ann Crain. The agenda included discussion of the Study of Ministry Commission Spring 2011 Report, the Church Systems Task Force Report, and the Call to Action Report.
- We look forward to the annual Deacon/Diaconal Breakfast Meeting, to be held on Tuesday, **June 7, 2011**, during Annual Conference. All diaconal workers are invited to join us as we celebrate our various ministries of service to God and his people.
- The 2011 Regional Assembly of DOTAC (Diakonia of the Americas and Caribbean) Chairs – at the Feet of God, will be held **July 10-14, 2011** at Oklahoma City University.
- The *United Methodist Deacon Summit* will convene **July 14-16, 2011**, at Oklahoma City University following the DOTAC conference.
- We will gather as a covenant community **October 2, 2011**, for an overnight retreat to reflect on our vocational identity.
- Our annual *Deacons Day Apart with the Bishop* is scheduled for **October 3, 2011**.

FELLOWSHIP OF LOCAL PASTORS AND ASSOCIATE MEMBERS

The Louisiana Chapter of the Fellowship of Local Pastors and Associate Members had 5 members present at the National Conference of Associate Members and Local Pastors held at Epworth-by-the-Sea, St. Simons Island, GA, September 14-17, 2010. Registration for this national gathering totaled 51 members representing 14 Conferences. Attending from Louisiana were: Rev. Robert Chance, Rev. Carol Richardson, Rev. Ernest Scott, Rev. Letty Strawbridge and Rev. Bill Strawbridge. The theme for this gathering was “Midnight Oil” and Rev. Roland Scruggs a Retired Associate Member, was the Workshop Leader. Rev. Scruggs still serves in a rural church in Tennessee and he

challenged the attendees with such questions as: Are we willing to burn that midnight oil in our role as Pastors and if so, what are some ways? He also asked us to consider the question “Is burning the Midnight Oil left up to clergy alone?”

During the opening Business session Louisiana’s Rev. Letty Strawbridge was appointed to the Nominating Committee for the National Fellowship. This committee was charged with recommending a slate of officers to be presented for election at the last business meeting of this national gathering. During the opening business meeting it was announced that the 2011 National Gathering, September 15–18, 2011, will once again be held in Branson, MO and the Workshop Leader for that gathering will be Rev. Leonard Sweet.

I took additional information to this meeting from the Alexandria Tourist Bureau. This information will be presented to the Executive Committee at their February 2011 meeting. This packet included information on The Wesley Center, on Alexandria and on the surrounding area attractions. I am hopeful that this information along with a personal visit of the National Vice-President, Rev. Tom Herring to The Wesley Center combined with personal meetings with groups of Local Pastors in Shreveport, Alexandria and Monroe prior to the 2010 Annual Conference, will be an added incentive for bringing the National Gathering to Louisiana in the future.

I have not given up on discussions with the Mississippi Conference Fellowship Chair, Rev. Mark Jones. He and I will continue our dialogue in hopes of coming to an agreement for a joint meeting for educational enrichment.

Again it is my honor to serve as Chair of the LA Fellowship and I continue to be blessed by the members of this Fellowship and their Call to Ministry and their faithfulness to that Call while so many work in full time jobs in the secular world.

CARE AND NURTURE TEAM

Policy Number 101

Clergy Counseling Funds

The uses of the clergy counseling funds are overseen by the Care and Nurture Chairperson of the Conference Board of Ordained Ministry of the Louisiana Annual Conference. The fund is to be used for the confidential psychological therapy needs of the clergy and their families of the Louisiana Conference.

The funding is \$300 per clergy and/or their family members per each request. The clergy or family member is to make request for funds in writing to the Care and Nurture chairperson, and to include the name, address, and phone number of the licensed therapist for whom they are requesting payment. Payment is made directly from the Conference Board of Ordained Ministry to the therapist. The Care and Nurture Chairperson keeps the names of those being counseled in absolute confidence. The records of the persons helped

through this fund are to be kept by the Care and Nurture Chairperson only for the year in which funds are received. At the end of the year all records of names of those helped are destroyed.

No clergy person or family member will be reimbursed directly. Only providers of licensed psychotherapeutic services will be paid for services rendered.

The amount paid in any given instance may be increased at the discretion of the Care and Nurture Chairperson, in consultation with the Chairperson of the Conference Board of Ordained Ministry. The Care and Nurture Chairperson will keep the names in confidence but may speak of the factors which are suggesting the increase.

Policy Adopted by Care and Nurture Team on May 10, 2005

Policy Approved by the Conference Board of Ordained Ministry on January 24, 2006

Who may receive the grants? Clergy of the Louisiana conference and/or their immediate family members.

How much is the grant? Grants are for up to \$300 per request.

How do I apply for the grant?

Write a letter to CBOM Care & Nurture Chair:

Rev. Dr. Theresa McConnell
228 Dogwood Road
Shreveport, LA 71105-3110
Cell phone: 318-820-0546

Include the name, address, and credentials (the letters behind the name) of the licensed mental health professional for which you are requesting payment. Payment is made directly to the provider. Include the detailed address to which you, the applicant, want your letter of confirmation sent. Some prefer correspondence sent to their church, while others want information sent to their home or other location. Some prefer the use of email, but need to remember that email is not secure and that the email may not reach the Chair so a telephone follow-up to any email correspondence is suggested. Please specify in your letter of request to the CBOM Care & Nurture Chair the preferred mode of communication and/or address to help the process go smoothly.

How is my name kept confidential? The name of the client does not go beyond the letter requesting the grant, and is kept absolutely confidential as the process is implemented. The grant is requested through the CBOM Coordinator and Treasurer to be sent to the provider (with no applicant name attached). The CBOM Care & Nurture Chair sends the provider a separate, confidential letter stating for whom the check is to be used when it is received. Records of correspondence from the applicant are seen and kept only by the Chair of Care and Nurture, and are destroyed at the end of each calendar year along with any correspondence sent to the licensed mental health professional.

How long does the process take? The letter of request will be processed within a week to ten days from the date of receipt, and the conference office will prepare and send the payment at the next time for check-writing (usually within another week). The applicant requesting the grant is sent communication verifying that the process is under way. If the applicant has not received a response from the CBOM Care & Nurture Chair within 15 days of making application, please contact the CBOM Care & Nurture Chair to make sure the request was received.

COMMISSION ON EQUITABLE COMPENSATION

The Book of Discipline clearly states that the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (see par. 624). In addition, the Annual Conference provides a program of support for the ministers (not the individual churches) to assure them of a livable level of financial support when serving a full-time appointment. Towards this end, The Commission on Equitable Compensation recommends the following program:

Local churches whose ministerial leadership is receiving an Equitable Compensation Grant are expected:

1. To raise their local compensation by a minimum of 5% annually until there is no longer a need for Conference support.
 2. To pay all apportioned ministerial items (Equitable Compensation, Episcopal and District Superintendents Funds), World Service and Conference Benevolences.
 3. To conduct an Annual Stewardship Campaign.
 4. To carry Louisiana Worker's Compensation insurance on their minister and staff.
 5. Pay 100% of Health Insurance as set by the Board of Pensions and remain current on local congregation's clergy pension obligations.
- A. The minister's Conference relationship sets the Equitable Compensation he/she is eligible to receive as outlined below. Any changes in Conference relationship during the year will change eligibility. The formula rate for full time is 60% of the lower of the Denominational Average Compensation (DAC) or Conference Average Compensation (CAC) each year. The formula for 2012 grants will be based on the 2012 Denominational Average Compensation (DAC). Thus the full time amount for 2012 will be \$37,669 (60% of the DAC of \$62,781).

2012

<u>Conference Relationship</u>	<u>Full Time Compensation</u>	<u>Percent Applied</u>	<u>EC Base</u>
+Elder	\$37,669	103%	\$38,799
+Provisional Elder	\$37,669	102%	\$38,422
+Associate Member	\$37,669	101%	\$38,046
+Full-time Local Pastor	\$37,669	100%	\$37,669

- B. For the purpose of determining the Equitable Compensation Grants, the minister's total plan compensation includes: base salary, cash allowances, utilities and housing allowance (or, when a parsonage is provided, 25% of the plan compensation as the approximate value of that parsonage).
- C. Ministers receive an additional \$100 for each year of service as a full-time minister up to a maximum of 10 years service.
- D. Ministers receive an additional \$200 a year for each church over one.
- E. Equitable Compensation pays its share of CRSP and CPP based on the minister's income.
- F. Equitable Compensation pays up to \$75 for one Annual Conference sponsored Continuing Education Event per year for clergy who are currently receiving Equitable Compensation Grants.
- G. Annual Grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year.
- H. The charge to which the minister is appointed must be classified by the Cabinet as a full-time appointment for the minister to be eligible for full compensation. The policy of the Louisiana Annual conference is not to provide Equitable Compensation Grants for Associate Pastors.
- I. District Superintendents must submit to the chairperson of the Commission on Equitable Compensation, an application for each minister in their District seeking assistance from the Equitable Compensation Fund. These are to be sent after Charge Conference but no later than December 31. For new appointments, application forms furnished by the Commission should be turned in as soon as possible.
- J. All ministers receiving Equitable Compensation Grants are required to renew their applications when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Compensation of any change in compensation or Conference relationship.
- K. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Compensation.
- L. To facilitate Mission appointments, certain funds will be made available to the Cabinet to "provide for supplementing base compensation beyond the minimum base compensation schedule." (par.625.6, The Book of Discipline, 2008)

Regarding Moving Expenses:

Charges of 250 members or less which have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

- A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$500.
- B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$300.

- C. If the pastor is moved after three or more years, no assistance shall be available to the charge.
- D. The pastor must be living on the charge in order for the charge to receive such assistance.
- E. Verification of moving expenses shall be made by submitting a copy of the bill to the District Superintendent in whose District the charge is located.
- F. Request for assistance shall be initiated by the charge, approved by the District Superintendent (in whose District the charge is), then submitted to the Chairperson of the Commission on Equitable Compensation.
- G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Compensation.

Those receiving Equitable Compensation Funds for January 1 - June 2011

RETIRED MINISTERS' HOMES BOARD

The purpose of our report to the Annual Conference each year is to keep our Ministry before the local Churches of the Louisiana Conference, which are represented here by their Clergy and Lay Delegates. There are new delegates to the Conference each year that may not know about the Ministry that is performed by our Board.

When Methodist ministers retire, there is no longer a congregation to provide a parsonage for them and they have not been able to build up any equity in a home. Some cannot afford to purchase a home and make monthly house notes from their limited pension income. At the present time, the Board has thirty-six homes throughout the state with at least one home in each District. Our residents pay a monthly maintenance and insurance fee of nine cents per square foot. For a 1,200 sq. ft. residence, the fee is \$108.00 per month. There are homes available in Bossier City, Ruston, Baton Rouge and Slidell.

Our greatest financial help from Methodist people comes when we receive the donation of a home that we can either use for one of our retirees or sell and invest the proceeds in a new home. The last home we purchased was in Hammond with such funds. We are also open to partnering with a Church or an individual in providing a home for a particular retiree. When funds are available, the Board will provide up to fifty thousand dollars in matching funds.

On Sunday, September 11, 2011, the Annual conference will observe Retired Ministers' Homes Board Sunday and the churches are to present this ministry and receive an offering for this work. Our goal is to be able to fund our entire annual administrative cost from the contributions from this offering. This goal could be reached if every church in the Conference contributed only 60 cents per member. That's just pocket change for each

church but together amounted to \$21,105.33 last year. The success of this offering makes it possible for us to keep the monthly fees of our retired clergy as low as possible.

LOUISIANA INTERCHURCH CONFERENCE (LIC)

To Live the Faith We Hold in Common

The theme of the 41st Annual Assembly of the LIC, held March 14-15, 2011, at the Lafayette Hilton was ***“Bread or Stones: The Church, Children, and Poverty in Louisiana”*** (Ref: Matthew 7:9-11). Keynote speaker: **Fr. Fred Kammer, SJ, J. D.** Fr. Kammer is a priest, an attorney, and a member of the Southern Province of the Jesuits. The Most Reverend Michael G. Duca, Bishop of the Roman Catholic Diocese of Shreveport, was installed as President during the Assembly Worship service. The Week of Prayer observance (*“One in the Apostles’ Teaching, Fellowship, Breaking of Bread and Prayer”* cf. Acts 2:42) was celebrated in many communities around the state. The task force on ecumenical formation has held five successful conferences as part of their goal to recruit and form the next generation of ecumenical leaders. The Public Policy Task Force introduced a resolution at this Annual Assembly on study of and implementation of a plan of practical steps our Church membership can engage in to reduce child poverty in Louisiana. The LIC is partnering with the Louisiana Conference, other member churches, and faith communities to support legislation to increase the tax on tobacco that will reduce teen smoking and provide money for health care for our citizens. Bishop William Hutchinson and Dr. Don Cottrill (Designate for Bishop Hutchinson) represented the Louisiana Annual Conference. Others representing the Louisiana Annual Conference included the Rev. John Deschner, Chair of the Commission on Christian Unity and Interreligious Concerns, the Rev. Larry Miller, Treasurer of the LIC, and delegates: Rev. Clifton Conrad, Rev. Heather Leyland, and Mrs. Pat Wilkerson.

The LIC Board met in Baton Rouge in late September with the theme of *“Witnesses of these things - Ecumenical Engagement in a New Era”*. We heard from informative speakers on how we can engage ecumenically in recovery and restoration after the Gulf Oil Spill, as well as “Exploring Ecumenism in a broader context”- in preparation for the Ecumenical Gathering of the NCCUSA/CWS of November 9th–12th, 2010, in New Orleans. The Commission on Stewardship of the Environment has held conferences to assist churches to reduce both our carbon footprint and budget expenses by implementing more sustainable construction, renovation and other practices in operation of church facilities. The Commission on Criminal Justice is planning a follow up to the recent juvenile justice conference which assessed the status of juvenile justice reform; with a goal to now focus more on the families of the youth involved. Mrs. Betty Puckett, our field staff member, in addition to personal assistance to farm families, represents farmers during meetings, mediation, and appeals with USDA and the Farm Service Agency.

The LIC continues to partner with Louisiana Interfaith Disaster Recovery Network (LIDRN) in long term disaster recovery and Louisiana Prison Chapel Foundation in erecting Chapels in the State's correctional centers. Largely funded by the member churches we are grateful for the support of the United Methodist Church in Louisiana and its commitment to ecumenical relationships. The Conference also provides office space for the LIC at a very modest cost. Since its founding in 1970, the LIC membership has grown to include fifteen member Communions, an Associate Member – The Order of St. Lazarus, and representation from Church Women United. The member churches strive to proclaim the Gospel message *To Live the Faith we Hold in Common*.

LOUISIANA MORAL & CIVIC FOUNDATION

Introduction -

In 2010 LMCF completed its 68th year of ministry, commenced when Methodist Bishop Dana Dawson issued (August 27, 1942) an official call for a mass meeting of Moral Forces. In response to that historic call, approximately 100 people of all faiths (denominations) and no faith gathered in Alexandria to begin a work that continues today through the Louisiana Moral & Civic Foundation. The state legislature and other state leaders continue to recognize LMCF as a *role model* and an *organization without peer* in efforts to **make Louisiana a better place for all of our citizens to live.**

Early leadership -

One of the many Methodist leaders in LMCF's organizational meeting that took place in Alexandria on September 25, 1942, was Dr. Henry Bowden, Sr. from Lake Charles. Bowden is credited for establishing the method of funding the new organization through an "asking" in the budgets of local churches and from *people of means*, who would feel led to help. From its historic beginning, LMCF has continued to focus on helping citizens of Louisiana address moral and social concerns. It continues to depend upon the promise made in that organizational meeting, that if LMCF *would do the work for which it was established; churches would place LMCF in their annual budgets*. In addition, as originally envisioned, God has "*raised up*" *individuals of means who financially support this ministry*, but their numbers have dwindled to a very small number that remain.

Administration - In 2010 LMCF received contributions from United Methodists:

Churches, \$100.00

Individuals, \$500.00

Total budget contributions in 2010 from all sources were \$127,375.00

Our asking from the churches of \$1.00 per member per year in 2011 remains the same. LMCF appreciates all church and individuals, who by their contributions, invest in this *ministry of morality*, and determine if it is able to continue.

Ministry -

*LMCF in 2010 continued to minister **through four major programs:** Awards, Educational, Legal and Legislative. Of special interest to many Methodists is the 2010 **Dr. Henry Bowden, Sr. Preaching Award** presented to **Dr. Scott Adams**.*

Conclusion -

Louisiana Methodists in 2010 continued to provide leadership and exercise their influence upon LMCF through past president Rev. Jimmie Pyles, and other United Methodist members serving on LMCF's State Advisory Council.

Thank you for the opportunity to serve the people in Louisiana called, United Methodists.

COMMITTEE ON RULES

During the 2010 Louisiana Annual Conference, there was one proposal for change brought by Larry O'Dell from the Baton Rouge District. This proposal was to change the dates in our Itineration to move one month ahead. This would have changed our Conference year from June 1st to July 1st. The Conference voted to refer the proposal back to the rules committee and to the 2011 Annual Conference.

In addition, this year, the Conference Ministry Team has submitted a change that will allow a lay chair of the Ministry Team to be an Annual Conference Member while holding that office.

ARTICLE I GENERAL RULES FOR THE CONFERENCE

Beginning page 233 2009 Conference Journal

V. ITINERATION (The present rule)

The Conference Year is from June 1 to May 31. When a minister moves to a new appointment at Annual Conference, he/she shall receive compensation and expenses from his/her new appointment or charge from June 1. When a minister leaves an appointment at Annual Conference, he/she will receive compensation and expenses from the appointment or charge he/she is leaving only through May 31. If the minister lives in a parsonage, he/she will likewise receive compensation and expenses only through May 31. If the minister lives in a parsonage, he/she shall be responsible for paying the utilities for the month of May and for leaving the parsonage in good condition. The chairperson of the Pastor-Parish Relations Committee shall certify to the District Superintendent on the form provided by the District Superintendent that the provisions of this rule have been met by the minister before leaving the charge. If a minister is given a housing allowance,

the chairperson of the Pastor-Parish Relations Committee shall give the District Superintendent a copy of the contract for the period of time to be covered by the housing allowance. This form, which is to be provided by the District Superintendent, shall be sent to the District Office at the beginning of the appointment.

PROPOSED RULE CHANGE:

V. ITINERATION

The Conference Year is from **July 1 to June 30**. When a minister moves to a new appointment at Annual Conference, he/she shall receive compensation and expenses from his/her new appointment or charge from **July 1**. When a minister leaves an appointment at Annual Conference, he/she will receive compensation and expenses from the appointment or charge he/she is leaving only through **June 30**. If the minister lives in a parsonage, he/she will likewise receive compensation and expenses only through **June 30**. If the minister lives in a parsonage, he/she shall be responsible for paying the utilities for the month of **June** and for leaving the parsonage in good condition. The chairperson of the Pastor-Parish Relations Committee shall certify to the District Superintendent on the form provided by the District Superintendent that the provisions of this rule have been met by the minister before leaving the charge. If a minister is given a housing allowance, the chairperson of the Pastor-Parish Relations Committee shall give the District Superintendent a copy of the contract for the period of time to be covered by the housing allowance. This form, which is to be provided by the District Superintendent, shall be sent to the District Office at the beginning of the appointment.

Rationale:

Because Louisiana Conference's year end (May 31) is before "moving day" (Tuesday after Annual Conference), there is a gap of salary missed or unearned for all new clergy to our conference, clergy who are moving from one appointment to another, and for retiring clergy. This gap is the period of time between May 31st and moving day which is near 15days.

New Clergy to our conference: Move to their appointment near the 15th and will receive the agreed salary, not for the last half, but for all of the month of June. The GAP of the first 15 days is paid and unearned.

Moving Clergy: Will receive no salary after May 30 from the present appointment. Upon the move, near the 15th, clergy will receive salary for all of the month of June from the new appointment. The GAP is the difference in salary for the two different appointments for the 1st half of June which could result in a loss or gain depending upon the new appointment salary.

Retiring Clergy: Will receive salary through May 31st which ends their appointment. If they stay and serve the charge until moving day, the GAP will be unpaid.

Moving the year-end from May 31 to June 30 will move the yearend so that it is after the moving date and therefore will delete the GAP. Further, this change will allow the

cabinet to reset the moving date closer to June 30 so that clergy may serve all Sundays in June and receive the appropriate salary. Annual Conference need not be moved.

Rules Committee vote: 4-0 in favor

Addition to the composition of lay membership of the Annual Conference:

At: Just after X. Conference Structure and Rules; Article 1: Annual Conference Membership; C.2. k. and just before the sentence: “These persons shall be counted as members of the Annual Conference from the districts in which they reside.”

Add the following:

In addition to the lay membership of the Annual Conference as outlined by the Book of Discipline, the Louisiana Conference includes the Chairperson of the Conference Ministry Team, if that person is a lay person.

Rationale:

The Chairperson of the Conference Ministry Team is a key leader in the Annual Conference. This person is nominated by the Nominating Committee of the Conference and is responsible for guiding the Conference Programming Boards and Committees along with the Provost/Director of Connectional Ministries. If the chairperson is a lay person, he/she is not automatically a member of the Annual Conference and would therefore not have a voice (except at the report of the CMT or by invitation) or vote at the Conference session. A clergy member of the Conference serving as the CMT Chairperson would have a vote. This motion would provide for a vote for a layperson serving in this important leadership position.

Rules Committee vote: 4-0 in favor

Lyndle Bullard, Chair

COMMITTEE ON EPISCOPACY

The Conference Committee on Episcopacy met with Bishop Hutchinson on March 10, 2011, to discuss the needs of our conference and ways that our committee and the conference could support him as he prepares to enter the final year of his Episcopal leadership before retirement in 2012. Bishop Hutchinson noted that he and the Cabinet have received good responses from the churches of the conference in the “self-identification” process asking congregations to identify their status. This work will be particularly helpful in the appointive process, but will also be useful to individual congregations as they engage in strategic and missional planning. While this is still a “work in progress,” the measurable information provided will allow the Bishop and the Cabinet to make better and more informed decisions in the appointment of clergy, and in the provision of needed resources to churches throughout the conference.

Another continuing need of our conference is the alignment of resources to priorities. While individual giving is going up across the conference, the number of givers is declining; and that is an unsustainable process. This will necessitate a re-evaluation of our priorities and our mission, and how the conference will need to realign and position its resources to accomplish our mission. Part of that process may involve finding alternative means of supporting programs and ministries that the conference has historically funded, but which are no longer easily aligned with revised priorities and areas of mission focus.

Discussion of possible areas of special attention included the need to revisit the conference emphasis on the funding of new church starts, as the first three such churches have encountered difficulty in sustaining membership and financial growth; and there is inadequate funding available for additional new church starts. Alternative approaches, including larger churches seeding “satellite congregations,” will need to be explored. Addressing the precipitous decline of African American churches in the conference, as well as the decline in our rural churches, continue to be pressing needs. New initiatives, including the Katrina-born idea of “cooperative parishes,” are being explored as possible ways of revitalizing some of these smaller churches, which represent a significant portion of our conference. A greater number of part-time local pastors will be needed to provide clergy leadership and spiritual nurture to these congregations.

As we will receive a new Bishop for Louisiana following Bishop Hutchinson’s retirement, the committee discussed with him the specific gifts and graces our new Bishop would need, and that the conference should request in that assignment process.

It was reported that the Episcopal residences in both Baton Rouge and Shreveport are in good condition, although lawn and landscaping work will need to be done at the Baton Rouge residence.

The committee thanked the Bishop for his leadership and service, and renewed our promise to support and work closely with him as he continues to shepherd our conference and guide us in our mission to make disciples of Jesus Christ for the transformation of the world.

George “Buzzy” Anding, Chair

“Day of Caring” billboards were seen throughout the state, promoting a conference-wide outreach to those living in poverty on May 14. Close to 250 United Methodist churches held clothing and food drives, built Habitat projects, organized health fairs, and sponsored numerous other projects to be in service “with the poor” of Louisiana.
